P Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e) (please read guidance note 9)

We have both lived in the area for all our lives and are well known and respected. Ian has worked as a Taxi driver at weekends so has local knowledge which will give us an advantage of who we allow to have a membership

b) The prevention of crime and disorder

Club membership with Key Fob entry
CCTV
Pub watch

c) Public safety

We shall adhere to all fire regulations and Health + Safety rules.

d) The prevention of public nuisance

CCTV
Rules for our members
Window boards at weekend nights.

e) The protection of children from harm

No children after 21:00

Subject: FW: Premise Licence - Central Bar, New Milton

Please see the below confirmation to add the following on to the premise licence for Central Bar, New Milton. Hampshire Constabulary has no objection to the granting of a premise licence.

CCTV will be installed and maintained at the premises to the satisfaction of the Licensing Authority and Police. As a minimum it will enable surveillance of both internal and external areas of the premises including all entrances and exits. Recordings from the system will be to a standard acceptable as evidence in a court of law and will be securely retained for a minimum of 30 days. The recording will be surrendered in a playable format to Hampshire Constabulary immediately on request.

The Designated Premises Supervisor must be a "active" member of the local Pub watch scheme, where there is one in situ. For sake of clarity this will entail regular attendance at meetings by the Designated Premises Supervisor or nominated deputy. The management will fully support and enforce any banning orders or similar arrangements agreed by the pub watch scheme.

✓ The holder of the premises licence shall ensure that every individual who appears to be under 25 years of age seeking to purchase or be supplied with alcohol at or from the premises shall produce means of identification acceptable to the licensing authority proving that individual to be 18 years of age or older. If the person seeking alcohol is unable to produce acceptable means of identification, no sale or supply of alcohol will be made to or for that person.

✗ All staff shall be trained to challenge every individual who appears to be under 25 years of age and to refuse service where individuals cannot produce acceptable means of identification. Such training shall be provided not less than every six months, and written records shall be kept of all training and refresher training.

A written log shall be kept of all refusals including refusals to serve alcohol, refusals of entry to the premises and ejections from the premises. The holder of the premises licence shall ensure that the refusals log is properly maintained and this shall involve, but is not limited to, nominating in writing a responsible person to check and sign it on a weekly basis.

'Challenge 25' posters shall be displayed in prominent positions at the premises.

Subject: Premise Licence Application

Dear Sirs

We feel that the application does not sufficiently address the licensing objective, The Protection of Children from Harm, Section P (e)

However the following conditions will satisfy our concerns.

If you agree to this please forward this and your agreement to : licensing@nfdc.gov.uk and to myself.

The holder of the premises licence shall ensure that every individual who appears to be under 21 years of age seeking to purchase or be supplied with alcohol at or from the premises shall produce means of identification acceptable to the licensing authority - passport, photo driving licence or PASS accredited photo ID - proving that individual to be 18 years of age or older. If the person seeking alcohol is unable to produce acceptable means of identification, no sale or supply of alcohol will be made to or for that person.

All staff shall be trained to challenge every individual who appears to be under 21 years of age and to

refuse service where individuals cannot produce acceptable means of identification. Such training shall be provided not less than every six months, and written records shall be kept of all training and refresher training.

'Challenge 21' posters shall be displayed in prominent positions at the premises.

I look forward to hearing from you.

Kind regards

Steve Lawford

Subject: Application for Supply of alcohol and regular entertainment - 50 - 52 Station Road, New Milton, Hants

Dear Sir or Madam

We are writing to object to the above application due to the problems it would cause and has done in the past to many residents who live close by.

Noise of music levels had to be monitored by Environmental Health. The problem became very serious, causing alot of stress and anxiety all around.

Parkview and the immediate area is a residential/family area with young children and elderly residing. Children and parents who have to get up early for school and work.

We have had in the past, problems with drug dealing/taking, drunken behaviour, people urinating/vomiting and having sex in the alleyway and at the back of the club. Cars going backwards and forwards - screeching all day and night, parking infront of our dwellings. Noise from drinkers all day and late at night, especially at kicking out time.

There has been general vandalism in the town and shop windows smashed - on a regular basis, due to abuse of alcohol in the club.

It was a huge relief when the club closed down and since then we have all been able to lead a normal life (peaceful), where before it was totally misery for us all.

