Mr Weston, I refer to your letters of the 17th ultimo and 14th instant. I am one of the Elected Members representing the Barton Ward and have received a number of complaints regarding the above mentioned application, both in the former and later modes. In the wake of your letter of the 14th instant, advising residents of the applicants amended timings in respect of the application there remains a number of residents concerns who have requested me to represent them at any subsequence Licence Hearing. I have advised these people to write and inform you of their requests.

Following your recent objection to the above premises. I am writing to advise you that the applicant has agreed to adjust their application following discussions with some of the Responsible Authorities to include the following:

- A written log shall be kept of all refusals to serve alcohol. The holder of the Premises Licence shall ensure that the refusals log is properly maintained and this shall involve, but is not limited to, nominating in writing a responsible person to check and sign it on a weekly basis.
- All staff shall be trained to challenge every individual who appears to be under 21 years of age and to refuse service where individuals cannot produce acceptable means of identification. Such training shall be provided not less than every six months and written records shall be kept of all training and refresher training.
- CCTV will be installed and maintained at the premises to the satisfaction of the Licensing Authority and Police. As a minimum, it shall enable surveillance of both internal and external areas of the premises including all entrances and exits. Recordings from the system shall be to a standard acceptable as evidence in a court of law and shall be securely retained for a minimum of 30 days. The recording shall be surrendered in a playable format to Hampshire Constabulary or the Licensing Authority immediately on request.

In addition to the above, it has been agreed that the timings for the supply of alcohol are to be reduced from 07:00hrs to 23:00hrs each day.

The existing two shops [Hairdresser and Post Office.] close about 5pm-6pm.,this a very QUIET retirement area with very few people around in the evening. The granting of a licence for premises to open until midnight for the sale of alcohol and groceries will drastically change the character of the area and will be a public nuisance, a threat to the security of local residents and could encourage crime and disorder [late evening early morning beach parties in the summer with a handy access to alcohol]

Dear Sir

Re: Licensing application for 71 Sea Road

I am writing to object strongly to the proposed hours of selling alcohol at the above premises.

The only people who would gather in and outside this shop after 5.30 in the evening would be gangs of youths who would no doubt cause a nuisance and intimidate any other potential customers. They also leave behind a trail of rubbish which has to be cleaned up. Already we are having to pay the council for cleaning up every morning the Recreation Ground in New Milton and Ballard Lake.

This is a very quiet district with elderly residents and the hours proposed for this kind of trade is totally out of character and unnecessary in this area.

Yours faithfully

Good morning,

Thank you for your recent letter dated 14 October 2008, stating the recent agreements between applicant and the responsible authorities. Dear Mr Weston,

Re: Application for a new premises license – Convenience Store, 71 Sea Road, New Milton.

Thank you for your letter dated 12th September, regarding an application for the sale of alcohol for consumption off the premises shown above. This issue was discussed at a meeting of our Planning Committee on 25th September.

The members believe that the opening times proposed are excessive, and that the sale of alcohol should cease at 2200hrs on each day.

The Committee also seeks reassurance on the following points.

- a) That full and adequate CCTV will be installed to cover the alcohol storage areas, and
- b) What steps are being taken to ensure alcohol will not be passed into the hands of those underage?

We seek written response to these points at your earliest convenience, and suggest that this letter is treated as a representation under the Prevention of Crime and Disorder and the Protection of children from harm licensing objectives until such time that your response is found satisfactory by our members.

Would you please take this into account when considering the application.

I write following receipt of your letters dated 14th October 2008 and 20th October 2008. Unfortunately, I was unable to respond earlier due to the simple fact I was away from my premises. In fact your request to respond to a letter within less than 5 days of issue I feel is totally unacceptable, considering the matter under consideration.

Given your request, however, to advise if my objection stands in view of the points you make in your letter dated 14th October 2008, following changes to the application; I can confirm my objection remains.

