## **NOTIFICATION OF COUNCIL DECISIONS**

### **COUNCIL – 24 OCTOBER 2011**

The following decision was taken at the above meeting.

#### **Agenda Item 5 – Reports of Cabinet**

##### **DECISION:**

That the report be received.

In relation to Item 7 – Notice of Motion, Reduction in Carbon Dioxide Emissions the following motion submitted by Cllr Derek Tipp was agreed: -

“It is widely known that energy bills have been rising at rates well above inflation in the past few years and that this is already adversely affecting businesses and causing financial hardship to many people throughout the country on low incomes, including residents of this District.

In light of this I propose that the Council should write to the government, urging it not to make commitments to reduce carbon dioxide emissions further or faster than other major industrial nations without a world-wide binding commitment by all those other industrial nations, as such a unilateral commitment would add further increases to UK energy prices causing increasing hardship.”

<p>THIS DECISION LIST HAS BEEN PREPARED BY THE COMMITTEE ADMINISTRATOR AND IS CIRCULATED TO INFORM COUNCILLORS AND OFFICERS IMMEDIATELY OF DECISIONS REACHED AT COUNCIL MEETINGS. THE WORDING OF RESOLUTIONS IN THE MINUTES OF THE MEETING MIGHT DIFFER FROM THE ABOVE.</p>