Also, to grant this application would put a tremendous strain on our already, overworked New Milton policeforce, as it was the case in the past.

Of course we are aware, that the licence is being applied for by new owners/management, but the purposes are the same and no doubt, the clientele.

We have it on good authority that the applicant wishes to use the roof as an open space for drinkers and smokers.

We feel that this would be totally inappropriate from a noise point of view and privacy, for the houses directly opposite the club. Also, the alleyway is used for access to the houses at the back. Walkers (elderly and young children) and drivers would be most vulnerable to beer bottles, glasses and lit cigarettes etc, either being dropped or thrown over the top and would present a serious health and safety hazard.

We are horrified to learn of this application and hope that the council would give **very careful consideration** to the problems and consequences that we all fear and dread will arise if the application is passed.

Please acknowledge the receipt of this email as soon as possible, thank you.

backwards and forwards - screeching all day and night, parking in front of our dwellings, not to mention the exposure of our own vehicles, parked legally in our own parking spots, to damage from people drunkenly driving in or out of our parking area at the rear of the property and the noise from drinkers all day and late at night, especially at closing time.

These points would show that the issue of public nuisance is a serious concern - as well as the protection of children from harm as they would be exposed to dreadful behaviour, as well as the very obvious stress in their homes as a direct result of the 'goings on' at this bar.

There has been general vandalism in the town and shop windows smashed - on a regular basis, due to abuse of alcohol in the club - this will all start again if this bar opens, hence crime and disorder would not be prevented.

It was a huge relief when the club closed down and since then we have all been able to lead a normal life (peaceful), where before it was total misery for us all.

Also, to grant this application would put a tremendous strain on our already overworked New Milton police force, as was the case in the past.

You are aware that the opening of this bar will completely erode the remaining value of our homes and it will be impossible to even market them for sale. I think this is a very important point even though it does not 'count' as a valid objection.

Dear Sir or Madam

We are writing to object to the above application due to the problems it would cause and has done in the past to the many residents who live close by. There

was a snooker club here before.

Noise of music levels had to be monitored by Environmental Health. The problem became very serious, causing a lot of stress and anxiety all around.

Parkview and the immediate area is a residential/family area with young children and elderly residents. Also children and parents who have to get up early for school and work.

Of course we are aware, that the licence is being applied for by new owners/management, but the purposes are the same and no doubt, the clientele.

We have it on good authority that the applicant wishes to use the roof as an open space for drinkers and smokers. We feel that this would be totally inappropriate from a noise

point of view and privacy for the houses directly opposite the club. Also, the alleyway is used for access to the houses at the back. Walkers (elderly and young children) and drivers would be most vulnerable to beer bottles, glasses and lit cigarettes etc, either being dropped or thrown over the top and would present a serious health and public safety hazard.

You are aware that the opening of this bar will completely erode the remaining value of our homes and it will be impossible to even market them for sale - I would have liked to put mine up for sale in the near future and I know this will be impossible if this application is approved. I think this is a very important point even though it does not 'count' as a valid objection.

And finally I would like to add that an establishment such as this should never be allowed where it

overlooks and affects the quality of life in a residential area.

~~16, Parkview Mews,
New Milton,
Hants.~~

I am writing to object to the application for a bar and music licence for no. 50-52, Station Road, New Milton, Hants.

My property, 6, Parkview Mews, Station Road, is situated at the back of the property in question and for many years there have been problems with parking issues and abuse to local residents from customers of what was the snooker club (50-52, Station Road).

If this application is successful, I fear that the problems we have had to endure in the past will start all over again. For this reason I think it would be totally unacceptable, in a residential area, for this proposed licence to be granted.

Yours sincerely.

Mr R E Graves.

Dear Sir or Madam

Supply of alcohol and for regular entertainment. Application for Licensing 50/52 Station Road
New Milton, Hants

We are writing to object to the above application due to the problems it would cause and has done in the past to many residents who live close by.

Noise of music levels had to be monitored by Environmental Health. The problem became very serious, causing a lot of stress and anxiety all around.

Parkview and the immediate area is a residential/family area with young children and elderly residing. Children and parents who have to get up early for school and work.