Could I also take this opportunity to reaffirm strongly that allowing a licence to supply alcohol provision into the night. Will do nothing other than encourage anti social behaviour and provides no material benefit for the local community. To provision such a licence at premises directly opposite a Methodist Church is I feel particular inappropriate.

Whilst a balance needs to be made between the ability to run a viable business and the factors inappropriate hours of business create I remain of the opinion that no need exists to allow a licence beyond 19:00 hrs.

Could I also ask you correspond further with me matter on this also to the email address:-

Dear Sirs,

Application for an Alcohol License 71, Sea Road, Barton-on-Sea.

We, the residents of Dracaena Court strongly protest regarding the application to grant a license to sell alcohol at the above premises between the hours of 7 a.m. and midnight. We have no objection to the shop re-opening and selling alcohol in normal trading hours, say between 7 a. m. and 6 p.m. but in this very quiet residential area that is all that is required.

We dread to think what the consequences will be if the gangs of youths who already congregate and vandalise the cliff top and beach huts at Barton had easy access to a shop selling alcohol up to midnight. Our windows and gardens would be at great risk and the noise would be unbearable.

Other residents of Barton to whom we have spoken are also against this proposal and we hope they have also written letters of protest.

One other comment - the very small print and size of the notice is extremely difficult to read and it appears that the date for opposing this application has been crossed through. Why should this be?

Dear Sir/Madam

Re: Premises Licence Application for General Groceries and Alcohol
Corner Shop in Westcliffe Buildings, corner of Sea Road and Seaward Avenue,

Mr Ali Gilgil of 495A Christchurch Road, Boscombe, Bournemouth, BH1 4AE has applied for a Premises Licence to run from 0700hrs to 0000hrs, including Sundays, i.e. 7 days a week.

As our property is directly opposite the premises we wish to object to the length of the licensing hours on the grounds of it causing probable public nuisance and disorder late at night in a residential area. We therefore request you consider issuing the licence for shorter hours, e.g. 0700hrs to 2000hrs.

We assume that a licence for general groceries and alcohol excludes the sale of hot food as a takeaway but if this is not the case we would strongly object to this being allowed.

Dear Sir,

With reference to the application for a premise licence for 71 Sea Road, Barton on Sea, New Milton BH25 7ND to sell alcohol between 0700-0000 seven days a week I wish to express the following concerns on the grounds of crime and disorder.

The previous owner of Wilson's Store did have a licence to sell alcohol but his opening hours were much more reasonable, never late in the evening. A store staying open until midnight every night will, once known, surely attract alcohol driven crime into this quiet residential area which is predominantly inhabited by the frail and elderly and is a CCTV free zone.

A recent talk by Supt. David Hardcastle at the Residents Association meeting on 16th Sept. at Barton on Sea stated clearly that alcohol abuse was one of the major problems the police faced in New Milton. Barton on Sea, however, was considered a very low crime rate area although the residents perception may be otherwise. How can anyone who lives in the vicinity of a store staying open

to such late hours selling alcohol perceive there is in a possible threat to passing by the store, in the later hours of the day and evening

Disorderly beach parties are a regrettable reality in such areas as Barton-on-Sea due to the isolated terrain of cliffs and beach but to supply the means at all hours just a few hundred yards from the cliff top is inviting alcohol driven crime to come into the area.

Yours faithfully.

I object to the inclusion of a licence to sell alcohol after 5PM daily.

There are adequate off licence facilities in New Milton including those within ten

Dear Mr. Weston.

We are given to understand that Mr. Ali Gilgil who had applied for a licence to sell groceries and alcohol until midnight at 71 Sea Road, Barton on Sea has now agreed to bring his opening hours from 7am until 11pm as opposed to 7am until 12pm.

We the undersigned, who have already sent letters to our local Cllr. Mr G.C.Beck with our reasons for objecting to Mr.Gilgil's original application, do not consider this small store at Barton staying open until 11pm selling groceries and alcohol to be acceptable in this retirement area.

