P

Please identify any of the conditions, terms or restrictions currently imposed on the converted licence which you believe could be removed as a consequence of the proposed variation you are seeking

Q Please describe any additional steps that you intend to take in order to promote the four licensing objectives if the proposed variation is granted:

a) General – all four licensing objectives (b,c,d,e) (please read guidance note 15)

Pub managers and staff are informed of the Licensing Act 2003 objectives and statutory requirements to comply with all relevant provisions of the Act. No new steps have been identified in the risk assessment carried out by the licensee in relation to the four licensing objectives in relation to the proposed extension of the hours.

b) The prevention of crime and disorder

All staff are instructed by the licensee not to sell alcohol to drunken customers, nor to permit drunken and disorderly customers into the premises.

c) Public safety

The pub complies with Health & Safety & Fire Precautions regulations. Following risk assessment, preventive and control measures are in place to ensure the safety of members, guests, employees and entertainers while on the premises. The pub complies with advised capacity limits. Fire notices are posted and emergency exits are signed.

d) The prevention of public nuisance

When live or recorded music is played, the pub complies with the noise prevention measures identified in the Annual Indoor Entertainment Licence. Working with objective B facilitates the orderly and quiet dispersment of customers at the end of the evening. The extension of hours to enable diners to quietly finish their meal and drink up will allow a smooth and progressive emptying of the premises at the end of the evening.

e) The protection of children from harm

Children under 18 are only permitted into the pub in the dining areas and accompanied by an adult. All staff are instructed only to serve people they know to be over 18, and ask for proof of age if need be. All staff are instructed in the offence provisions of the Licensing Act 2003 relating to alcohol and the protection of children. Signs are displayed prohibiting the sale or supply of alcohol to children under 18.

Dear Mr Hetherington

RE: The Crown Inn Everton Application for conversion and simultaneous conversion of existing licence to a premises licence.

I refer to my telephone conversation of this afternoon with Verity Fletcher of the Environmental Health and Noise Control department. The Crown Inn has an outside garden, and is seeking to extend its opening hours to 1am. In order to satisfy the requirements of avoiding noise pollution and disturbance to surrounding residents, it is agreed that a proviso be placed on the licence that the outside garden will not be made available for consumption of alcohol after 23.00 each day.

I trust that this satisfies the relevant authorities and the four licensing objectives.

If we can be of further help please do not hesitate to contact us.

Thank you for your assistance in this matter.

Yours sincerely

Please pass this on to your Alcohol Licencing Department.

I am very concerned to hear that the licencees of the **Crown Inn at Everton** have applied for an extension to the existing licencing hours and additionally for a music licence.

As a local resident living very close to the Inn, I feel I must register my protest against the application.

The Music licence is wholly inappropriate for the quiet village location of the pub. The pub is surrounded by residential properties whose inhabitants include young children and elderly people whose lives and basic human rights to live and sleep in peace will be severely affected if the licence is granted.

In addition, the extension to the alcohol licencing hours is also inappropriate. As mentioned above, Everton is a quiet village. I am sure I speak for others in the village when I say that we are happy to have a pub and we are satisfied with the current opening hours. An extension of these hours is not needed, would be out of character with the village and would only lead to an increase in disturbances as people leave the pub after more hours drinking. The location of the pub would inevitably mean very real risk of an increase in the number of drunk drivers, as Everton does not have any alternative transport to match these extended hours.

I am informed that there were regular disturbances in the village and property was damaged when the opening hours at the Village Club were extended some years ago. This situation is sure to be repeated if this application is passed.

Subject: Licence Application Crown Inn

Dear Sirs,

I understand that my local pub, the Crown Inn at Everton, Lymington, has applied for a licence to stay open late.

My house is the 4th house from the pub and faces Old Christchurch Road.

