

## GENERAL PURPOSES AND LICENSING COMMITTEE - 16 NOVEMBER 2007

### REVIEW OF LICENSING POLICY

#### 1. INTRODUCTION

- 1.1 The Licensing Act 2003 requires Licensing Authorities to produce a Statement of Policy which must be reviewed every three years. The first policy was published on 7 January 2005 and remains in force until 6 January 2008. A revised policy structured on the national LACORS template and the existing NFDC policy has been produced for consideration and subsequent publication. The policy should be a 'high level' document setting out the Authority's approach to decision making. It should not simply repeat or duplicate the contents of legislation, guidance and other authoritative documents which can be viewed separately or in conjunction with the policy.

#### 2. REVISED POLICY AND CONSULTATION

- 2.1 The revised policy was sent to responsible authorities and other stakeholders for consultation. All comments received to date with subsequent actions are attached at Appendix 1 to this report. The amended Statement of Policy is attached at Appendix 2.

#

#### 3. CRIME AND DISORDER IMPLICATIONS

- 3.1 There are no crime and disorder implications arising from this report.

#### 4. ENVIRONMENTAL IMPLICATIONS

- 4.1 There are no environmental implications arising from this report.

#### 5. FINANCIAL IMPLICATIONS

- 5.1 There are associated staffing costs and administration costs associated with the writing and implementation of the revised policy. These costs have been included in this year's budget and require no extra financing.

#### 6. EQUALITY AND DIVERSITY IMPLICATIONS

- 6.1 The policy, legislation and associated guidance recognised equality and diversity issues.

## **7. RECOMMENDATIONS**

- 7.1 That the Committee consider the revised Statement of Policy and make recommendations to full Council for its publication on 7 January 2008 and agree the advertisement of details of the Policy prior to 7 January 2008.

**NEW FOREST DISTRICT COUNCIL  
LICENSING ACT 2003  
SECTION 5**

**Statement of Licensing Policy  
Effective 7 January 2008 – 6 January 2011**

The contents of this document are provided as information on the policy and principles of New Forest District Council in carrying out its functions in relation to the Licensing Act 2003. The document is not a full and authoritative statement of the law or statutory guidance and does not constitute professional or legal advice.

A Statement of licensing policy as determined by the Council in respect of its licensing functions for the three year period commencing 7 January 2008 is set out in this document. During the three year period the policy will be kept under regular review and, following a full consultation process the Council will make such revisions to it, at such times, as it considers appropriate. Further licensing statements will be published every three years thereafter

When using this document, reference should also be made to:

- The Licensing Act 2003 and associated regulations;
- Guidance issued under section 182 of the Licensing Act 2003 (SoS Guidance);  
and
- Information contained on the New Forest District Council web site  
([www.newforest.gov.uk](http://www.newforest.gov.uk))

**1. Executive Summary**

See paragraphs 13.1 to 13.18 of the SoS Guidance for further details.

- 1.1 This Statement of Licensing Policy has been prepared in accordance with the provisions of the Act and the Guidance issued under Section 182 of the Act.
- 1.2 New Forest District is situated in the County of Hampshire and has a large number of licensed premises. The Council recognises that these premises are an important part of the District and are major contributors to the local economy, attracting tourists and visitors, and making for vibrant towns and communities, whilst at the same time providing employment.
- 1.3 New Forest District Council ("the Council") is the Licensing Authority pursuant to the Licensing Act 2003 ("the Act") and is responsible for considering all applications for licensable activities, as defined in section 1 of the Act. The purpose of licensing is to regulate the carrying on of licensable activities on licensed premises, by qualifying clubs and at temporary events. Licensable activities, identified by the Act, include:

- Retail sale of alcohol
- Supply of hot food or drink from premises between 2300 and 0500 hours
- Supply of alcohol to club members
- Provision of entertainment listed below (known as "regulated entertainment") to the public or club members or with a view to profit:
  - Film exhibitions
  - Performances of a play
  - Indoor sporting events
  - Boxing or wrestling entertainment
  - Live music performances
  - Playing of recorded music
  - Dance performances
  - Provision of facilities for making music
  - Provision of facilities for dancing

1.4 There are a number of exceptions and details of these are set out in Sections 173 to 175 of the Act.

## **2. Purpose and Scope of the Licensing Policy**

2.1 There are approximately 800 licensed premises in the District where alcohol is sold or provided, entertainment provided on a regular or occasional basis or hot food served. These premises include:

- public houses and nightclubs
- off licences
- businesses offering hot food between 2300 and 0500
- hotels, guest houses, restaurants and other places that sell alcohol
- private members clubs and social clubs
- theatres and amateur dramatic groups
- cinemas
- premises where indoor sporting events take place.

