LICENSING ACT 2003 - CONSULTATION

An application has been received by New Forest District Council, Licensing Services. The Applicant has stated that a full copy of the application has been sent to you as a Responsible Authority. If we do not hear from you within **48 hours** we will assume you have received the application in good time and continue with the licence application process.

If, after considering the application, you decide you wish to make a representation you must advise the Council of the details of the representation by not later than **14/06/2005**.

Response:

14.06.04. I wish to formally object to this application.

(Qd) says that the style and nature of the operation will not significantly differ from the existing trading operation. No further noise conditions are offered to control noise from this premises in light of this statement.

The style and nature of the operation will change.

They have applied to have live music 7 days per week to midnight. There is no existing PEL at this premises and therefore no track record of the suitability of the premises to hold such and event. Moreover, there are no noise controls specified in the application to control this activity and following a site visit to the premise on the 14th June there are no noise polices at the premises.

NFDC Licensing
Tony,

I have discussed the licensing application with the licensee Deborah Beecher.

The police have some concern about the closing time of the pub being 0030 Mon-Sunday, however we are not planning to object to the proposed hours at this time.

We are objecting now to the list of non standard timings listed within section E.. The view of the force solicitor is that requests on this scale are not in the spirit of the act and I have requested that this list be restricted to a maximum of 12 dates.

We have serious concerns about the end time of live music being set at midnight 7 days a week. This pub is situated on residential estate and the potential for noise pollution on residents at a late hour during the week is unacceptable. This will be a matter for EHO assessment and decision by the licensing committee.

The licensee was unwilling to accept an earlier end time to live music on the basis of the decision is one of the company and not her.

We also have concern that the licensee cannot be specific regarding the nature of the intended live music. She would discount the possibility of band performances which obviously has implications for noise control and existing PEL type requirements which the pub does not have now.

I have copied this to Blake Laphorn solicitors in the hope that they can clarify these points to your dept before the deadline of 14th June 2005.

I am working after 1500 hours on 9/6/05 contactable on 07799 657944.

Thank you.

Dear Sirs

Re: The Saxon Pub Calmore

We understand the Saxon Pub in Calmore has applied to extend their opening hours and to increase the number of nights for disco music. We are writing to record our objection to this application.

In actual fact we have recently accepted an offer on our house. Our buyers and all our other viewers specifically asked whether we experienced any problems when customers left the Saxon pub. Generally speaking it has not been too much of a problem but it can be noisy, especially in the summer months. Double glazing helps to cut the noise down but this, of course, means the closure of all windows. We also believe damage occurs to property after 'turn out' time. As an example most of the coving to our brick walls has been pushed off.

Personally, we don't have young children to consider but the area surrounding the Saxon pub is totally residential and has a significant amount of families with young children. The only other commercial premises is the adjacent Tesco's which has it's own anti-social problems. They have to have constant security guard presence.

There have been occasions where loud, drunken people have caused us to wake at night and in the early hours of the morning, it can be rather intimidating. I have also witnessed people passing out and laying for sometime (waiting for emergency attendance) on the 'green' opposite our house.

We doubt that police resources can afford to allocate extra policing for the area. Neither can we see any social or community benefit in extending the hours so we hope that common sense prevails and this application is turned down.

Yours faithfully

Dear Sir/Madam

It has been brought to my attention that the Saxon Pub has applied to extend its opening hours. The Saxon, it is a nice pub and encourages families however I do ^{not} believe that opening later is for the benefit of the families who live in close proximity. Please consider this application carefully as the pub is very close to a lot of houses with young children.

Dear Mr Hetherington

Ref: Saxon Public House Calmore Totton Hants

Regarding the licence application for extended hours and entertainment for the above Public House I would like to strongly object my main reason is NOISE particularly late at night. I live opposite & already am disturbed by noise, music, people screaming & shouting from too much alcohol. I would not want this to get worse especially late at night.

I am also concerned with the vandalism, which seems to come with drinking. People kicking it have continually damaged my garden fence to the point where I have had to renew it with heavy boarding.

Would the Pub be willing to sound proof?
Would we get more Police to help stop the vandalism?

I live in what is known as Old Calmore village & have done for 17 years I do not think extended opening hours & especially entertainment going on until midnight is appropriate in this area. Charmus Rd has always been a quiet peaceful place to live & we do not want the noise & trouble coming from the pub in the late hours.

