Please tick yes

- I have enclosed the premises licence
- I have enclosed the relevant part of the premises licence

If you have not ticked one of these boxes please fill in reasons for not including the licence, or part of it, below

Reasons why I have failed to enclose the premises licence or relevant part of premises licence

P Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e) (please read guidance note 9)

Strong management controls and effective training of all staff so they are aware of the licensing objectives and in particular ensure:- no underage drinking, drunkenness on the premises, drunkenness in public, use of drugs, violent and anti-social behaviour and to protect children from harm.

b) The prevention of crime and disorder

Large proportion of trade is local repeat trade, therefore depth of local knowledge and of community is an advantage when applied to reducing crime and disorder. Regular monitoring of all trade areas by trained staff. Proof of age scheme. Staff trained to refer to DPS in cases of doubt. Keep to agreed capacity limits. Will not run irresponsible drinks promotions. Site has well lit outside areas. Garden will only be able to be accessed from inside the pub. Is part of a local 'ring round' system developed to communicate potential problem customers to other Licensees via 'Pub Watch Scheme'. Actively involved with LVA and trade related meetings held in the locality. CCTV covering internal and external areas with full recordable facilities.

c) Public safety

Site has committed to ensuring that at least one member of staff/management holds a recognised 'first aid training' certificate by end of November 2005. Site has committed to having two Personal Licence Holders trained via Door Safety Scheme by end Nov 2005. Review DDA policy to ensure all reasonable steps have been taken to allow disabled customers to use premises in safety. Upkeep of emergency lighting and appropriate records kept. Upkeep of fire fighting equipment; adequate staff training and appropriate records kept. Trade within recognised capacity limits and ensure adequate levels of staff to meet expected levels of trade.

d) The prevention of public nuisance

No history of noisy mechanical equipment being sited so as to interfere with neighbours; house does some catering but ensures filters are regularly cleaned to reduce potential kitchen odours, no light pollution to neighbours. Has put fencing to side area to ensure customers entering garden can be vetted. Also prevents groups gathering in the garden after the pub has closed. Does not use external speakers. Site is regularly monitored particularly garden to ensure no instances of excessive noise or unruly behaviour. Door staff and management politely remind customers to leave premises with due consideration to neighbourhood. Ensures deliveries and service providers (e.g. refuse) are at such an hour as not to cause nuisance to neighbours.

e) The protection of children from harm

House does not actively encourage children but as a community local will tolerate children to be in the lounge bar and garden as long as accompanied by responsible adults and remain seated away from the bar. Would expect to be off the premises by 21:00, earlier if its an evening with entertainment. House employs a policy of 'zero tolerance' in terms of under age drinking. Without locally approved ID schemes, apparent attempts of underage drinking will be refused. This policy is enforced through staff training and use of competent door staff.

Annex 1 - Mandatory Conditions

Where licence authorises supply of alcohol:

- (1) No supply of alcohol may be made under the premises licence:
 - (a) at a time when there is no designated premises supervisor in respect of the premises licence, or
 - (b) at a time when the designated premises supervisor does not hold a personal licence or his personal licence is suspended.
- (2) Every supply of alcohol under the premises licence must be made or authorised by a person who holds a personal licence.

Where licence authorises door supervision:

- (1) Each individual at the premises to carry out a security activity must be licensed by the Security Industry Authority.
- (2) But nothing in subsection (1) requires this condition to be imposed:
 - (a) in respect of premises within paragraph 8(3)(a) of Schedule 2 to the Private Security Industry Act 2001 (c.12) (premises with premises licences authorising plays or films), or
 - (b) in respect of premises in relation to-
 - (i) any occasion mentioned in paragraph 8(3)(b) or (c) of that Schedule (premises being used exclusively by club with club premises certificate, under a temporary event notice authorising plays or films or under a gaming licence), or
 - (ii) any occasion within paragraph 8(3)(d) of that Schedule (occasions prescribed by regulations under that Act).
- (3) For the purposes of this section:
 - (a) "security activity" means an activity to which paragraph 2(1)(a) of that Schedule applies, and
 - (b) paragraph 8(5) of that Schedule (interpretation of references to an occasion) applies as it applies in relation to paragraph 8 of that Schedule.