2.2 When dealing with licensing matters the Authority will promote and have regard to the four licensing objectives when carrying out its licensing functions. These objectives are:

- The prevention of crime and disorder
- Public safety
- The prevention of public nuisance

- The protection of children from harm
- 2.3 The Council recognises that the best means of promoting the licensing objectives is through the co-operation and partnership of local councils, the police, local business, performers, local people and those involved in child protection
- 2.4 Each licence application will be considered on its own merits in the context of the four licensing objectives. Unless relevant representations are received from responsible authorities or interested parties, there is no provision for a licensing authority to impose conditions on a licence other than according to the voluntary steps which the applicant proposes to make in their application. Furthermore, there is no provision for a licensing authority itself to make representations. If no representations are made in respect of an application, the authority is obliged to issue the licence on the terms sought.
- 2.5 Any statement in the licensing policy will be relevant to all licensed premises unless otherwise stated. This Licensing Policy will apply equally to all types of premises.
- 2.6 The Council's primary focus is the direct impact of activities taking place at licensed premises on members of the public who are living, working or engaged in normal activity in the vicinity of the premises/place concerned. The licensing process can only seek to control those measures within the control of the licensee, and 'in the vicinity' of a premises Licensing law is not a mechanism for the general control of anti-social behaviour by individuals once they are away from that premises/place and, therefore, beyond the direct control of the individual, business or club holding the licence or certificate concerned.
- 2.7 Accordingly, any conditions attached to the licence/certificate will centre on the premises and places being used for licensable activities and the vicinity of those premises and places. Whether or not an instance can be regarded as being in the vicinity of licensed premises or places is a question of fact and will depend on the particular circumstances of the case.
- (see also section 11 below on Cumulative Impact and 13.18 SoS Guidance).

### **3. Duplication**

See paragraphs 13.19 and 13.69 of the SoS Guidance for further details.

- 3.1 This licensing policy will avoid duplication with other regulatory regimes and if conditions are already provided for in other legislation, they cannot be considered necessary in the context of licensing law.
- 3.2 This policy is not intended to duplicate existing legislation and regulatory regimes that already places obligations on employers and operators e.g. The Health & Safety at Work Act 1974 and the Regulatory Reform (Fire Safety) Order 2005.
- 3.4 Furthermore premises must comply with all other relevant legislation, e.g.

- Food Safety Act 1990 (Food Hygiene)
- Health & Safety at Work etc Act 1974
- Regulatory Reform (Fire Safety) Order 2005
- Disability Discrimination Act 1995
- Building Regulations
- Race Relations Act

3.5 However, if other regulations do not cover the unique circumstances that arise in connection with, for example, entertainment at specified premises then additional controls will be imposed.

#### **4. Crime Prevention**

See paragraphs 13.56 of the SOS Guidance for further details.

4.1 Conditions attached to premises licences and club premises certificates will, so far as possible, reflect local crime prevention strategies.

#### **5. Other Controls on Anti-social Behaviour**

5.1 Other mechanisms exist to control the anti-social behaviour of a minority of consumers who behave badly and unlawfully after leaving licensed premises etc. These controls include:

- Planning controls
- Positive measures to create a safe and clean town centre environment in partnership with local businesses, transport operators and other departments of the local authority
- Power of local authorities to designate parts of the local authority area as places for alcohol, i.e. not to be consumed publicly
- Police enforcement of normal law concerning disorder and anti-social behaviour including the issuing of fixed penalty notices
- The prosecution of any personal licence holder or member of staff at such premises who is selling alcohol to people who are drunk
- The confiscation of alcohol from adults and children in designated areas
- Police powers to close down instantly for up to 24 hours any licensed premises or temporary events on grounds of disorder, the likelihood of disorder or excessive noise emanating from the premises
- The power of the Police and other responsible authorities or a local resident or business to seek a review of the licence or certificate in question