Yours sincerely

**RE: EXTENDED LICENSE APPLICATION FOR
SAXON PUBLIC HOUSE, CALMORE, TOTTON.**

I have heard that the Saxon pub in Calmore, Totton is applying to extend its opening hours, and also increase the number of evenings that it has discos. I have looked for the planning application up, but can't find it so I can only go on what I have heard from a neighbour who saw it and had to go into the pub to ask about it as he said that it was so high he couldn't read it!

As local residents, my husband and I strongly object to the evening hours being extended (although we have no objection to an earlier opening), and also to the idea that there would be more evenings with loud music. I don't know if the music issue has anything to do with the license, or if it is just about the hours.

We are often disturbed by drunken people staggering home at 11.30 or so, and many times there are arguments going on between groups or couples— I have often watched after couples arguing as they wind their way slowly down the road to keep an eye on the women involved in case things turned nasty. There have been many cases of vandalism to cars and property, mine included, which have happened around pub closing time, not to mention the smashed bottles and pint glasses littering the streets.

If the hours were to be extended then we would not just get our late evenings disturbed but we would be getting woken at all times during the early morning hours. There would be more drunks, as people WILL continue drinking until the pub closes, whatever time it does. There will probably be more rubbish, more noise, more vandalism.

There was even a problem some months back when a man dropped dead on the road outside my house after a fight in the pub.

Disco music can be heard from quite some distance.

Please say NO to this application!

I would very much appreciate it if I could be contacted to let me know the decision made on the application.

Yours hopefully,

N. Worsdale (MRS)

Dear Sir,

I wish to make an appeal to restrict the application for extended licensing hours to the 'Saxon Inn' at Calmore.

After reading the posted notice I am concerned with the potential effects of the extended license and the impact the new situation will have to me, my property and the local area.

I understand that although an increase in hours for the sale of alcohol and entertainment may be granted, it's not a forgone conclusion that the landlord will make full use of the new license.

My concerns are as follows: -

- 1) Once an extended license is offered, should the landlord decides to make full use of the extended hours no objection will be recognized. That is to say the situation may not change at the moment, but with the new license changes may take place in the future with out objection.
- 2) It's a common belief and fact that the culture of binge drinking exists in the UK. Only last year a local man died having been allowed to drink himself to the extent of not being in control, and was then left to leave the Saxon. He was found seriously injured outside the main road, and later died in hospital.
- 3) Domestic disturbances are not un-common at kicking out time and I can recall late sleepless nights last summer having to hear the results of alcohol aggravated scenes between men and women leaving the pub. Boyfriend and girlfriend arguments broke out and went on until the early hours, with bad language and violence being the result.
- 4) The increased license makes it easier for teenagers to obtain alcohol and become drunk, quite often local paths at the backs of gardens are used as a gathering point for arguments with the result of increased noise, and violence. Although I've no proof of damage as a result of alcohol from the Saxon, it's obvious this will increase the opportunity for teenagers to get loud and become out of control.
- 5) The noise from entertainment if allowed to go on to 1.00am in the morning will increase stress and a loss of privacy to the local neighbors. Windows are quite often left open in the summer, and the thought of having to listen to the likes of '70's pop music' to the early hours without the ability to complain gives me concern. Noise travels farther at night and even with doors closed the base levels penetrate into local homes

My main issue is the duty of care required from the increased freedom to sell alcohol and to provide entertainment.

I fear that once the pub is empty as far as the staff who run the pub are concerned they're not responsible for the way people behave. It's all to easy to improve your sales and profit from selling alcohol but what is the landlord going to do to control the effects of these increased hours. How will he respect the neighbors that surround him?

Local Police resources are stretched to capacity and it's unlikely they will offer preventative help, it's likely they will only react once a criminal act has occurred, and then only with proof of the circumstance at the time.

Altercations and domestic disturbances are not easily resolved or prevented; only the situation, which allows them, can be controlled.

Yours Sincerely

Mr. A. Stone

Dear Sir/Madam

RE: OBJECTION TO THE PROPOSED EXTENDED LICENCE OF THE SAXON INN, CALMORE

I would like to object to the above mentioned public house having a licence extension because of the late night disturbance that this would cause.

The noise levels at closing time are at present often extremely unsociable with drunk people regularly screaming and rowing on a Friday and Saturday evening. This would become worse if the pub was to be open for longer and later into the night.

I live in Charmus Road and have two small children and find the aggressive nature of some of the current disturbances very unsettling. If the pub cannot sort out this problem then how can they justify opening for longer. This is a very built up and populated area and I feel very strongly that it is not appropriate to extend the licence for this public house. Surely the concerns should be for the greater community rather than a few late drinkers.