Our grounds for objecting are public nuisance, prevention of crime and disorder, and public safety.

We all appreciate that it would be lovely to see our local store open again, but as there does not appear to be any call for sale of groceries and alcohol at such a late hour when we have local stores in New Milton trading late we feel that somewhere around 8pm would surely be late enough in this area.

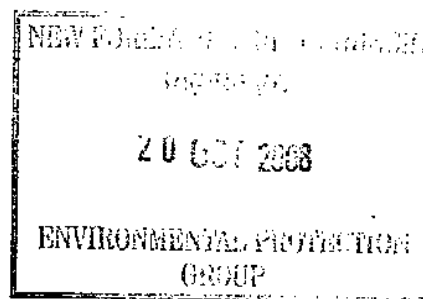

In view of our strong feelings regarding this matter we wish our Cllr.G.C.Beck to represent us at the next meeting concerning this issue.

I still wish to object most strongly for the same reasons given in my first letter, (copy enclosed), and changing the time to 23.00 hrs makes no difference whatsoever.

As for the CCTV cameras, we all know that there are no police in this area at night, in fact very few during the day, and I am sure that having this shop open late at night will cause all sorts of aggravation and intimidation to anyone walking or living in this area. **Re: Premises License Application for General Groceries and Alcohol
Corner Shop in Westcliffe Buildings, corner of Sea Road and Seaward Avenue,

Mr Ali Gilgil of 495A Christchurch Road, Boscombe, Bournemouth, BH1 4AE, has applied for a premises License to run from 0700hrs to 0000hrs, including Sundays, 7 days a week!

Our property is but a few doors away and on the main route to the said premises and the coast. We consider the length of the licensing hours unnecessary with the potential to causing a public nuisance and disorder late at night, in what is a residential area. Past experience has shown that teenagers use this route to congregate for nocturnal beach parties, during the summer months.

Our concern is that on or shortly before closing time at the "House Martin public house", top of Sea road, a group of inebriated youngsters will venture to the beach front purchasing alcohol /food on route. We therefore request you consider a more prudent license period for shorter hours, e.g. 0700hrs to 2000hrs.

We assume that the license is for general groceries and alcohol, but excludes the sales as a hot food takeaway should this not be the case we would strongly object to this facility being allowed.

APPLICATION BY MR. ALI GILGIL FOR A LICENCE TO SELL ALCOHOL,
CORNER SHOP, WESTCLIFFE BUILDINGS, SEA ROAD, BARTON ON SEA,
0700 hours - 2300 hours, 7 days a week

Dear Sirs,

I am writing to raise some concerns I have about the above application.

I believe that the selling of alcohol late into the evening, every day of the week, would be a wholly inappropriate and unwelcome development in this relatively quiet residential area.

I am concerned that the shop could become known to young people from outside the area as a source of alcohol on the way down to the beach. We do have gatherings of young people at times on summer nights already, the beach being the main attraction. At present bottles and cans have to be carried some distance but the shop is just a short hop from the cliff top.

We also have quite a number of visiting foreign students in the wider area and they too sometimes walk down Sea Road to the sea for their evening get-togethers on summer nights. Passing an off-licence, open until 11 pm, might also start to influence adversely their behaviour.

I would also feel very sorry for residents in the immediate vicinity of the shop who, in quiet Barton, would have an off-licence potentially attracting in customers from outside the area until very late- Sundays included.

I have no objection to the shop. I've always supported it.

I would respectfully ask you to consider allowing the alcohol to be sold for shorter periods only during the day, for example up to 8pm and not on Sundays.

Thank you for your kind attention.

on the whole this is an area

Yes we can use a local store for groceries, but 9.30 closing would be much better timing.

Since the closure of the pub on Hynington Rd, the noise & litter was down to almost nil, the new "Sand pipes" is managed much better.

