Please identify any of the conditions, terms or restrictions currently imposed on the converted licence which you believe could be removed as a consequence of the proposed variation you are seeking

To remove the restrictions and effects of Section 168 and 171 Licensing Act 1964 so as to allow the provisions under the Licensing Act 2003 to apply in relation to children. ✓

To remove the restrictions on consumption of alcohol as set out in Section 63(1) Licensing Act 1964 (drinking up time). ✓

To remove the restrictions on credit sales in place by Section 166 Licensing Act 1964. ✓

To extend the terminal hour at the premises in respect of the sale of alcohol and other licensable activities. ✓

- to allow limited entertainment in line with the current provisions of Section 182 Licensing Act 1964 ("two in a bar"). ✓

New Forest District Council

Q Please describe any additional steps that you intend to take in order to promote the four licensing objectives if the proposed variation is granted:

a) General – all four licensing objectives (b,c,d,e) (please read guidance note 15)

We have applied for an extended period between the cessation of the supply of alcohol and the closure of the premises to give us the option to allow for a more gradual dispersal of customers. The style and operation of the pub will not differ significantly during the extended hours. Where this is appropriate, non-alcoholic refreshment will be available in the extended period.

The premises will respect Spirit Group's Approach to Responsible Drinking (a copy of which is enclosed in support of this application). Our policies change at regular intervals to reflect current trends and it would be inappropriate to standardise them on a permanent basis. The enclosed policy is included for information only and not as suggested conditions or to form part of any other Operating Schedule.

b) The prevention of crime and disorder

We are introducing Security Industry Authority (SIA) approved door supervisors across our estate, in line with the Government approved implementation plan.

A zero tolerance towards illegal drugs will be enforced at all times.

If a disc jockey is used on any night then he/she will ask customers to leave quietly.

If a CCTV system is installed at this site, it will continue to operate during the additional hours of trading and notices will be displayed.

All instances of crime and disorder will be reported to the police and will be kept in an incident log book.

c) Public safety

Public safety is integral to the way that the Spirit Group runs its business and is reviewed regularly through our health and safety policy. This policy is fully briefed and trained to all management and staff and we will continue to train our staff to the standards required by relevant legislation. Free drinking water will be available at all times.

d) The prevention of public nuisance

Additional patrols will take place by members of staff, internally and externally, to limit any noise pollution when entertainment is being offered within the premises.

If appropriate, notices will be displayed asking our customers to respect our neighbours when leaving the premises.

Where already used text/radio pagers will continue to be used for the additional hours of trading and will be monitored by a responsible member of staff.

Soft drinks and non-alcoholic refreshment will be available if we decide to use the option to stay open for an extended period between the cessation of the supply of alcohol and the closure of the premises (see above under General).

e) The protection of children from harm

When children are allowed upon the premises, any entertainment offered within the premises will be suitable for young persons.

Children will be required to be supervised by the accompanying adult at all times.

A no smoking area will be provided.

Soft drinks and non-alcoholic drinks will be available.

A recognised Proof of Age Policy will be enforced.

Notes for Guidance

PART A

1. Describe the premises. For example the type of premises, its general situation and layout and any other information which would be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you provide a place for consumption of these off-supplies you must include a description of where the place is and its proximity to the premises.
2. Where the conditions to which your existing licence(s) is granted do not relate solely to any one of the four licensing objectives, please describe such conditions in the general box.
3. The law requires you to send a mandatory copy of this application to the chief officer of police for that area at the same time as sending to the relevant licensing authority.
4. The application form must be signed.

Our Approach to Responsible Drinking

- Our pricing policy is about delivering great value for customers at fair, competitive prices - it is not about encouraging excessive drinking.
- We don't offer financial incentives to customers to drink to excess (e.g we don't have 'all-you-can-drink for a set price' offers).
- We make sure any time limited alcohol promotion is offered over a reasonable period.
- We don't sell alcohol to anyone who's under age – we always ask for Proof of Age when in doubt.
- We don't charge for tap water.
- We support anti drink/drive initiatives (e.g Dept of Transport Think! Campaign).
- We stay focused on food sales as an important part of our offer.
- We respect the fact that many of our pubs are in residential areas and take steps as far as possible to limit any noise from inside our premises.
- We have a zero tolerance approach towards drugs on our premises.
- We use toughened glass for pints and half pints in our outlets as far as possible and are moving progressively towards 100% usage.
- We make sure that all our Team Players' training is focused on creating a safe and welcoming environment for our customers.
- We are rolling out Security Industry Authority (SIA) approved door supervisors across our estate, in line with the Government approved roll out plan.
- We attend local Pubwatch (or equivalent) meetings where they are in place.
- Any pub specific alcohol related promotional activity is signed off by the relevant Business Development Manager, who is responsible for compliance with our policy.

