

GENERAL PURPOSES AND LICENSING COMMITTEE - 11 JUNE 2010

HACKNEY CARRIAGE FARES

1. INTRODUCTION

1.1 To consider a request from Hackney Carriage and Private Hire Owners' Association for an increase in the general tariff.

2. BACKGROUND

- 2.1 The Council is empowered to set the maximum fares for hackney carriages pursuant to the Town Police Clauses Act 1847 and the Local Government (Miscellaneous Provisions) Act 1976. Whilst these fares only apply to hackney carriage tariff many private hire operators also voluntarily adopt this scale.
- 2.2 To safeguard the general public from overcharging, the Council has for many years considered it prudent to follow this course of action and set a maximum tariff of fares. The policy of this committee is to review the fare tariff every two years and only increase it based on the index figures produced in the Monthly Digest of Statistics, unless exceptions reasons exist.
- 2.3 The last increase to the tariff was implemented on 18 March 2008.

3. MOTORING EXPENDITURE

- 3.1 The policy of this Committee is to review the fare tariff a minimum of every two years when requested by the Hackney Carriage and Private Hire Owners' Association. Any increase in the tariff will be based on the intervening rate of inflation taken from the monthly digest of statistics for motoring expenditure.
- 3.2 The Retail Prices Index (RPI) taken from the Government's monthly digest of statistics for motoring expenditure is shown in table 1 below. This uses figures from the last period measured for the purpose of tariff calculation to the latest figures available. The table indicates that during this period there was an overall increase of costs of **16.2%**.

4. NEW FOREST HACKNEY CARRIAGE AND PRIVATE HIRE OWNERS' ASSOCIATION

- 4.1 The proposal for a tariff increase was discussed at the most recent meeting of the Association held on Monday 12 April. The Association have requested that the Committee consider a request for a tariff fare increase of 10%. There is no request to increase any of the incidental charges (waiting time, luggage, animal, additional persons or soiling).
- 4.2 The fare increase proposed by the Association for each of the three tariffs is shown in Appendix 1.

5. REGIONAL COMPARISON

The figures published for March 2010 for neighbouring authorities are shown in table 2 below. Please note that the figures shown for the New Forest include the requested tariff increase.

6. CONCLUSION

- 6.1 Whilst it is acknowledged that situations and requirements differ between districts, comparisons can be a useful indicator of trends.
- 6.2 The last tariff increase was on 18 March 2008.
- 6.3 The RPI for motoring costs indicates that there has been an overall inflation increase of 16.2% during the intervening period.
- The Hackney Carriage and Private Hire Owners' Association has asked that the Council consider a 10% increase to the general tariff rates only.
- 6.5 Before any increase agreed by this Committee is implemented, it must be advertised in a newspaper circulating in the district. Should there be any objections either from members of the public or by taxi traders, those objections will have to be considered at the next meeting of the General Purposes and Licensing Committee.

7. **FINANCIAL IMPLICATIONS**

8. **ENVIRONMENTAL IMPLICATIONS**

8.1 No environmental considerations directly arise as a result of this report.

9. **CRIME AND DISORDER IMPLICATIONS**

9.1 No crime and disorder considerations directly arise as a result of this report.

10. **EQUALITY AND DIVERSITY IMPLICATIONS**

10.1 No equality and diversity considerations directly arise as a result of this report.

11. **RECOMMENDATIONS**

- 11.1 It is recommended that the Committee considers this report and the request from the Hackney Carriage and Private Hire Owners' Association for a 10% increase in the general taxi fare tariff and decide whether to:
 - accept the proposal as requested; a)
 - accept the proposal in a modified form; or b)
