PROCEDURE AND GUIDANCE FOR MEMBER APPEAL PANEL

1. THE APPEALS PANEL

- 1.1** The Appeals Committee has been set up to hear appeals or objections against decision of the Executive, Committees and officers. This includes decisions on employment related issues, including on disciplinary, capability, sickness and redundancy.
- 1.2** A Panel of up to 5 members will be appointed to hear the appeal. They will be drawn from the membership of the Appeals Committee. The Panel members will usually be appointed in accordance with the political proportionality of the Council. Members will not be selected if they have already taken part in the original decision that is the source of the appeal, or where it may create any other duplication of interests.

2. ARRANGEMENTS FOR THE HEARING

- 2.1** The hearing must be held within a reasonable time of an appeal being lodged, in writing, with Personnel Services. The letter lodging the appeal must specify all the grounds of the appeal and it will not be possible to progress the arrangements for the hearing until this has been received. The hearing will normally be held within 28 days of formal notification of appeal being received. The date for the hearing will be agreed with the appellant, any representatives they wish to have present, the management representative(s) and the Head of Human Resources.
- 2.2** Meetings will normally be held in one of the Committee Rooms at Appletree Court, Lyndhurst or the Town Hall, Lymington.
- 2.3** All parties will be given as much notice as possible of the date – but such matters are often urgent, and therefore time-scales may be limited. Dates will always be mutually agreed to protect the interests of all parties.

3. AGENDA FOR THE MEETING

- 3.1** The agenda will be sent out 6 working days before the meeting, or a shorter time-scale where agreed by all parties. There will be a brief report for the members hearing the appeal which will be prepared on behalf of the independent advisor to the Panel. This report will set out the background information and relevant policies. Both the appellant and relevant Service will be invited to submit written submissions 10 working days before the meeting. At the same time, a list of the witnesses to be called by both the appellant and the management representative should also be prepared and a copy given to the Committee Administrator for circulation with the agenda.
- 3.2** Guidance on the format of the evidence submission by both the appellant and the management is attached as an Appendix.
- 3.3** The agenda and supporting papers will be sent to the elected members hearing the appeal, the appellant and their representatives, the management representative, the Head of Human Resources, and any independent advisor to the Panel. The appellant's and management's cases should be as complete as possible to make sure that the members of the Appeals Panel have all relevant information from the outset.

- 3.3 Neither party will be able to submit documents at the hearing that have not been previously produced and circulated.
- 3.4 The supporting papers are strictly confidential, and all parties are requested to respect this.

4. THE APPEAL HEARING

- 4.1 The procedure at the hearing follows the custom and practice for all quasi-judicial appeals that the Council may hold. The process has been designed to give both parties a fair and equal chance to make their case, and to question the evidence put forward by the other party. The Human Rights Act 1998 requires that the appellant is entitled to a free and fair hearing, by an independent tribunal. This procedure is designed to protect that right. A copy of this procedure will be sent to everyone taking part in the appeal.
- 4.2 The Members hearing the appeal will be advised by the Head of Human Resources or his or her representative. A Committee Administrator will also be present. Additional legal advisors will be arranged if it is thought necessary. All of these officers will not have been involved in any way in the decision that is the subject of the Appeal. If the Head of Human Resources has been involved in the decision an alternative independent advisor will be brought in to advise on employment law and practices. This alternative independent adviser may be commissioned from an outside organisation, for example, the South East Employers' Organisation. The role of these officers is to provide a source of independent advice to the Members taking the decision, including New Forest District Council's procedures and external codes of practice.
- 4.3 Suggested room set up:

5. PROCEDURE

- 5.1 The Panel will select a Chairman from among their number.
- 5.2 The Chairman will ensure that there are no personal and prejudicial interests that must be declared.
- 5.3 The press and public will be formally excluded from the meeting.
- 5.4 The Chairman will introduce all those present.
- 5.5 The Panel, Appellant and their representatives, management and their representatives may be present throughout. Witnesses will be called into the

meeting as necessary.

6. THE FORMAT FOR THE HEARING

6.4.3 The Chairman will declare that the hearing of representations is closed. No further representations may then be heard.

- 6.4.4 The appellant, their representatives and witnesses, the management representative, their advisers and witnesses will be asked to leave the meeting.

6.5 The Decision

- 6.5.1 The Panel will make its decision on the basis of the factual information in its possession when the hearing is closed, and no additional information will be sought. The Panel may however receive legal and procedural advice, if they request it.
- 6.5.2 The Panel will normally reach a decision following their debate on the evidence, which is held after the closure of the hearing. In which case the Panel will call all parties back into the room to hear the decision once made. The Panel may however decide to adjourn their debate, for reflection or to seek further advice. In which case the appellant and management sides will be advised of this course of action and then sent notice of the decision as soon as possible. In any event the decision will be sent in writing to the appellant and to the Service as no later than 5 clear working days after the hearing.
- 6.5.3 The Panel's decision is final, and there are no further avenues of appeal available within the Council.

1.0 INDEX OF DOCUMENTS

1.1 It is very useful if you start your information pack with an index sheet which lists all the documents that you are using. Please use the following format.

Employee Statement of Case	Appendix A
Job Description	Appendix B
Letter about ?? dated xxxxxxxx	Appendix C etc.

1.2 Try and achieve a logical sequence. Keeping things in date order will often help.

1.3 *Please do not include copies of any Management Advice Notes or published procedural documents. Please refer to these in the Statement of Case, but all relevant policy documents will be included in the covering report that is prepared by the Head of Human Resources to set the context of the appeal. It is important to avoid unnecessary duplication of standard documents within the same batch of papers.*

2.0 STATEMENT OF CASE.

2.1 Summary

2.1.1 This is a useful tool in organising your own thoughts and also highlighting to Members what you consider to be the key points that they should be considering in the evidence before them.

2.2 Introduction

2.2.1 The statement of case should have a clear structure and focus on the key issues that need to be taken into account. Please keep the language clear and concise. Sub-divisions, headings and paragraph numbering will all help to emphasise the structure and also aid Members in navigating through the information before them.

2.3 Chronology of events and key points raised at each stage

2.3.1 This is the meat of the submission. You need to explore each point in your case, stating what you think Members should know, and referring to evidence in support of your point of view.

2.4 Conclusions.

2.4.1 Draw together the key conclusions that you have demonstrated through the section on chronology etc.
