

LICENSING SUB COMMITTEE – 16 JANUARY 2012

APPLICATION FOR RENEWAL OF A COMBINED HACKNEY CARRIAGE AND PRIVATE HIRE VEHICLE DRIVER'S LICENCE

1. INTRODUCTION

- 1.1 Mr Karl De Grey is the holder of combined hackney carriage and private hire driver's licence number 3679. He lives at 19 Brownsea Close, New Milton, BH25 5UG.
- 1.2 As part of the renewal process a personal records check with the Criminal Records Bureau (CRB) is required. The application is being referred to the Sub-Committee because the personal records disclosure for Mr De Grey confirms a recent relevant criminal offence.
- 1.3 The Sub-Committee is invited to consider the renewal application and to determine if Mr De Grey remains a fit and proper person to be licensed as a hackney carriage and private hire vehicle driver with this authority.

2. BACKGROUND

- # 2.1 Mr De Grey was initially issued with a taxi drivers' licence on 17 November 2010. His renewal application form is attached as **Appendix 1**.
- # 2.2 Mr De Grey has provided the details of the relevant conviction to the licensing office. This letter is attached as **Appendix 2**.
- 2.3 Mr De Grey holds an appropriate DVLA driving licence which has been inspected by Licensing Services.
- # 2.4 The Criminal Records Bureau disclosure confirms a conviction on 07 October 2011 for 'Assault A Constable' on 26 May 2011 (Police Act 1996 S.89 (1)). The sentence for which was 120 hours Community Order, £150 Compensation and £620 Costs. The Council's own guidelines relating to the relevance of convictions is stated in section 3 and is also attached as **Appendix 3**.
- # 2.5 There are other matters in relation to Mr De Grey's application which the Licensing Sub-Committee may wish to consider. These will be made available at the hearing if deemed appropriate.

3. POLICY CONSIDERATION

- 3.1 Each case will be decided on its own merits. A person with a current conviction for serious crime need not be permanently barred from obtaining a licence but the Council's guidelines suggest that they would normally be expected to remain free of conviction for 3 to 5 years, according to the circumstances, before an application is entertained. Some discretion may be appropriate if the offence is isolated and there are mitigating circumstances. However, the overriding consideration will be the protection of the public. The following is an extract from the NFDC guidelines relating to the relevance of convictions for violent offences.

3.2 As hackney carriage and private hire vehicle drivers maintain close contact with the public, a firm line will be taken with applicants who have convictions for grievous bodily harm, wounding or assault. At least 3 years free of such convictions should be shown before an application is entertained and even then a strict warning will be administered.

4. FINANCIAL IMPLICATIONS

4.1 There are no financial implications to consider.

5. ENVIRONMENTAL IMPLICATIONS

5.1 There are no environmental factors to consider.

6. CRIME AND DISORDER IMPLICATIONS

6.1 The Council has a duty to ensure that only 'fit and proper' persons are licensed as hackney carriage and private hire vehicle drivers in order to protect fare paying passengers from being the victim of any crime instigated by the vehicle's driver.

7. EQUALITY AND DIVERSITY IMPLICATIONS

7.1 There are no equality and diversity implications arising from this report.

8. CONCLUSION

8.1 All applicants for hackney carriage and private hire drivers' licences are required to apply to the Criminal Records Bureau for a disclosure of criminal history. Where matters of concern are disclosed, including both 'spent' and 'unspent' convictions, a Licensing Sub-Committee will determine the application.

8.2 The Council is entitled to take into account the information disclosed to determine whether the applicant remains a suitable person to hold a licence. The relevant legislation states that the Council shall be satisfied that the applicant is a 'fit and proper' person to hold a licence.

8.3 Mr De Grey has been invited to attend this Licensing Sub-Committee and has been informed that he is entitled to be represented.

8.4 The applicant has a right of appeal to the Magistrates Court if the application is rejected.

9. RECOMMENDATIONS

9.1 That after considering all the evidence before the Licensing Sub-Committee the application for the licence is determined in accordance with the Town Police Clauses Act 1847 and the Local Government (Miscellaneous Provisions) Act 1976.

Attention Paul Weston.
Licensed Driver Number. 3679

Dear Paul,

Following my recent telephone conversation with Pauline, please accept the following as my written statement.

On the 7th October I was convicted of reckless assault, this was following an incident in May 2011, where the initial charge was assault PC, but was reduced by the Judge as they found that the assault was unintentional.

I would welcome a meeting where I can better explain the circumstances of this conviction and hope that it will cause no real detriment to my continued employment as a Taxi Driver.

