Dear Dave

Annual Audit and Certification Fees 2014/15

We are writing to confirm the audit and certification work that we propose to undertake for the 2014/15 financial year at New Forest District Council. The fee reflects the risk-based approach to audit planning set out in the Code of Audit Practice and the work mandated by the Audit Commission for 2014/15.

Indicative Audit Fee

The audit fee covers the:

- ▶ audit of the financial statements;
- ▶ value for money conclusion; and
- ▶ whole of Government accounts.

The Audit Commission has set the scale fee for each audited body following the five year procurement exercise carried out in 2012. Consequently the fee is not liable to increase in that period without a change in scope.

The 2014/15 scale fee is based on certain assumptions, including:

- ▶ the overall level of risk in relation to the audit of the financial statements is not significantly different from that of the prior year;
- ▶ we are able to place reliance on the work of internal audit to the maximum extent possible under auditing standards;
- ▶ the financial statements will be available to us in line with the agreed timetable;
- ▶ working papers and records provided to us in support of the financial statements are of a good quality and are provided in line with our agreed timetable; and
- ▶ prompt responses are provided to our draft reports.

Meeting these assumptions will help ensure the delivery of our audit at the indicative audit fee.

The indicative audit fee set out in the table below has initially been set at the scale fee level as the overall level of risk in relation to the audit of the financial statements is not significantly different from that of the prior year.

As we have not yet completed our audit for 2013/14, our audit planning process for 2014/15 will continue as the year progresses. Fees will be reviewed and updated as necessary, within the parameters of our contract with the Audit Commission.

Certification fee

The Audit Commission has set an indicative certification fee for each audited body. The indicative fee is based on the 2012/13 actual certification fees, adjusted to reflect any known schemes that no longer require auditor certification. The Audit Commission has revised the previously published 2013/14 indicative certification fee to reflect further schemes that no longer require auditor certification.

The composite indicative fee is based on the expectation that an audited body is able to provide the auditor with complete and materially accurate claims and returns, with supporting working papers, within agreed timeframes.

The indicative certification fee for 2014/15 relates to work on grant claims and returns for the year ended 31 March 2015. We have set the certification fee at the composite indicative fee level. We will update our risk assessment after we complete our 2013/14 certification work.

Summary of Fees

	Indicative fee 2014/15 £	Planned fee 2013/14 £	Actual fee 2012/13 £
Total Code audit fee	73,076	73,076	73,076
Certification of claims and returns	5,670	8,101	8,700
Local elector objection	N/a	N/a	2,304

Any additional work that we may agree to undertake (outside of the Audit Code of Practice) will be separately negotiated and agreed with you in advance.

Billing

The indicative fee will be billed in four quarterly instalments of £19,686.50.

Audit Plan

Our plan for the audit of the financial statements is expected to be issued in June 2015. This will detail the significant financial statement risks identified, planned audit procedures to respond to those risks, and any changes in fee. It will also set out the risks identified in relation to the value for money conclusion. Should we need to make any significant amendments to the audit fee during the course of

the audit, we will discuss this in the first instance with the Executive Director (Finance) and, if necessary, prepare a report outlining the reasons for the fee change for discussion with the Audit Committee.