## **6. Public Nuisance**

- 6.1 Stricter conditions with regard to noise control will be expected in areas of the District, which have denser residential accommodation or low levels of background noise but this will not limit opening hours without regard to the individual merits of any application.
- 6.2 Restrictions could be necessary on the times when certain licensable activities take place even though the premises may be open to the public at such times. For example, the playing of recorded music after a certain time might be prohibited, even though other licensable activities are permitted to continue.
- 6.3 Restrictions might be necessary on the parts of premises that might be used for certain licensable activities at certain times. For example, while the provision of regulated entertainment might be permitted while the premises is open to the public or members and their guests, regulated entertainment might not be permitted in a garden area of the premises after a certain time.
- 6.4 In certain premises where legislation does not provide adequately for the prevention of public nuisance, consideration might be given to conditions that ensure that:
- Noise or vibration does not emanate from the premises so as to cause a nuisance to the occupants of nearby properties. This might be achieved by a simple requirement to keep doors and windows at the premises closed, to use noise limiters on amplification equipment used at the premises and/or to undertake works of sound insulation.
  - Prominent, clear and legible notices are displayed at all exits requesting the public to respect the needs of local residents and to leave the premises and the area quietly.
  - Prohibit certain rooms from being used for purposes that create noise.
  - The use of explosives, pyrotechnics and fireworks of a similar nature, which could cause disturbance in surrounding area are restricted.
  - The placing of refuse - such as bottles - into receptacles outside the premises takes place at times that will minimise the disturbance to nearby properties.
- 6.5 In certain premises where existing legislation does not provide adequately for the prevention of public nuisance, consideration might be given to conditions that ensure that:
- Noxious smells from licensed premises are not permitted so as to cause a nuisance to nearby properties and the premises are properly vented. This might be achieved by the inclusion of additional filtration within the extraction system or increasing the height or direction of the final point of discharge.
- 6.6 Flashing or particularly bright lights on or outside licensed premises may cause a nuisance to nearby properties and may distract road users, especially in unlit areas. Any such condition needs to be balanced against the benefits to the prevention of

crime and disorder of bright lighting in certain places, having regard for the Lighting Policy published by HCC where appropriate.

- 6.7 The availability of taxi ranks outside licensed premises can reduce nuisance/antisocial behaviour, and local highway authorities can designate parts of the public highway as evening taxi ranks.

## **7. Cultural Strategies**

See paragraphs 13.57 to 13.60 of the SoS Guidance for further details.

- 7.1 The authority will monitor the impact of licensing on regulated entertainment, particularly live music and dancing. Where there is any indication that such events are being deterred by licensing requirements, the policy will be revisited with a view to investigating how the situation might be reversed. Only necessary, proportionate and reasonable conditions should be imposed on such events.

- 7.2 The Council will take into consideration the following in so far as they are relevant to the licensing objectives:

- The need of the local tourist economy.
- The cultural strategy for the District, and the Council's wish to encourage and promote live music, dancing and theatre to the wider cultural benefit of its community.
- The employment situation in the District, and the need for investment and employment where appropriate.

- 7.3 There are many stakeholders in the leisure industry. Many are involved, directly or indirectly, in the promotion of the licensing objectives, particularly those relating to the prevention of crime and disorder and public nuisance.

- 7.4 The Council will ensure at all times that it takes into account the views of these stakeholders and ensures proper integration of local crime prevention, planning, transport, tourism and cultural strategies. The Council will work closely with the police on issues of enforcement. Whenever appropriate, neighbouring authorities and parish councils will also be consulted.

## **8. Live Music, Dancing and Theatre**

See 13.70 to 13.75 of the SoS Guidance for further details.

- 8.1 This policy recognises that as part of implementing local authority cultural strategies, proper account should be taken of the need to encourage and promote live music, dancing and theatre for the wider cultural benefit of communities generally.

- 8.2 Only conditions strictly necessary for the promotion of the licensing objectives should be attached to licences for activities of this nature, and the authority is aware of the

need to avoid measures which deter live music, dancing and theatre by imposing indirect costs of a substantial nature.

## **9. Planning**

See 13.54 to 13.68 of the SoS Guidance for further details.

- 9.1 Planning and licensing regimes will be properly separated to avoid duplication and inefficiency. Licensing applications will not be a re-run of the planning application and licensing decisions will not cut across decisions taken by the planning committee or permissions granted on appeal. To achieve this, close liaison will be maintained between the General Purposes and Licensing and Planning Development Control Committees ("GPLC" and "PDCC"). The GPLC, where appropriate, will provide reports to the PDCC and any appropriate review panels on the situation regarding licensed premises in the area including the general impact of alcohol-related crime and disorder.
- 9.2 Prior to submitting an application to the Council the Applicant should ensure that there is appropriate current Planning Permission for the hours and activities for which application is being made. . It should be noted however that there is no legal basis for the licensing authority to refuse a licence application because it does not have planning permission.

## **10. Temporary Event Notices**

See Chapter 7 of the SoS Guidance for further details.

- 10.1 Applications should be submitted to the Licensing Authority at least 10 working days before the proposed event. However, the statutory period of 10 working days gives very little time for the licensing authority to process an application and for the police to respond. For this reason the authority would prefer to receive applications at least one month before the proposed event whenever possible. This preferred time frame is not stipulated by the legislation and is only an expectation of the authority and the authority cannot insist on its preferred time frame for receiving temporary event notices.

