Notes for Guidance

This application cannot be used to vary the licence so as to extend the period for which the licence has effect or to vary substantially the premises to which it relates. If you wish to make that type of change to the premises licence you should make a new premises licence application under section 17 of the Licensing Act 2003.

1. Describe the premises. For example the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place for consumption of these off-supplies you must include a description of where the place will be and its proximity to the premises.
2. Where taking place in a building or other structure please tick as appropriate. Indoors may include a tent.
3. For example state type of activity to be authorised, if not already stated, and give relevant further details, for example (but not exclusively) whether or not music will be amplified or unamplified.
4. For example (but not exclusively), where the activity will occur on additional days during the summer months.
5. For example (but not exclusively), where you wish the activity to go on longer on a particular day e.g. Christmas Eve.
6. Please give timings in 24 hour clock (e.g. 16:00) and only give details for the days of the week when you intend the premises to be used for the activity.
7. If you wish people to be able to consume alcohol on the premises please tick on, if you wish people to be able to purchase alcohol to consume away from the premises please tick off. If you wish people to be able to do both please tick both.
8. Please give information about anything intended to occur at the premises or ancillary to the use of the premises which may give rise to concern in respect of children regardless of whether you intend children to have access to the premises, for example (but not exclusively) nudity or semi-nudity, films for restricted age groups, the presence of gaming machines.
9. Please list here steps you will take to promote all four licensing objectives together.
10. The application form must be signed.
11. An applicant's agent (for example solicitor) may sign the form on their behalf provided that they have actual authority to do so.
12. Where there is more than one applicant, both applicants or their respective agents must sign the application form.
13. This is the address which we shall use to correspond with you about this application.

Subject: FW: Variation to premises licence - Roebuck - Objection

Hampshire Constabulary have an **objection** to the variation of premises licence for the Roebuck, Marchwood Village Centre, on the grounds of crime and disorder.

It is our view that the licensable hours Sunday to Thursday should remain the same as the existing premises licence and are in keeping with the village location the pub occupies.

1 - The first proposed variation is to increase the licensable activities at the premises to 01:00 hours (the following morning) each Friday and Saturday (plus 30mins "drinking up time"). The applicant does not indicate any additional measures in ensuring the prevention of crime and disorder both at the premises and in respect of customers leaving the premises, the locality, which is in the village centre and is surrounded by residential dwellings. It is the view of Hampshire Police that all licensable activities should cease, at the latest, by midnight each Friday and Saturday evening. This would mean that having allowed for 30 mins "drinking up time" that customers would be leaving the premises by 23.30 during the week and 00.30 on Saturday/Sunday mornings. Given the setting of the pub in the centre of a village with many nearby residences we feel that any later would be wholly inappropriate and out of keeping with the area. We believe that late opening hours would also encourage people to come from other pubs in the locality who close earlier giving rise to a risk of increased crime and disorder.

2 - Timings for late night refreshment should mirror those for supply of alcohol each Friday and Saturday.

In relation to the removal of conditions on the licence (3, 4 & 5)

No alternative solutions/conditions have been put forward on the application form as to how the Licensee will ensure 'good order' at the premises (Section 7.1 - 10 inclusive, and section 10.8 - 10 inclusive). It is the view of Hampshire Constabulary that these conditions are still very relevant and should remain on the licence.

If we do not hear from you by that date we will assume you do not wish to offer a representation and continue with the licence application process.

PLANNING AUTHORITIES PLEASE NOTE

Inevitably there will be occasions when NFNPA Development Control receive applications which should have been sent to NFDC Planning, and visa versa. In these instances on receipt of applications would both authorities quickly identify these applications and send them to the correct planning authority by way of the fastest possible means.

<p>Response:</p> <p>Following receipt of the e-mail detailed below, I do not wish to raise an objection to this application.</p> <p>Verity Fletcher 22.03.07</p> <p>E-mail from Solicitor for the applicant:</p> <p>Verity</p> <p>Following our telephone conversation this afternoon, I write to confirm that our client has agreed to the conditions you suggested in replacement of the phrase 'To continue to ensure that sound from the premises is maintained at a level that does not cause a public nuisance,' namely that:</p> <p>1. After 2300, music and noise emanating from the premises shall be inaudible at the</p>

boundary of all noise sensitive premises.

2. Prior to 2300, music and noise emanating from the premises whilst audible, is so low that distinct tunes, lyrics, musical instruments and any base beat cannot be recognised at the boundary of all noise sensitive premises.

I trust this will dispel your concerns regarding potential public nuisance in relation to this application.

Kind regards

Hannah