Dear Sirs,

The Bold Forester
Prevention of Public Nuisance

We object to the application for extended opening hours and the request for a music licence. We feel that this is totally unnecessary in this Rural area i.e. the late night "thump thump" of today's music, also the increase of late night traffic bringing undesirable, noisy, speeding, booze related people to this already over used road, as the Bold Forester is on a road with no public transport, everybody arrives in a car!

Yours faithfully

Dear Sir

Ref : The Bold Forester – Marchwood

Further to your letter regarding the proposed opening hours of the above.

I am writing to object to these new hours on the following grounds:-

Prevention of Crime and Disorder

Beaulieu Road is poorly lit with isolated properties; drunk party goers will be liable to mess around and perform pranks such as throwing objects etc into driveways, damaging cars and property.

Longer licensing laws also promotes irresponsible drinking and driving as this is an isolated country pub.

Prevention of public nuisance.

The noise of customers walking home to either Marchwood or Applemore would be disturbing and also encourage peoples' dogs to bark when late night walkers are passing by.

Contd...

Page 2.

Public Safety.

Our road is badly lit, it has no pavements and is used as a rat run between Applemore and the A326 with excessive speed. If the Bold Forester is trying to promote itself as a lively late night opening venue for Marchwood residents – it would be an absolute surety that an accident either involving a pedestrian or car would happen!

Look forward to your response.

Yours faithfully

Dear Sir,

The Bold Forester, Beaulieu Road, Marchwood

We wish to oppose the proposed extension of licensing hours at the above public house.

The additional hours will inevitably lead to an increased consumption of alcohol and therefore a possible increase in crime and disorder, an increase in public nuisance in that there will be noise late at night, disturbing the local residents, and a further public safety hazard in that drink driving may increase in these narrow, winding lanes.

The licensees have requested opening hours that would mean that on occasions, it would be 3.00am before the public house closed, with music and dancing until very late. This would be intolerable to the close residents, and would disturb livestock kept in the close fields.

We would be glad if you would present our concerns to the Licensing Committee.

Yours Faithfully

Dear Sir/Madam

Licensing Application
The Bold Forester

As the owner of the fields directly opposite the Bold Forester I am writing to confirm my strong objection to the application of extended opening hours and late night refreshments.

Prevention of Public Nuisance and Safety

This is a rural area and the proposals (including music) will in effect make it more like an urban nightclub.

As this is a rural and residential area the current noise level at 'turn out' time is put up with, as is the litter and septic tank smells and overflow problems which have dominated the area in the past. Increased opening hours will surely exacerbate this, as presumably it is an endeavour to increase trade and therefore increase traffic and non local trade.

My concern is that as it is adjacent to the New Forest it will become the nightclub out of town and also for the holiday makers staying in local campsites i.e. Ashurst and Denny and then increase the likelihood of accidents involving livestock on the forest on their return.

Policing will obviously have to be increased in a rural area which is already stretched. Surely police time would be better spent in dealing with crime and not public nuisance cause by pubs staying open so late and associated increase in traffic. The potential for increase in crime is there as the pub is

Twiggs Lane is a road which is sided by houses and livestock fields.

Our fields are used by us, as Commoners, for grazing for our mares. This year the fields were used by foaling mares. Mares generally foal in the early hours of the

orning. Noise and disturbance at this time can be disastrous. I understand that certain closing times may be as late as 2am with a late night liquor licence allowing food to be served one hour later. This disturbance to our animals by people leaving the pub will cause additional concern and worry at this time

Ours are not the only animals in this area which will be affected.

People who live in rural areas are very aware of noise at night and it will cause disturbance to sleep as well as worries over livestock safety.

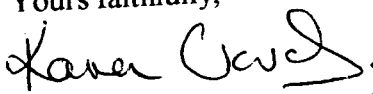

Another concern is the traffic amount and speed at the time of night. How many cars in ditches and hedges along this road have there been in the last few months? Increasing the traffic is one issue but the time of night can only heighten safety worries. The roads are rural and winding.

Rubbish from the pub is an annoyance at present which we just deal with. We collect the beer cans, bottles, empty cigarette packets, menus etc from the field with our ponies in it and say nothing. We appreciate that the pub is there and is providing a service. What provisions have been made in the application for safe disposal of rubbish generated. Will the septic tank cope with the proposals or will we be back to 'overflow' and stench status again. This is a hazard to both people and livestock.

