26 July 2005

Dear Sir

Maine Restaurant and Bar, Ashley Lane, Lymington, Hampshire

We are instructed by Mr Hughes-Onslow to present an application for conversion and variation under the Licensing Act 2003 in respect of the above premises.

We accordingly have pleasure in enclosing:

1. Application for conversion (part A) and variation (part B) duly completed (including Statement and Proposed Conditions).
2. A plan of the premises. The key to the colouring is as follows:
red line indicates extent of premises;
blue line indicates areas used for licensable activities;
green shows the area used for consumption of liquor. It will be noted that the WC's are included within the area for consumption of intoxicating liquor. This is in an abundance of caution as it is understood that some customers may wish to take their glasses to the WC's with them to prevent spiking.
3. The consent of the existing licensee/s.
4. The consent of the proposed designated premises supervisor.
5. Certified copies of the existing licences and any certificates. These are:-
Justices Licence
Section 68 Supper Hours' Certificate
6. Our client's cheques totalling £250.00 in discharge of the fee both for conversion and variation.

We confirm that we have today sent a copy of the appropriate application/s and relevant accompanying documents to:

- The police
- The fire authority
- The planning authority
- The social services child protection
- Trading Standards
- Health and Safety

* PLAN WILL BE DISPLAYED

We can confirm that the notice to be exhibited on site is on pale blue paper.

We should be grateful if you could please liaise with us direct in the event that you have any queries or require any further information. Please confirm grant of the conversion application, and forward the premises licence, duly varied, to us in due course.

If it would be of assistance to you to have the word documents accompanying this application electronically forwarded to you, do please let us know.

Dear Sirs,

MAINE RESTAURANT – LYMINGTON

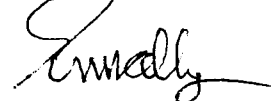

We observe with some concern that Maine Restaurant has applied to you for a music licence extension until midnight.

As background, I and the local residents group (of which I am the secretary), have battled for some years with previous owners of this restaurant (under various names) in an effort to reduce the amount of noise and anti-social behaviour emanating from the above premises. We took them to court and thought that we had won a partial victory when they agreed to keep their windows and doors closed when music was playing. (They never fulfilled their side of the bargain). We also observed that with the granting of their music licence there was an upsurge in the amount of drunken behaviour, including broken glasses and bottles, vomit and shouting. In short the music appeared to attract a less responsible type of clientele.

In fairness, we have encountered none of the above symptoms since the new owners took over and enjoy a good relationship with them. However we firmly believe that if the extension of licence is granted to 'Maine' that the noise being broadcast via their open windows and doors will cause us and our neighbours to lose sleep.

As you will be aware, Ashley Lane is a quiet, residential lane with no parking available to guests of the restaurant. It has no air-conditioning system. We therefore believe that the premises are unsuited to an extension of licence as specified.

Yours faithfully,

(E.M.KELLY)

Ref: - Licensing Application by Maine Restaurant, Ashley Lane, Lymington.

Dear Sir/Madam,

I am writing to you with an objection that I wish to raise regarding the Licensing Application by Maine Restaurant for a Full Entertainment License.

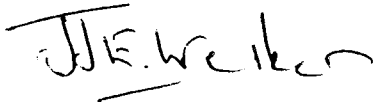

As a local resident with residency directly next to the restaurant on Ashley Lane, I wish to object for the following reasons:

- Ashley Lane is a dead end public highway with no parking facilities. People exiting Maine Restaurant step out directly out onto the public highway and in doing so cause a nuisance to neighbouring residents late at night.
- The restaurant is not only semi-detached to a private residence but is narrowly surrounded on all sides by residential houses. Any public entertainment on a permanent basis would therefore be a definite public nuisance and cause noise pollution. Indeed the restaurant has a history of public nuisance and under previous ownership, as 'Preachers' was the subject of a court order taken out by New Forest District Council.
- Ashley Lane and Grove Gardens, which is in close proximity to the restaurant, both have a history of crime and disorder and need no further encouragement in this direction.

In summary, I feel that the site of the restaurant and its location make it completely unsuitable for the type of license for which it is applying.

I hope that you will see fit to refuse this licence application.

Yours sincerely,

Mrs. J.J.E. Welker

Dear Sir,

Re Maine Restaurant, Ashley Lane, Lymington, Hants.

I write to lodge my objection to the licensing application by Maine Restaurant as above. My objection is on the grounds of prevention of public nuisance as well as public safety.

1. **Prevention of Public Nuisance.** Maine Restaurant is situated in the middle of a residential area with many houses close by. My house for example is around 20 metres away. For a number of years, the premises have been the subject of an order prohibiting the use of music or entertainment which is produced electrically or electronically. This has worked well as it has allowed the premises to feature live, un-amplified musicians but has not disturbed the neighbours. I understand that the current application requests removal of current restrictions and thus electronically amplified music may be allowed if the application is approved. From my point of view this would be appalling as the idea that loud music could emanate from the restaurant until midnight would totally ruin the peace and quiet I enjoy in my house. I believe this would also be true for the other neighbours surround the restaurant. This is a quiet residential area and should remain so.

There have been several restaurants on the site in the past and there have been a considerable number of complaints from local neighbours, including myself, regarding the noise generated by the restaurant and, drunken behaviour in the Lane. This behaviour was caused by previous managements and I should add that under the current management, up to now there has been no trouble from drunken customers. However, an increase in licensing hours until midnight may change that situation. In addition, any future management may well not take the same attitude and be more interested in selling alcohol in quantity and less interested in the consequences.

2. **Public Safety.** Ashley Lane is a narrow, one-car-width lane running down in a southerly direction off Lymington High Street. The only vehicular exit to the Lane is to the High Street. My house, where I park my car, is to the south of Maine Restaurant, in other words the restaurant is between my house and the High Street. I therefore have to drive along the Lane past the restaurant to get out into the High Street.

The Lane is also used by many old people in their electric cars as there is an old people's home to the south of the end of the lane. In fact there is even a special hoop type barrier at the south end of the Lane to prevent cars being driven down there but to allow old peoples' electric cars through. Effectively the Lane is the old peoples' main route to the High Street and they use it constantly.

At the moment, delivery vans, taxis and customer traffic quite often park outside Maine Restaurant and block the lane. This makes it impossible for me to drive up the public highway to leave my house. When I ask them to move, sometimes the delivery

van drivers claim that they are “delivering goods” and thus have a right to block the lane for the time the delivery takes. Obviously , this causes the old people to be obstructed and sometimes they take a risk and try and squeeze through the gap at the side of the vehicle. Up to now this has not caused any problem, but I can foresee a situation whereby a delivery driver may not see the rather low electric car of some elderly person and squash them.

I am concerned that with the increased facilities that have been applied for – regulated entertainment, indoor sports and the use of DVD and video entertainment, may cause the traffic generated by the restaurant to increase considerably. There is already a problem both for me and for the old people and any increase may make the situation unbearable and perhaps dangerous.

For the above reasons, I respectfully request you to refuse this application.

Yours faithfully

Dear Sirs

We wish to lodge our objection to the proposed new license being applied for by Maine Restaurant in Ashley Lane.

Being neighbours of the restaurant we know that any increase of hours or entertainment will bring more noise (particularly when customers are drunk) more traffic (a constant stream of taxis) and a general atmosphere of unpleasantness to an otherwise desirable area.

Trust you will consider our concerns.

Yours sincerely

Mr & Mrs. Windibank