## **11. Cumulative Impact and Special Policies**

See paragraphs 13.23 to 13.39 of the SoS Guidance for further details.

- 11.1 The Council will not take 'need' into account when considering an application, as this is a matter for planning development control and the market. Currently this council does not have a special policy relating to the cumulative impact of licensed premises. However, it recognises that the cumulative impact of the number, type and density of licensed premises in a given area, may lead to serious problems of nuisance and disorder both in the vicinity of and at some distance from the premises.

- 11.2 Representations may be received from a responsible authority/interested party that an area has become saturated with premises making it a focal point for large groups of people to gather and circulate away from the licensed premises themselves. This concentration of premises may be creating exceptional problems of disorder and nuisance over and above the impact from the individual premises.
- 11.3 In these circumstances, the Council may consider that the imposition of conditions is unlikely to address these problems and may consider the adoption of a special policy of refusing new premises licences or club premises certificates if it believes that the area is saturated with such premises and the granting of any more would undermine one of the licensing objectives.
- 11.4 When deciding whether to adopt a cumulative impact policy, it should be aligned with other policies such as planning and also other relevant strategies for example late night economy strategy. Once the licensing authority has adopted a special policy it must include within its policy statement the following:
- Identification of concern about crime and disorder or public nuisance and whether serious and chronic concerns have been identified by a responsible authority or significant representations from residents have been received about the levels of nuisance and disorder;
  - Consideration of whether there is good evidence that crime and disorder or nuisance are happening and are caused by the customers of licensed premises, or that the risk of cumulative impact is imminent.
  - Identification of the boundaries of the area where problems are occurring.
  - Consultation with those specified in section 5(3) of the 2003 Act, and subject to the outcome of the consultation.
  - Details of special policy
- 11.5 If such a policy were adopted, the Council will consider representations on the grant of a particular application based on its impact on the promotion of the licensing objectives in the District generally.
- 11.6 The onus would be on the objector to provide evidence to back up any assertion that the addition of the premises in question would produce the cumulative impact claimed, always remembering that the impact will be different for premises with different styles and characteristics.
- 11.7 It therefore also recognises that, within this policy, it may be able to approve licences that are unlikely to add significantly to the saturation and will consider the circumstances of each individual application.

## **12. Licensing Hours**

See paragraphs 13.40 to 13.42 of the SoS Guidance for further details.

- 12.1 Consideration will be given to the individual merits of an application but the presumption will be to grant the hours requested unless there are specific objections

to those hours raised by responsible authorities or interested parties on the basis of the licensing objectives.

- 12.2 This policy recognises that, in some circumstances, flexible licensing hours for the sale of alcohol can help to ensure that concentrations of customers leaving premises simultaneously are avoided.
- 12.3 With regard to shops, stores and supermarkets the normal scenario will be for such premises to provide sales of alcohol for consumption off the premises at any time when the retail outlet is open for shopping unless representations raise very good reasons, based on the licensing objectives, for restricting those hours.

### **13. Children**

See paragraphs 13.43 to 13.53 of the SoS Guidance for further details.

- 13.1 The authority will not seek to limit the access of children to any premises unless it is necessary for the prevention of physical, moral or psychological harm. In all other cases it will be left to the discretion of the licensee within the constraints of legislation.
- 13.2 This licensing authority recognises the Area Child Protection Committee as being competent to advise on matters relating to the protection of children from harm.
- 13.3 This policy commends the Portman Group Code of Practice on the Naming, Packaging and Promotion of Alcoholic Drinks.
- 13.4 This policy cannot attempt to anticipate every issue that could arise in respect of children; general rules are therefore avoided and each application will be considered on its merits.
- 13.5 However this policy highlights particular areas that will give rise to concern in respect of children, e.g.:
- Where entertainment or services of an adult or sexual nature are commonly provided;
  - Where there have been convictions of members of the current staff at the premises for serving alcohol to minors or with a reputation for underage drinking;
  - With a known association with drug taking or dealing;
  - Where there is a strong element of gambling on the premises (but not, for example, the simple presence of a small number of cash prize gaming machines); and
  - Where the supply of alcohol for consumption on the premises is the exclusive or primary purpose of the services provided at the premises.
- 13.6 The following measures may be considered for limiting access of children where necessary:
- Limitations on the hours when children may be present;
  - Limitations excluding the presence of children under certain ages when particular specified activities are taking place;
  - Limitations on the parts of premises to which children might be given access;

- Age limitations (below 18);
- Requirements for accompanying adults (including for example, a combination of requirements which provide that children under a particular age must be accompanied by an adult); and
- Full exclusion of those people under 18 from the premises when any licensable activities are taking place.