Dear Sirs,

Re: Application by Mr.A. Gilgil for Premises Licence to sell Alcohol – corner shop,
Westcliffe Buildings, Sea Road, Barton-on-Sea (0700 – 2300 hours, 7days a week).

Thankyou for your recent, undated circular letter on this subject which my wife and I read with considerable surprise and amazement which, I might add, was shared by many neighbours and friends in the area who had received the same communication.

As national crime statistics clearly show the inescapable relationship between alcohol abuse and anti-social behaviour and as the Sea Road area of Barton-on-Sea is mainly populated by retired people, it therefore appears likely that they would be the first to suffer if an off-licence type shop was established at 'Wilson's Stores' in the manner proposed by the applicant. In fact, in view of the average age and general disposition of the area's senior residents, it is likely that most would not have any necessity (or perhaps interest) in buying alcohol from a shop in Westcliffe Buildings, irrespective of who the proprietor was -- particularly after normal trading hours.

Consequently, and in the supposed absence of many local customers, it is likely that Mr Gilgil's shop's most obvious source of regular alcohol sales would be the juvenile population living further afield (as soon as word had got around the district) – most probably accompanied by the social evils touched upon in your letter under reference!

Therefore and in order to avoid this seemingly 'no-win' situation for the Sea Road area's residents (and neighbouring shop-keepers in the same block whose adjacent premises would present an easy target for any misbehaving revellers nearby), my wife and I have reached the inevitable conclusion that we must oppose Mr Gilgil's application in the strongest possible terms.

Yours faithfully,

D.J. Bamford

Dear Sir,

I wish to protest most strongly
over the application for licence to sell
alcohol at premises known as LILSON'S
STORE, SEA RD, BARTON ON SEA.

I feel certain that most of the
population of Barton on Sea would not
require this facility late at night.

This venture would probably lead to
an influx of youngsters from outside the
area.

I protest most strongly.

I write regarding the selling of alcohol at Wilson Stores (in SEA ROAD) up to 11 o'clock in the evening. This is a very quiet neighbourhood, with mostly elderly & retired, late night selling, could cause great disturbance. It is great to know that the shop will be opening once again.

Dear Mr Weston

REF: APPLICATION BY MR A KIRK FOR LICENCE TO SELL
ALCOHOL AT WESTCLIFFE BUILDINGS SEA ROAD

My husband and I are due to move into
number 46 Sea Road in two weeks time, and
hope to spend our retirement years there.

It is very disappointing to learn that there
is the potential to have a late night store
selling alcohol in this area.

Apart from the obvious question of who will
benefit from being able to purchase alcohol
until 11 o'clock at night, one wonders
about the associated disturbance thus

will bring to a predominantly residential area.

I believe the main purchasers of alcohol are likely to be the younger (and bored) generation, who could possibly be looking to drink some outside the shop or the surrounding areas rather than simply to purchase and return home.

Therefore I would like to place my objection to the times the store will be open, that is 11 pm at night. Surely we residents have a right to peace and quiet in the evenings as I feel sure you would want in your own home?

Yours sincerely

Dear Sirs,

It would be alright to have a licence, say, until 6. pm but not until 11. pm.

People living in the area will not want noisy teenagers hanging about all the evening, every evening, also, the church hall is used quite frequent in the evenings and they certainly will not want trouble there.

Already there are places selling alcohol all evening in Milton Green and Old Milton Surely this is enough

Dear Sirs,

Re: Application by Mr. A. Gilgil for Premises Licence to sell
Alcohol - corner shop, Westcliffe Buildings, Sea Road, Barton on Sea
0700-2300, seven days a week

Thank you for your recent notification of the Application for a
Premises Licence to sell Alcohol in respect of the above-mentioned
corner shop by Mr. A. Gilgil.

As has been pointed out in the notification, there have been many
instances of anti-social behaviour on both the cliff top and beach
here at Barton. On most occasions these gatherings have not given
rise to any problems. However, we have had, at times, to call
for the police and ambulance services.

