NOTIFICATION OF COUNCIL DECISIONS

COUNCIL – 18 JULY 2011

The following decisions were taken at the above meeting.

Agenda Item 5 – Reports of Committees and Cabinet

General Purposes & Licensing Committee

DECISION:

That the report be received and the recommendations be adopted.

Cabinet

DECISION:

That the reports be received and the recommendation be adopted.

Agenda Item 7 - Notice of Motion

DECISION:

That under the provisions of Standing Order 41, the following motion submitted by Cllr Tipp be referred to the Environment Overview and Scrutiny Panel then the Cabinet: -

“It is widely known that energy bills have been rising at rates well above inflation in the past few years and that this is already adversely affecting businesses and causing financial hardship to many people throughout the country on low incomes, including residents of this District.

In light of this I propose that the Council should write to the government, urging it not to make commitments to reduce carbon dioxide emissions further or faster than other major industrial nations without a world-wide binding commitment by all those other industrial nations, as such a unilateral commitment would add further increases to UK energy prices causing increasing hardship.”

Agenda Item 9 – Change of Date of February 2012 Council Meeting

DECISION:

That the meeting of the Council scheduled for Monday, 20 February 2012 be moved to Monday, 27 February 2012 at 6.30pm.

Agenda Item 10 – Meeting Dates for the 2012/13 Municipal Year