Please feel free to contact me at your convenience.

Yours Sincerely,

Karl Steven De Grey

NEW FOREST DISTRICT COUNCIL GUIDELINES RELATING TO THE RELEVANCE OF CONVICTIONS

Each case will be decided on its own merits. A person with a current conviction for serious crime need not be permanently barred from obtaining a licence but will be expected to remain free of conviction for 3 to 5 years, according to the circumstances, before an application is entertained. Some discretion may be appropriate if the offence is isolated and there are mitigating circumstances. However, the overriding consideration will be the protection of the public. The following is a general guide where convictions are admitted.

(a) **Minor Traffic Offences**

Convictions for minor traffic offences, eg. obstruction, waiting in a restricted street, speeding etc., should not prevent a person from proceeding with an application. If sufficient points have been accrued to require a period of disqualification of the applicant's driving licence then a hackney carriage or PHV licence may be granted after its restoration but a warning will be issued as to future conduct.

(b) **Major Traffic Offences**

An isolated conviction for reckless driving without due care and attention etc., will normally merit a warning as to future driving and advice on the standard expected of hackney carriage and PHV drivers. More than one conviction for this type of offence within the last two years will merit refusal and no further application will be considered until a period of 1 to 3 years free from convictions has elapsed.

(c) **Drunkenness/Intoxication/Alcohol Abuse**

A serious view will be taken of convictions of driving a motor vehicle with excess alcohol or being in charge of a vehicle with excess alcohol or failing to provide a specimen of blood, breath or urine as required.

An applicant shall not normally be granted a licence if the applicant has been convicted of an offence of driving with excess alcohol or failing to provide a specimen of blood, breath or urine as required, unless three years have elapsed since the restoration to him/her of a full United Kingdom driving licence.

In the event of a conviction of being in charge of motor vehicle with excess alcohol:-

- (i) When the applicant has been disqualified for any period, an application shall not normally be granted until at least three years have elapsed from the restoration to him/her of a full United Kingdom driving licence;
- (ii) Alternatively, whether or not an applicant has been disqualified, a period of three years from the restoration to him/her of a full United Kingdom driving licence or from the date of conviction whichever is the greater, should normally elapse before an application may be granted.

Any alcohol related conviction may be deemed prima facie evidence of an alcohol problem and the Licensing Committee may require the applicant to provide medical or other evidence to enable the determination of whether or not it is appropriate to issue a licence.

If a Hackney Carriage or Private Hire Driver is convicted of an alcohol related offence, the Licensing Committee may suspend the Licensee and require the Licence Holder to provide medical or other evidence to enable the Committee to determine whether or not it is appropriate to restore the licence.

(NOTE: Applicants who have been medically diagnosed as having an alcohol related problem cannot ordinarily expect to be licensed without medical evidence supporting their fitness)

(d) Drugs

A serious view will be taken of convictions of driving a motor vehicle while under the influence of drugs. In the event of a conviction of being in charge of a motor vehicle while under the influence of drugs an applicant should be able to show a period of at least three years free from convictions before an application is granted.

Any drug related conviction may be deemed prima facie evidence of a drug problem and the Committee may require the applicant to provide medical or other evidence to enable the determination of whether or not it is appropriate to issue a licence.

(NOTE: Applicants who have been medically diagnosed as addicts cannot ordinarily expect to be licensed within five years of completion of treatment).

(e) Indecency Offences

As hackney carriage and PHV drivers often carry unaccompanied passengers, applicants with convictions for indecent exposure, indecent assault, importuning, any of the more serious sexual offences, will be refused until they can show a substantial period (at least 3 to 5 years) free of such offences. More than one conviction of this kind will preclude consideration for at least 5 years. In either case if a licence is granted a strict warning as to future conduct will be issued.

(f) Violence

As hackney carriage and PHV drivers maintain close contact with the public, a firm line will be taken with applicants who have convictions for grievous bodily harm, wounding or assault. At least 3 years free of such convictions should be shown before an application is entertained and even then a strict warning will be administered.

(g) Dishonesty

Hackney carriage and PHV drivers are expected to be persons of trust. The widespread practice of delivering unaccompanied property is indicative of the trust that business people place in drivers. Moreover, it is comparatively easy for a dishonest driver to defraud the public by demanding more than the legal fare etc. Overseas visitors can be confused by the change in currency and become "fair game" for an unscrupulous driver. For these reasons a serious view will be taken of any conviction involving dishonesty. In general, a period of 3 to 5 years free of conviction will be required before entertaining an application.