We have had in the past, problems with drug dealing/taking, drunken behaviour, people urinating/vomiting and having sex in the alleyway and at the back of the club. Cars going backwards and forwards - screeching all day and night, parking in front of our dwellings. Noise from drinkers all day and late at night, especially at kicking out time.

There has been general vandalism in the town and shop windows smashed - on a regular basis, due to abuse of alcohol in the club.

It was a huge relief when the club closed down and since then we have all been able to lead a normal life (peaceful), where before it was totally misery for us all.

Also, to grant this application would put a tremendous strain on our already, overworked New Milton police force, as it was the case in the past.

Of course we are aware, that the licence is being applied for by new owners/management, but the purposes are the same and no doubt, the clientele.

We have it on good authority that the applicant wishes to use the roof as an open space for drinkers and smokers.

We feel that this would be totally inappropriate from a noise point of view and privacy, for the houses directly opposite the club. Also, the alleyway is used for access to the houses at the back. Walkers (elderly and young children) and drivers would be most vulnerable to beer bottles, glasses and lit cigarettes etc, either being dropped or thrown over the top and would present a serious health and safety hazard.

We are horrified to learn of this application and hope that the council would give very careful consideration to the problems and consequences that we all fear and dread will arise if the application is passed.

Please acknowledge the receipt of this email as soon as possible, thank you.

Yours faithfully

P.S. The above e-mail was sent to you last night (8.4.10). Please accept a copy of this e-mail as my objection also to the Licensing Application since I had only just become aware of the Notice pinned on the door of the hall. I would particularly draw your attention to the proposed situation with the roof terrace and the health and safety problems in connection with this.

I am a 15 year old student and studying for my GCSEs (next year). I am hoping the club will not open due to the fact of the noise factor (music late at night) and cars / people leaving at night. When the snooker hall was open, I couldn't sleep as the music was so loud and also the people coming from it were. I went to school tired at times. Also, walking down the alley, groups were very intimidating. I couldn't have my window open at night. It would be a shame to open the snooker hall again.

Paul,

Further to our phone discussion.

I think you will already have a copy of this note, but I would like to record my strong objection to the granting of this licence on the grounds detailed by the local residents.

There are know Crime & Disorder implications in New Milton, as can be seen by the recent licensing refusal of a nearby shop. Public safety, especially residents, will be compromised as will various Health & safety aspects.

Please keep me informed of developments

Re: Application for Supply of alcohol and regular entertainment – 50-52 Station Road, New Milton, Hants

Dear Sir or Madam

I am writing to object to the above application due to the problems it would cause, as it has done in the past, to many residents who live close by.

Noise of music levels had to be monitored by Environmental Health because the problem had become so serious and was causing a lot of stress and anxiety all around.

Parkview and the immediate area is a residential/family area, with young children and elderly residents, as well as people who have to get up early to go to work every day and parents who have to take their children to school.

In the past there have been problems with drug dealing/taking, drunken behaviour, people urinating, vomiting and having sex in the alleyway and at the back of the club. Cars were coming and going, screeching tyres at all times of the day and night, and also parking in front of my house and garage. There is usually a lot of noise from drinkers, all day and at night, but especially at closing time.

There has been general vandalism in the town and shop windows smashed on a regular basis due to the abuse of alcohol in the club.

Also, to grant this application would put a tremendous strain on our already overworked New Milton Police force, as was the case in the past.

It was a huge relief when the club closed down and since then we have all been able to lead a normal life whereas it had previously been total misery for us all.

Of course, we are aware that the licence is being applied for by new owners/management but the purposes are the same and, no doubt, the clientele.

The residents have it on good authority that the applicant wishes to use the roof as an open space for drinkers and smokers. I feel that this would be totally inappropriate from a noise point of view, and for privacy, as the club's windows are on the same level as the first floor of the houses directly.

The roadway is used for access to the houses at the back. Walkers (elderly and young children) and drivers would be most vulnerable to beer bottles, glasses and lit cigarettes, etc, either being dropped or thrown from the roof and this would present a serious health and safety hazard. Vehicles, of course, would also be damaged.

I was horrified to learn of this application and hope that the council will give **very careful consideration** to the problems and consequences that we all fear will arise if the application is allowed.

Please acknowledge the receipt of this letter as soon as possible - thank you.

Yours faithfully

Malcolm Bailey