Finally, we cannot see any justification for granting this urban proposal in a rural and residential area. It will be detrimental to both peoples lifestyle in terms of noise and rubbish pollution, potential increased crime and safety of both residents and road users. The effect on the many livestock in the area must also be taken into account especially those due to give birth and young stock.

We would hope that the council would look closely at our objections and reject the application.

Yours faithfully,

Karen and Simon Crouch

Objections to the Bold Forester's Application to Extend Hours of Business

We object Under the Prevention of Crime & Disorder, Prevention of Public Nuisance, Public Safety due to the incidents that occurred twice last year.

After extended drinking hours at the above premises we had drunken people walking up Beaulieu Road between the hours of midnight and 1 a.m. shouting abuse, trying to climb over our gate, throwing stones at our dogs and actually yelling "lets make the dogs bark".

We felt threatened and very intimidated to be woken under these circumstances and had to issue a warning to those people that we would call the police if they did not stop. They would run away and then come back and do it again.

At this time cars had to swerve to avoid the drunken people in the road, and some actually stopped to ask if they were OK.

I hope these complaints will be taken seriously.

Dear Sir,
we feel we must object to the Licence Application from The Bold Forester, Beaulieu Rd. Marchwood. This is a run down public house on a country road in a rural community where most people need to rise very early to tend their animals.

We have lived on Beaulieu Road for 35 years & have seen various landlords presiding over the rowdy element which encroaches when allowed by weak landlords. The Police Records will show that they have been called to the Public House on numerous occasions through the years to combat "Crime & Disorder" & have occasionally closed the Pub down.

To have people leaving the premises between 1 & 3 am on different dates is completely untenable.

Yours faithfully

Gwen Jordan.

For the attention of the Licencing Officer

Dear Sirs

The Bold Forrester

I am writing to appeal against the proposed extension to the opening hours of the Bold Forester Public House.

At present we are often disturbed by cars (with young drivers) doing "wheelies" and careering out of the car park at great speed, similarly motorbikes and light pollution, with lighting left on all night. The proposed changes will encourage a young boisterous clientele in what was originally designed as a family pub/restaurant.

This is a country location - horses and livestock too will be upset. There is a road junction nearby already a cause of several accidents – the proposed changes will only exacerbate these problems.

I hope the NFDC will take into account the above objections when making their decision.

Dear Sirs

Re. The Bold Forester Pub, Marchwood

We are writing to inform you that we strongly object to the application by the Bold Forester to extend its' hours of business.

We feel that in a rural location such late hours would be extremely disruptive and unpleasant for all residents.

The late opening would only serve to increase volume of traffic, noise and other pollution, which concerns us greatly.

We would suggest that if their application were granted this would turn a country pub (supported by locals) into an establishment resembling a night club, more suited to a town or city location.

Prevention of Crime & Disorder
Prevention of Public Nuisance and Public Safety

Dear Licencing Officer
New Forest District Council,

I am writing in reference to the Bold Forester Public House at Beaulieu Road, Marchwood. As I am aware they are requesting extended opening hours and a licence for live and recorded music. I therefore would like to place an objection against this.

I have lived in Twiggs Lane End my entire life and have a small holding there where I practise my commoning rights. Some of my land runs along side of the Bold Forester.

To extend to longer opening hours would be incompatible with the areas quiet rural surroundings. The New Forest is recognised internationally for its wildlife importance. If any extension of opening hours went ahead, this would have a harsh impact on vulnerable and sensitive wildlife in the area. Also it would have an effect on my mares, foals, cows and calves, which graze and "give birth" in the adjacent field. I know the Bold Forester offers a service and has to make ends meet, but we are in the countryside now and not an urban part of town.

We can hear clearly across our field and always know when it's closing time. We tolerate the noise levels from revving cars, rubbish thrown over the fence and groups of lads whom find Twiggs Lane End a good place to park at night, being a dead end lane. Between the hours of 8am-11pm there is always a light movement of traffic along Longdown to Beaulieu Road. Although late night opening would bring additional traffic and noise levels to the area. This would create more disturbance and a heavier flow of traffic across the open forest, where at present young foals are being born.

So I put it to you, please keep our picturesque part of the forest as it is, and let us continue commoning in our own quiet way. We do not want people coming from the town just because they know that they can continue to drink until 2 or 3am in the morning. I also wonder of those people leaving the pub at that time in the morning, how many will be under the drink drive limit ?
Thank you for your time and consideration.

Yours Sincerely

Dear Mr Hetherington

Licensing Act 2003

Premises: Bold Forester, Beaulieu Road, Marchwood, Soton, SO40 4UQ
Ref: SWPREM\CONV-DPS-VAR\06-2005\Bold Forester

Further to the letter you sent Marchwood Parish Council dated 22 June 2005, the above application was raised and discussed at the recent Parish Council meeting of Denny Lodge.

