3. The use of the garden area shall cease by 23.00 hours.
4. Notices shall be displayed in prominent positions within and outside the premises requiring patrons to leave quietly and respect local residents.

## **7. Reasons for the Decision**

The Sub-Committee carefully considered the evidence, both written and oral, supplied by the parties.

Written representations had been made by the objectors who were concerned that the increase in hours would contribute to an increase of drivers driving under the influence of alcohol and posing a danger to other road users.

The objection made was a blanket one insofar as it was a general objection to all premises licence applications in the locality. It was difficult therefore to ascertain whether the objector was referring to patrons of The Old Beams, specifically.

The Sub-Committee noted that no objections to the application for increased opening hours had been made by the Police and furthermore that subject to the Applicant agreeing to certain conditions, the Environmental Health Department did not raise any objections to the variation. In light of the above, the Sub-Committee considered that it would be consistent with the licensing objectives if the application were largely granted.

They considered that where the next day was a working day the hours for the sale of alcohol should be limited to 23.30 hours.

There were no relevant representations made in respect of part P. of the application to remove the embedded restrictions as set out therein and therefore this part of the application is granted.