I would like to object to this application on the following grounds:

- too many cars parked until all hours in the road; Old Christchurch Road is a busy road and quite narrow. Residents find it increasingly dangerous to cross the road as the parked cars obstruct the view. A few months ago my elderly neighbour was knocked down by a car she could not see approaching.
- an increase in noise and anti-social behaviour in the road; already I had branches pulled off my trees, beer cans thrown over the wall and people urinating on my gate.
- it seems inappropriate to have a late pub in a quiet village; we are not a city centre or a hoopla place.
- in a more general sense: it seems that we, in this country, are not able to drink late in a quiet manner. I believe that history shows that more opportunity means more abuse of alcohol - is this the way we want to go?

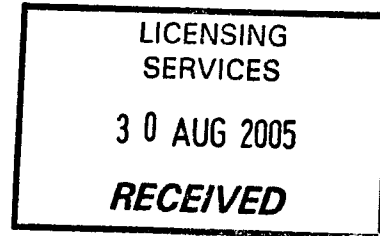

I hope that my objections will be accepted.

With thanks

Dear Sirs,

Re: Crown Public House, Everton.
Licensing application.

I am writing to oppose the application of the proposed licence, which includes a large proportion of increased opening hours and music.

It is a country pub in a rather sedate old village at the end of a row of listed buildings, very residential with high priced properties. All their owners pay high community rates for living in such a nice ambient village.

This proposal could possibly attract a proportion of young and possibly out of control youngsters displaying bad behaviour and creating disruption in our village, and causing more traffic congestion than we have already, at the present opening times, therefore undermining another pleasant rural area.

I know from passing other local pubs and surrounding areas, that you get noisy crowds of unruly youngsters with police in attendance. This could be in our village. Please consider this, and not let this happen to our village.

The advice notices for this new licence have been slyly hidden in various parts of the pub, but should really be more prominently displayed to enable all villagers to express their Opinions on this matter, which is, i.e. massive objections.

None of us in the village are killjoys, we all enjoy pubs and music, but at amenable hours. There is a club almost next to the pub and they have music, yet they seem respectful of the surroundings and the members are regulated.

Yours truly,

Kenneth J Shelley.

Dear Sirs

With reference to the application for late opening hours by the Crown Inn at Old Christchurch Road, Everton I am writing to you to register my objection.

I live very close to the Crown Inn and the the extended opening hours could lead to an increase of crime and disorder and cause a public nuisance in the village.

There is also a clear threat to public safety as parking in Old Christchurch Road is already totally congested for many hours of the day and always in the evenings by the visitors to the pub and also to the club. Residents in the road have to pull out into the path of oncoming vehicles with very restricted vision.

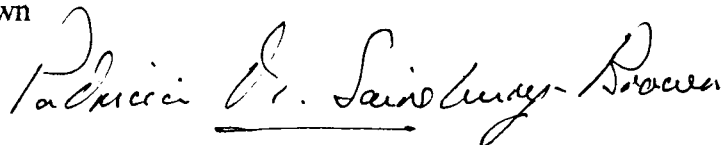

The village of Everton is a quiet residential area which would be spoilt and due to the above points threaten the safety and welfare of the residents and children.

I would be grateful if these points of great concern could be considered for which I have been unable to establish the timing.

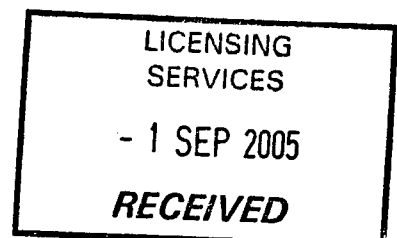

1. There is no date on the notice at the Crown Inn
2. On telephoning the licensing office last week I could not obtain this date but was advised that the application had been rejected. This information was conveyed to residents close to the Crown Inn.
3. Yesterday I was told that if I wished to register any objections I should do so very quickly.

Yours faithfully

LICENSING APPLICATION

This is a country pub in a quiet old village at the end of a row of listed buildings, very residential with high priced properties. All their owners pay high community rates for living in such a nice ambient village.

This proposal will inevitably attract a proportion of young, possibly out of control youngsters who contribute nothing to the village except shouting, bad behaviour, traffic congestion even worse than at present and will seriously undermine yet another pleasant rural area.

On Sat 20th, late night, I travelled through Southampton, Bittern and Lymington and outside 3 pubs were crowds of noisy young people with police in attendance at Lymington..please consider what this could do to our village..please do not let it happen.

The publican, I think, knows he will not be popular with this proposal as the so called notice to advise residents is virtually unseeable, being hidden in a small top of a window behind flower pots and picnic tables and it should be posted in a much more prominent position to enable all villagers to have their say..ie massive objections.

We are not killjoys, we all enjoy pubs and music but in the right place and amenable hours..we have the Club almost next to the pub and they have music but seem very respectful of the surroundings and also the members are regulated.

The locals are fighting this application tooth and nail, this is upsetting village life but, whatever goes through, if it includes music, we would fight for a noise monitor and I am sure the police would not be happy about complaints about disturbances. We have a new development very near the pub, properties costing £365,000. I hope the Agents are happy to advise prospective buyers of this application. I have advised both agents involved.

Yours truly,

J. Day

Dear Sir/Madam

We wish to lodge an objection to the granting of extended opening times, for music and drinking, to the Crown Inn, Everton Village.

Our reasons are as follows:

1. Everton is a quiet village where many people are generally in bed before 11:00 pm. We see little need for extended music and drinking to 1:00 pm.
2. The Everton and Lymore Club already has regular music nights. We believe that one venue is enough for a small village.
3. Later drinking hours could encourage yobbish behaviour. We have already had incidents of bottles, glasses, rubbish being thrown into gardens along the Old Christchurch Rd.
4. Parking already causes problems along Old Christchurch Rd. We do not relish extra noise associated with cars leaving in the early hours. (There is no public transport.)

We appreciate that Mr Roberts may not want to operate extended hours all of the time. But should he move on, a precedent will have been set. A new incoming Landlord may choose to use an extended licence to the full.

We remind you that Everton is a quiet village, and the vast majority of villagers/pensioners wish to keep it that way. Yours Faithfully,

Prof. and Mrs G. J. Bowden

Ref. The Crown Inn, Everton, variation of License application.

Dear Sirs,

We would like it known that we are fervently against any change to the license of the above Inn. We are a small village and this would encourage "drinkers" to drop in on there way home, to consume more alcohol and create noise that is, so far, reasonable.

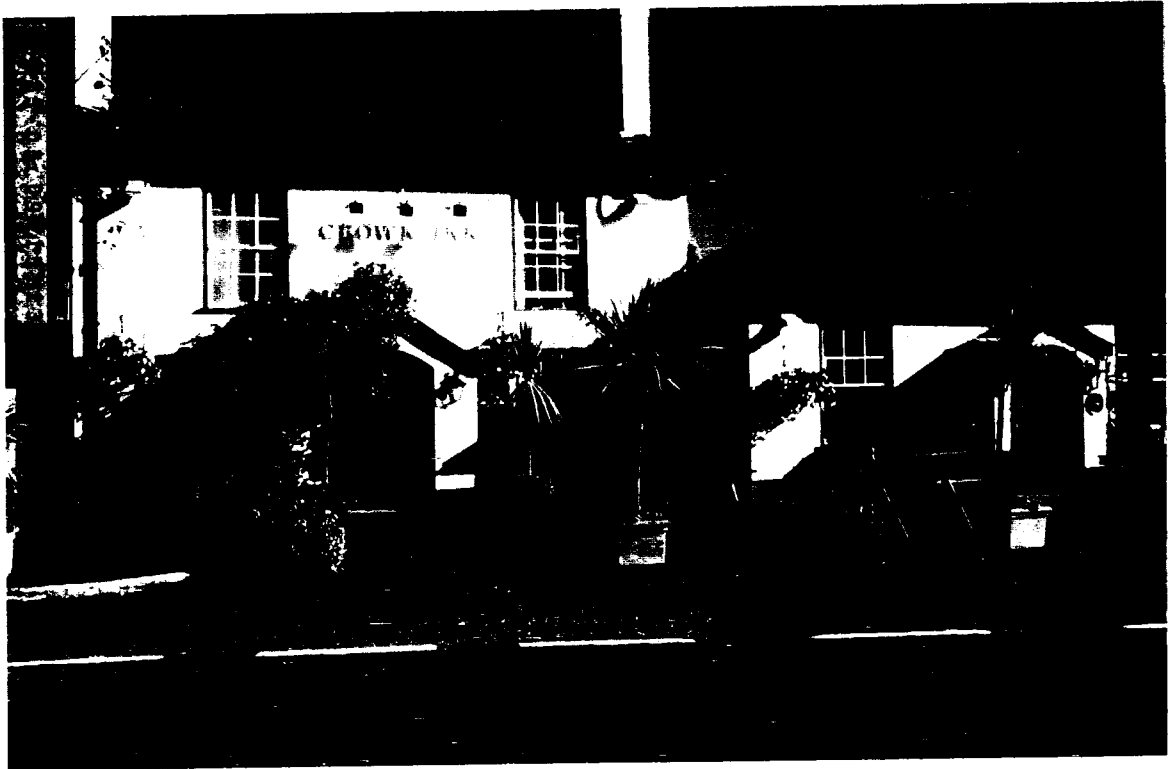

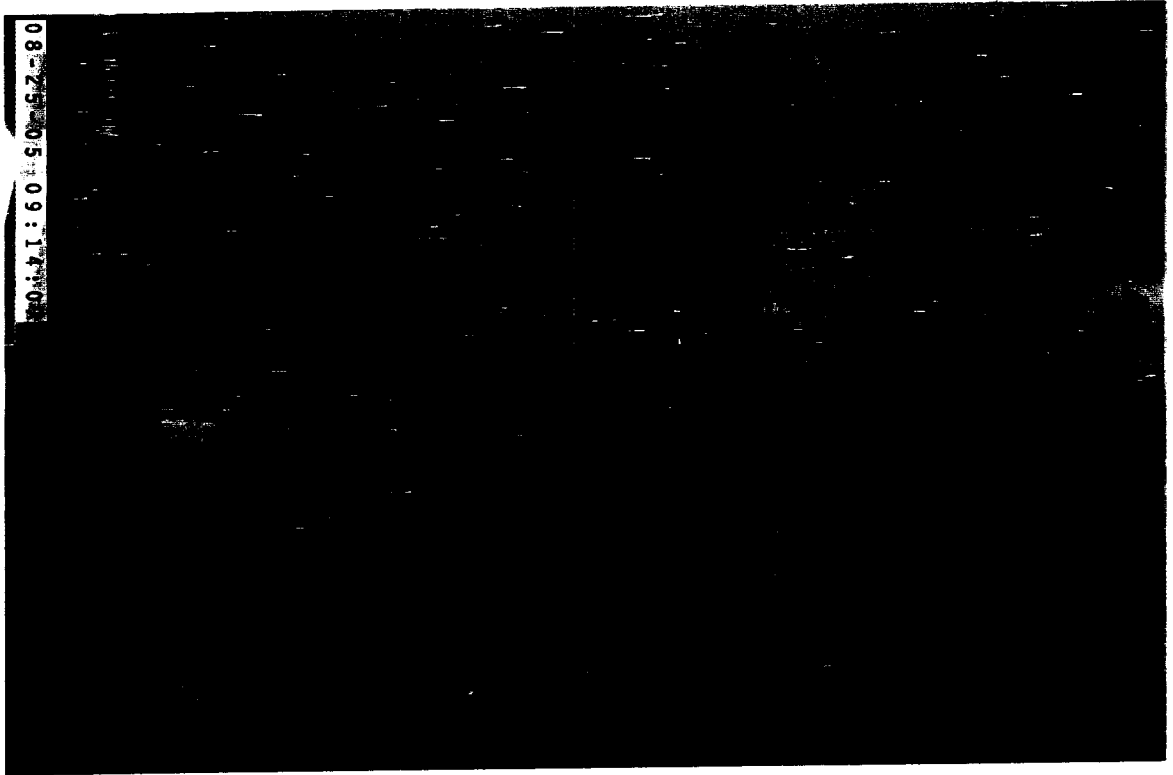

The Application for the provision of regulated music is also not acceptable as we are already suffering from an abundance of sound from the Everton & Lymore Club, which, as you know, is next door. Also the Notice in question is not "Dated" Does this make the application illegal??