Dear Sir/Madam

It has come to our attention that a proposed extension to the opening hours until 12-1.00am along with extra nights of disco music has been put forward by the 'Saxon Pub' Calmore.

We totally object to this, our back garden backs onto Calmore Drive with bus stop and seat, we encounter a great deal of disturbance from pub goers at around closing time, we also object to any increase in more disco music, we have enough noise pollution as it is.

I hope you take this into consideration when looking at the application, this is our space and wish it to remain so without anymore disturbance, having lived here for 21 years one can tolerate a certain amount of noise but this would be going over the top.

Yours sincerely

Please identify any of the conditions, terms or restrictions currently imposed on the converted licence which you believe could be removed as a consequence of the proposed variation you are seeking

To remove any restrictions which are to be placed on the licence by virtue of schedule 8, Para 6(8) of the Licensing Act 2003

The restrictions regarding drinking up times are also to be replaced with 30 minutes as marked in Box O.

The Children's Certificate with accompanying conditions should no longer apply.

Q Please describe any additional steps that you intend to take in order to promote the four licensing objectives if the proposed variation is granted:

a) General – all four licensing objectives (b,c,d,e) (please read guidance note 15)

Saxon Inn is part of and operated by Mitchells & Butlers Group (MAB). MAB own and operate over 2000 separate **managed** businesses within the United Kingdom. **Managers are employed by the company and operate under the direction and procedures of the company.** We adopt a corporate approach to risk management across the whole estate. This ensures a consistent approach to the management of risk in each of our businesses through a range of policies, procedures and roles. **This approach is fundamental to our operating principles and is integrated into the way we run our businesses.**

We refer to the attached document, "Mitchells & Butler – A Guide to our Policies". This document, which does **not** form part of this operating schedule, demonstrates our total commitment to best practice policies, enforced and monitored at this site. It is not possible to submit such policies as potential conditions as they are obviously subject to other legislation, corporate responsibility considerations and market conditions, and are therefore liable to change from time to time.

This is a variation application that does **not represent a fundamental change in the way in which this premises has already been trading under its existing licences and conditions.** We are required in schedule 1, part B2 to state "any additional steps that you intend to take in order to promote the four licensing objectives if the proposed variation is granted". We have carefully considered the risks and benefits associated with the additional hour(s) applied for and where additional steps are necessary and proportionate to address the licensing objectives have indicated them.

We will continue to train our staff in the standards required by the relevant legislation and as required by company policy.

Our voluntary closure policy for the operation is 30 minutes after the approved closure time for the supply of alcohol.

b) The prevention of crime and disorder

The company monitors the need for door supervisors and in so doing takes into account any advice given by the Police.

The pub manager is required to actively participate in and support local the Pubwatch scheme (where active).

Text and/or radio pagers, where already used will be used for any additional hours.

Toughened glass is currently in use and will continue to be used during any additional hours.

Existing CCTV system will continue to operate during the additional hours.

In line with our Alcohol and Social Responsibility Policy there will be no promotions that encourage illegal, irresponsible or immoderate consumption.

c) Public safety

We already understand our obligations under existing Health and Safety legislation, take our responsibilities seriously and have extensive policies and practices in place to meet these obligations (see "Guide to our Policies").

It is our opinion that the nature of the operation and proposed variation will not lead to any increase in risk of the public safety. The existing policies will simply be extended to cover the relatively small increase in opening hours. Our internal health and safety due diligence and incident reporting system will operate during the additional hour(s).

d) The prevention of public nuisance

The style and nature of the operation will not differ significantly from the existing trading operation during the extended hour(s). Indeed, the grant of the additional hour(s) will of itself promote the licensing objectives as stated at paragraph 3.29 of the **Guidance**, in allowing customers to emerge from premises at a more gradual rate.

Reasonable steps are taken to recognise the rights of local residents and to encourage customers to leave the premises quietly.

Managers are required to liaise with local neighbours as part of their duties and resolve any reasonable concerns in accordance with our Role in the Community Guidelines.

e) The protection of children from harm

We recognise the importance of protecting children from harm and this is supported by:-

- Our commitment to health and safety in the operation and maintenance of the premises
- Our approach to managing the risk of under-age drinking

We will at all times observe the law and ensure that alcohol is not served to people who are under 18 years of age. The manager and staff are briefed in the importance of their responsibilities in ensuring customers are over 18.

No adult entertainment (paid for by the company of a nude physical nature) is permitted at these premises. Any children under 16 remain the responsibility of the accompanying adult when using the premises (and/or exterior area). Staff are not allowed to be in sole supervision of children which remains the responsibility the accompanying adult at all times.
