Subject: Hythe & District Club variation of premises certificate

Dear Sirs

I am writing in respect of the proposed variation of club premises certificate for:

Hythe and District Club
26 Pylewell Road
Hythe
SO45 6AQ

I live at 14 School Road, which is about 40 yards away from the Club in a residential street of about 14 houses near the club. The street also includes a school but there is no noise and disturbance from the school after 3.30pm.

I should like to object to the proposed extension to the hours to 00.30 Mon - Sat on the grounds that young members that have had too much to drink come along the road after closing and have in the past made excessive noise, kicked cars, shouted at each other and had fights among themselves.

I have been living in this house since September 2003 and I have noticed a steady increase in the amount of noise and disruptive behaviour at closing time, especially on a Friday and Saturday night after 11.00.

If the hours are extended then there is a likelihood of two possibilities: 1. a potential increase in the behaviour due to longer time to consume alcohol 2. the time at which such behaviour takes place, even if there is no increase in frequency, will be after 00.30 or past my normal bedtime.

As it is I find the noise a nuisance. There have been occasions when these young people have stopped to have a discussion or row right outside the house. I have put up with it rather than risk confrontation and potential risk to myself and my property. I fear the situation will get worse with an extension to the hours.

I hope you will consider this objection carefully.

Yours faithfully

Subject: Extension to Alcohol & music License

To Whom it May Concern,

We are writing with reference to the application to extend the licensing & music times at Hythe Social Club at the bottom of School Road.

We would like it noted that we object to such a change in hours for a number of reasons as detailed below:

- a) The noise levels are already such that we cannot have the bedroom window open in our baby sons room as it will disturb him.
- b) On a number of occasions the windows at the club have been open increasing the sound volumes that occur anyway.
- c) There is already an issue with people leaving the club & creating a disturbance at the front of our house.
- d) Damage has been caused to vehicles in the street and police have been called on a number of occasions. This is usually as a result of excessive drinking.
- e) Glasses and bottles have been thrown into our garden.

Whilst we appreciate that this is not all as a direct result of the club, we do feel that any extension will only make matters worse.

It has come to our attention that the late night license that the Fountain Court now has is not without its problems relating to vandalism and disturbances late at night. We have lived in the property for over five years and it does appear that things are getting steadily worse.

As a result these are our main reasons for objecting and we look forward to hearing from you in due course.

Yours faithfully

Clive & Nikki Wilkes

Note: forwarded message attached.

Further to my previous objection to the changes in the license for Hythe Social Club, I have noticed that another application has been posted dated 8th August 2005.

As discussed with Tony Hetherington on Friday 12th August I still object to these changes for the reasons stipulated in my previous e-mail.

I would appreciate it if you would kindly confirm receipt of this objection as I assume that this application now supersedes the previous one.

Yours sincerely

The schedule contains those conditions embedded within the current Club Licence and a set of mandatory conditions which must be attached to all club premises certificates which the Council issue.

This in no way affects the Part B application which is shortly to be considered by a Licensing Panel.

Yours faithfully,