13.7 In relation to film exhibition premises a mandatory condition will be applied requiring access to be restricted to those who meet the required age limit in accordance with any certificate granted by the British Board of Film Classification or, in specific cases, the local authority.

13.8 It may be necessary to impose a condition to restrict the admission of children to theatres which are incorporating adult entertainment in their productions. It may also be necessary, in the case of theatrical entertainment specifically for children, to consider whether a condition should be attached requiring the presence of a sufficient number of adult staff to ensure the well being of children during an emergency.

#### **14. Conditions**

See paragraph 13.20 and chapter 10 of the SoS Guidance for further details.

14.1 Conditions may only be attached to a licence or club premises certificate if relevant representations are received (except for conditions drawn from the applicant's operating schedule since these are voluntary propositions). Any such conditions will be tailored to the individual style and characteristics of the premises and events concerned.

14.2 A pool of model conditions is contained in Annex D of the SoS Guidance. It must be stressed that the authority will use the pool to select appropriate conditions to suit the specific needs of an individual operation. Any conditions not listed in the pool may be specifically worded by the licensing authority and attached to licences as appropriate.

14.3 The licensing authority cannot impose blanket standard conditions.

#### **15. Licence Reviews**

See paragraphs 11.1 to 11.28 of the SoS Guidance for further details.

15.1 This authority is committed to working in partnership with responsible authorities to achieve the promotion of licensing objectives and responsible authorities will try to give licensees early warning of any concerns identified at a premises. Only responsible authorities and interested parties (e.g. residents) can apply for the review of a licence; the licensing authority itself cannot initiate the review process. The authority's role will be to administrate the process and determine its outcome at a hearing where an evidential-basis for the allegations made will need to be submitted.

- 15.2 The authority is empowered to take the following steps if it considers them necessary to promote the licensing objectives:
- To modify the conditions of the licence;
  - To exclude a licensable activity from the scope of the licence;
  - To remove the designated premises supervisor;
  - To suspend the licence for a period not exceeding three months;
  - To revoke the licence;
- and for this purpose the conditions of the licence are modified if any of them is altered or omitted or any new condition is added.

- 15.3 In cases when the crime prevention objective is being undermined it is expected that revocation of the licence – even in the first instance – will be seriously considered.

## **16. Enforcement**

See paragraphs 13.21 and 13.22 of the SoS Guidance for further details.

- 16.1 The Council will establish protocols with the local Police on enforcement issues. This will enable the more efficient deployment of local authority staff and Police Officers who are commonly engaged in enforcing licensing law and the inspection of licensed premises. The aim of the protocol will be to target agreed problem and high risk premises which require greater attention while providing a lighter touch in respect of low risk premises which are well run.

## **17. Administration, Exercise and Delegations of Functions**

See paragraphs 13.76 to 13.78 of the SoS Guidance for further details.

- 17.1 In the interests of speed and efficiency the Council will, where possible, delegate licensing decisions and functions to officers. However, if the matter to be decided is controversial in any way or the determination of the matter under delegated powers is precluded by law then it will be decided by the GPLC or, normally, a Sub- Committee.

- 17.2 See Appendix A for the full list of delegated functions set out in the Act.

## **18. Equal Opportunities**

- 18.1 This policy can be reproduced into large type, audio and foreign languages should this be required. In this way, specific needs can be dealt with on an individual basis. Please see below contact details for further information.

## **19. Contact Details/ Advice and Guidance**

- 19.1 The authority, police and fire authority will be willing to give advice and guidance to applicants and applicants are encouraged to undertake informal discussion before the

application process in order to resolve potential problems and avoid unnecessary hearings and appeals.

- 19.2 For further information please contact a member of Licensing Services on 023 8028 5505 or Email: [licensing@nfdc.gov.uk](mailto:licensing@nfdc.gov.uk)

## **20. Review of the Policy**

- 20.1 The Policy will be kept under review and where any amendments are considered necessary these will only be made after consultation has taken place in accordance with Section 5(3) of the Act. Proper weight shall be given to the views of all those consulted. Those to be consulted will include:

- The Chief Officer of Police for Hampshire
- The Chief Officer of the Fire and Rescue Service of Hampshire
- Bodies representing local holders of premises licences
- Bodies representing local holders of club premises certificates
- Bodies representing local holders of personal licences
- Bodies representing businesses and residents in the Councils area
- Bodies representing the welfare of children
- Any other bodies the Council deems appropriate

- 20.2 The Council welcomes all comments and observations on this policy and any observations and comments should be posted to the following address:
