Councillor Rippon-Swaine, supported by Councillors Mrs Ford, Jeremy Heron, Thierry and Mrs Woodfield, will move the following motion:

That as New Forest District Council has previously expressed concern to the Highways Agency at the safety record of traffic using the A31 and the number of vehicle accidents in the vicinity of Ringwood, it is now pleased to offer its formal support to the following resolution by Ringwood Town Council:

“That Ringwood Town Council, having deep concerns related to the number of vehicle accidents in the urban stretch of the A31 in Hampshire from Picket Post to the Ashley Heath interchange, and having regard to public opinion, petitions the Highways Agency to once again review, in consultation with this (*Ringwood Town*) Council, measures which, if implemented, would have a beneficial impact on the accident rate on that section of the A31.”

Under the provisions of Standing Order 41, the above motion, after being proposed and seconded (without speeches), should stand referred to the Cabinet, or to the Cabinet or such Committees or Panels as the Council may determine. However, the Chairman may allow the motion to be dealt with at this meeting if she considers it urgent, convenient or conducive to the despatch of business; and, as this is a Cabinet function, if the Cabinet is in agreement.