There is an additional problem of empty and semi-derelict houses
in close proximity to the 'corner shop'. Although all four of
these have been boarded up, there have been signs of vandalism.

While I do not object to a Licence to sell Alcohol during normal
shop hours, I must oppose any extension to sell alcohol beyond
the store's normal trading hours.

Barton on Sea is a retirement area, not Bournemouth. We do not
need to have alcohol available until 11pm!

Yours faithfully,

Wendy P. Marks

Dear Sir,
Further to my letters of 2nd Oct. and 16th Oct., 2008 relating to my concerns over the application for a licence for the shop at 71 Sea Road, Banton on Sea, I have since discussed these concerns with Councillor G. Beck and I understand he will be representing a number of like minded residents who also have grave reservations, particularly the late hours of opening. I have asked him to represent me at any official meetings where this application is discussed and he has kindly agreed. I hope this is agreeable to you.

Dear Sir,

I wish to make a strong protest at
the application for a licence in respect of
'Wilson Stores'.

Barton is a village and really does not merit
a second odd, to many an aging population.
If it's not allowed then would be shunned
and premises only known if break-in and
damage to our homes in the close proximity.

Although, previous owner had a licence the
shop was closed by Tom.

As you might be aware already there
was four houses, just yards from the shop, which
are vacant. Imagine if a gang did further damage
to them.

There are next a small grocery shop to
 cater for people who do not have transport.

but requires some grocery convenience
Please think of Barton - a village rapidly
being ruined by continuing people trying
to make more money.

Thank you for your consideration.

Dear sirs,

I would like to object to the proposed application for an off licence at Wilsons stores Barton on Sea. There is already an off licence at the newsagents between the two main car parks that adequately serves the community.

The proposed hours ie. 7am to 11pm would only encourage late night (drunken) beach parties .with the supply of alcohol at such late hours.

Dear Sir,

Premises known as Wilson Stores, Sea Road, Barton on Sea

A Small general store, which for many years has been run from these premises, is a much appreciated attribute to the neighbourhood, which in the main consists of elderly people. The opportunity to buy small quantities of alcohol for consumption at home, within normal opening hours (as opposed to late night), also meets the needs of local residents.

I do not believe local people need an extension to normal operating hours to meet their requirements. Who needs and what demand is there for an extension to the hours of selling alcohol ? I would suggest none.

However, the opportunity to purchase alcohol late at night seems to be a requirement of some teenagers, who will visit the area to make their purchases. Late night traffic noise and mischief-making groups of youngsters, affected by alcohol as they 'have a good time' are said by locals to have resulted in damage to their properties.

Potential damage to premises and late-night disturbances at the expense of the local residents of this quiet and responsible area are not wanted. The possible call on Police time should also be considered, as presently I would not expect there to be much of a need for a Police presence in the area.

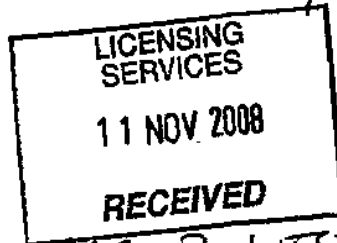

Please restrict the licensing hours more in line with normal shop hours, which I would expect to mean stopping the sale of alcohol at 6 pm.

Yours Sincerely

John Manners

MR GILGIT APPLICATION

For attention of MR. P. WESTON.

RE WILSONS STORES, WESTCLIFFE BUILDING 5
SEA RD. BARTON ON SEA,

Dear Sir,

We were looking forward to having a shop again on Sea Rd. However, we now find alcohol is to be sold not just in shop hours but until 11pm every night of the week.

We oppose the premises license Application most strongly.

• This is a quiet, residential area of mainly elderly people not likely to be shopping for alcohol until 11pm.

• The likely buyers would not be from this catchment area but would probably be young people from outside the area attracted by the late availability of alcohol.

• At a time when the Police are already concerned about the link between alcohol abuse and anti-social behaviour, surely yet another outlet for alcohol sales are a detrimental step.