We await your reply with interest.

Yours.

Dear Sir,

We are writing to object to the application by the Crown Inn, Everton, to extend their opening hours.

Everton is a quiet country village and those who choose to live here have done so just because it is, and would like to feel it stays that way.. Later opening hours would inevitably lead to undesirables coming into the village to avail themselves of the Crown's facilities. Not only that we live at the side of the Crown

and we already have problems
with their patrons blocking our road,
and Old Christchurch Road.

If a pub is in the centre of a town
where people come out of theatres
and cinemas late at night and
want a drink, this would cause
no extra traffic or noise as these
people would be there already.

Yours. faithfully.

Dear Sirs

THE CROWN INN EVERTON LYMINGTON HANTS

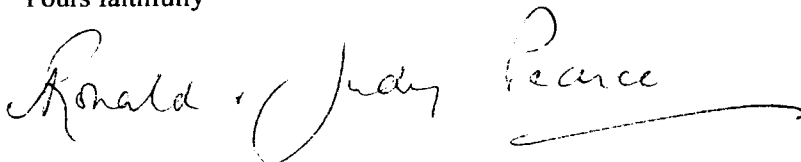

We understand that the Crown Inn has applied for a licence for extended opening hours.

Being pensioners, we are very disturbed about this application. Our property is close to the garden and car park and we already get considerable noise from the garden at times. If the hours are extended we are concerned that this will cause further noise and public nuisance to the residents of Everton, due to rowdy behaviour from customers as a result of excess drinking due to longer opening hours. My husband is disabled and does need to have undisturbed sleep. It is a known fact that excess drinking does lead to vandalism, crime and disorder. We never see police here in Everton and it is a concern that there are not enough police to enforce orderly behaviour in our currently quiet village.

My husband is disabled and does walk with a walking frame in the village on his own during the day. However, The Crown could attract a younger element of people, if the licencing hours are extended, which in turn could pose a threat to his welfare and safety. It is good for his well-being and health to be independent and take exercise; I feel this may have to be curtailed if we get younger people taking excess alcohol and becoming abusive and threatening in the village. This situation would also apply to other residents of Everton. In the interests of security for residents, I would suggest that the street lighting in East Lane, Centre Lane and West Lane should be improved, if this licence is granted, as at present it is very poor.

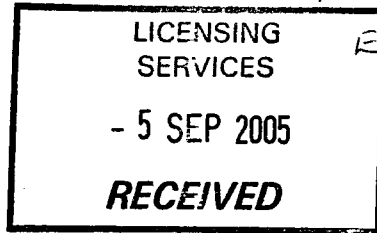

The majority of Everton residents are retired and came to live here because of its quiet location, we do not want to encourage our village to become a place of crime and disorder, where we feel threatened and unable to lead a normal independent life.

Yours faithfully

Dear Sir

re: Crown Public House Everton,
Licensing Application.

We are writing to oppose the application for increased opening hours and increased music.

This is a country pub in a very residential area.

The pub already has a license for music one night a month which is bad enough. Last time they had a music night the noise was so bad we actually used our video camera to record it. We also have to suffer noise from Everton Club.

Parking is bad now as customers to the pub park all along

one side of Old Churchward Road
making it virtually a single width
road. This can only get worse.

The pubican obviously knew this
application would not be popular
as the notice to advise residents
is positioned in a small top
window behind flower pots and
picnic tables. Surely it should
be posted in a more prominent
position.