Denny Lodge Parish Council has been asked by the following people who live within the vicinity of the Bold Forester to represent them as interested parties and make representations on their behalf in objecting to this application:

Mr and Mrs J Haynes, Deep Dene Farm, Beaulieu Road, SO40 4UQ
Mr and Mrs J Green, Eight Acres, Beaulieu Road, SO40 4UQ
Mr and Mrs J Pothecary, Stephens Cottage, Twiggs Lane

The proposed application would not meet the objectives of Prevention of Crime and Disorder, Public Safety or Prevent of Public Nuisance.

Increasing the hours to the Bold Forester will encourage more people to attend from around the surrounding areas if no other premises are staying open late. This will put more traffic on to a 'C' road increasing the risk of accidents happening. More traffic late at night will make the road noisy and unacceptable in what is currently a quiet rural area.

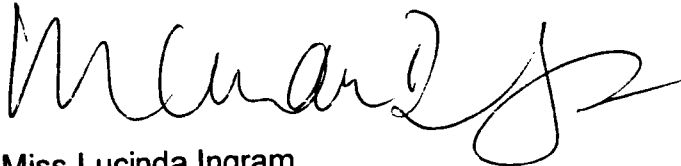

There is no public transport available, no street lighting or pavements putting people's lives at risk if they walk along the road late at night when returning home. The A326 would also need to be crossed which is a busy road and very unsafe late at night with no lights or pedestrian crossing. People are already often seen walking home from the premises now.

The noise of music will be disturbing to the local residents, some with young children, together with the noise of people leaving the premises.

It has already been known for signs and gates to be vandalised late at night and this would increase immensely especially if people decide to walk home rather than get taxis.

Marchwood is very close by and within walking distance. Hythe and Totton are both a short taxi journey away. This would make the premises a likely area for people to go if they want a late night drink.

Yours sincerely

RECEIVED
11.7.19
15.02.19

The above local residents wish to make the following representations.

Prevention of Public Nuisance

Hours and Noise

- ❖ We feel that it is unreasonable for The Bold Forester to extend its hours. This would cause a great intrusion for this very small, quiet, rural community. It is likely that determined drinkers would migrate to The Bold Forester at 11pm every night because of the late opening hours, thus causing extensive traffic noise in this small country lane at a time of night that otherwise would be still and quiet.
- ❖ The Bold Forester is situated in a rural location within The National Park. The Landlord/Landlady cannot be made to take responsibility for disorderly behaviour on the roads outside this pub and in the locality. The consequences of these additional licensing hours could therefore necessitate police presence here, increasing police costs and creating circumstances that are not appropriate to this community.
- ❖ The Bold Forester is a single glazed building. Noise and vibration from live music/entertainment would undoubtedly emanate from the premises causing a nuisance to our small community.
- ❖ At weekends in the summer, during daylight hours, noise emanating from The Bold Forester beer garden/children's play area is already intrusive to local residents. Late at night, noise from this outside area would be an unwelcome invasion of the quietude normally experienced by this small rural community.
- ❖ Noise from vehicles/customers leaving the pub in the early hours of the morning, every morning, is bound to cause serious disturbance to residents.

Crime and Disorder

Drinking and Driving

- ❖ The Bold Forester is a rural pub within The National Park and is mainly accessed by car. Because of the limited taxi service available in this area, we fear that customers of the pub will be encouraged to drink and drive.

Disorderly Behaviour

- ❖ The behaviour of customers leaving at 1 or 2am is also bound to cause serious concerns and stress to residents, some of whom are elderly.

Health and Safety

Road safety

- ❖ The pub is situated very close to a dangerous corner (Twiggs Lane, Beaulieu Road, Arters Lawn junction) and again we are concerned that the increased traffic and possible drunk drivers leaving the pub will lead to serious accidents.

Car Parking

- ❖ The car parking facilities at The Bold Forester may not be adequate for the large number of vehicles wishing to access the pub on entertainment nights. This could lead to vehicles parking in the lane, which is poorly lit. We fear that this will cause obstruction and hazardous road conditions.

Ponies, cattle and wildlife

- ❖ We live in The New Forest. Consideration should be given to the safety of our New Forest ponies, cattle and wildlife that roam freely on unlit roads. We are anxious that the increased traffic leaving The Bold Forester may cause more incidents of animal injury and deaths.

In conclusion, it is suggested that the application for the variation of a premises license in this case is not a fair balance between the need of those wanting refreshment and the need to prevent public nuisance and crime. We feel that it is important for the Licensing Authority to 'get it right' so as not to cause problems and stress to members of our small community.