Yours faithfully

Ref. Application by Mr. A. Eilgil for
Premises licence to sell alcohol.
- Woolcliffe Buildings, Sea Road, B.O.S.
0700 - 2300 hrs. 7-days a week.

Dear Mr. Weston,

Concerning the above application, I hope that the following points may be helpful.

1. The local community seems to foster an environment of predominate quietness and controlled leisure.
2. The selling of alcohol beyond a reasonable time, by your advisement, does "not" seem to serve the resident community in the main, but is more likely to attract late-night visitors who seek off-licence prices unavailable elsewhere. [Subject to your knowledge, I understand that the nearest and more capable off-licences all close at 9, 10 or 4pm according to day and location.]

3. Late-night facilities for visitors to park, collect, and even socialise (for a few⁽²⁾) is limited and, more importantly, likely to affect the correct environment fostered.

4. The issue of this application now requires more detailed examination as previously this shop closed at 5 p.m. (or so), and so its licence was more of a generalisation than a control. With the repeated transfer of proprietorship (and even an administration in the latest case) new shopkeepers may now be prepared to supply ever more effort to supplement trade — and so use licences to their full.

I trust that the above may aid your decision-making, and enable the licence issued to truthfully reflect the needs of the community as well as the proprietor, and of the realities that may eventually exist.

Yours faithfully

DEAR SIR,

I WISH TO OBJECT
STRONGLY AGAINST THE APPLICATION BY

THE HEART OF A VERY PEACEFUL AND
PREDOMINANTLY ELDERLY NEIGHBORHOOD. SUCH
TRADE, PARTICULARLY LATE IN THE EVENINGS

ATTRACT A MORE TROUBLESOME, AND

YOUNGER CUSTOMER. CONFLICT BETWEEN THE RESIDENTS, & CHURCHGOERS; (OPPOSITE) WOULD SEEK A STRONG POSSIBILITY, WE ALREADY HAVE ENOUGH SHOPS AND PUBS IN THE AREA SUPPLYING ALCOHOL. IN AN ENVIRONMENT WHERE WE ARE STRUGGLING TO COPE WITH YOUNG PEOPLE WHO ARE UNABLE TO CONTROL THEIR BEHAVIOUR WITH DRINK, ANOTHER OUTLET; (WHICH IN MY OPINION WOULD BE A SOFT TARGET FOR THEIR DEMANDS) IN THIS AREA, WOULD BE DISASTROUS.

IT IS US, THE RESIDENTS, AND YOURSELVES WHO MUST SHOW SENSE AND RESPONSIBILITY IN THESE CASES, AND I APPEAL TO YOU TO SHOW YOUR OBJECTIONS TO THIS LICENCING, IN WHAT HAS TO BE ENTIRELY THE WRONG PLACE.

WE ALREADY HAVE A TENDENCY FOR YOUNG PEOPLE TO CONGREGATE IN THIS AREA AT NIGHT, AND THE ATTRACTION OF ALCOHOL WILL ONLY FUEL MORE UNDESIRABLE BEHAVIOUR.

Dear Sirs,

It is with very many misgivings that I learned of the application for a licence to sell alcohol at the premises known as Wilsons Stores, Westcliffe Buildings, Sea Road, Barton-on-Sea.

It is noted that the application is for the selling of alcohol only, but seven days a week and spanning the hours of 7 A.M. and 11 p.m.. I strongly object to this hideous request as I feel it would create a situation of extreme danger for the residents of Sea Road, bearing in mind the present problems encountered with the teenagers, and ages above, when given the opportunity such as this, to purchase unlimited quantities of alcohol. Our own government is at the present time thinking of ways to reduce the amount of alcohol available to the teenage population due to the serious problem this creates as we can see and hear about in today's media.

I strongly reiterate my objections to this hideous application and sincerely hope that you will refuse any such request.
Yours faithfully