Annex 2 - Conditions consistent with the Operating Schedule

Conditions subject to which your previous licence(s)/certificate(s) has/have been granted:

a) General – all four licensing objectives (b,c,d,e)

b) The prevention of crime and disorder

c) Public Safety

The number of persons admitted at any entertainment shall not exceed:

Game Room Bar & Public Bar Combined - 100

d) The prevention of public nuisance

e) The protection of children from harm

P) Proposals by the applicant in order to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

Strong management controls and effective training of all staff so they are aware of the licensing objectives and in particular ensure:
No underage drinking, drunkenness on the premises, drunkenness in public, use of drugs, violent and anti-social behaviour and to protect children from harm.

b) The prevention of crime and disorder

Large proportion of trade is local repeat trade, therefore depth of local knowledge and of community is an advantage when applied to reducing crime and disorder. Regular monitoring of all trade areas by trained staff. Proof of age scheme. Staff trained to refer to DPS in cases of doubt. Keep to agreed capacity limits. Will not run irresponsible drinks promotions. Site has well lit outside areas. Garden will only be able to be accessed from inside the pub. Is part of a local 'ring round' system developed to communicate potential problem customers to other licensees via 'Pub Watch' Scheme. Actively involved with LVA and trade meetings held in the locality. CCTV covering internal and external areas with full recordable facilities.

c) Public Safety

Site has committed to ensuring that at least one member of staff/management holds a recognised 'first aid training' certificate by end of November 2005. Site has committed to having two Personal Licence holders trained via Door Safety Scheme by end November 2005. Review DDA policy to ensure all reasonable steps have been taken to allow disabled customers to use premises in safety. Upkeep of emergency lighting and appropriate records kept. Upkeep of fire fighting equipment; adequate staff training and appropriate records kept. Trade within recognised capacity limits and ensure adequate levels of staff to meet expected levels of trade.

d) The prevention of public nuisance

No history of noisy mechanical equipment being sited so as to interfere with neighbours; house does some catering but ensures filters are regularly cleaned to reduce potential kitchen odours, no light pollution to neighbours. Has put fencing to side area to ensure customers entering garden to be vetted. Also prevents groups gathering in the garden after the pub has closed. Does not use external speakers. Site is regularly monitored particularly garden to ensure no instances of excessive noise or unruly behaviour. Door staff and management politely remind customers to leave premises with due consideration to neighbourhood. Ensures deliveries and service providers (e.g. refuse) are at such an hour as not to cause nuisance to neighbours.

e) The protection of children from harm

House does not actively encourage children but as a community local will tolerate children to be in the lounge bar and garden as long as accompanied by responsible adults and remain seated away from the bar. Would expect to be off the premises by 2100hrs, earlier if its an evening with entertainment. House employs a policy of 'zero tolerance' in terms of under age drinking. Without locally approved ID schemes, apparent attempts of underage drinking will be refused. This policy is enforced through staff training and use of competent door staff.

Additional Conditions previously agreed with New Forest District Council Environmental Protection Service

All external doors and windows shall be kept closed, other than for access and egress, when events involving live and/or amplified music (including speech) are taking place.

Dear Sirs

Thank you for your application.

Although you include details of how you will promote the licensing objectives, we would like the following conditions to be applied, thereby avoiding a representation (objection) being made by Trading Standards. Therefore, please can you agree to the following :-

I hereby agree to amend my operating schedule as follows:-

The holder of the premises licence shall ensure that every individual who appears to be under 21 years of age seeking to purchase or be supplied with alcohol at or from the premises shall produce means of identification acceptable to the licensing authority proving that individual to be 18 years of age or older. If the person seeking alcohol is unable to produce acceptable means of identification, no sale or supply of alcohol will be made to or for that person.

All staff shall be trained to challenge every individual who appears to be under 21 years of age and to refuse service where individuals cannot produce acceptable means of identification. Such training shall be provided not less than every six months, and written records shall be kept of all training and refresher training.

A written log shall be kept of all refusals including refusals to serve alcohol, refusals of entry to the premises and ejections from the premises. The holder of the premises licence shall ensure that the refusals log is properly maintained and this shall involve, but is not limited to, nominating in writing a responsible person to check and sign it on a weekly basis.

'Challenge 21' posters shall be displayed in prominent positions at the premises.

Kind regards
Steve Lawford
