

NOTICE OF MEETING

Meeting: CABINET

Date and Time: WEDNESDAY, 6 MARCH 2019, AT 10.00 AM*

Place: COUNCIL CHAMBER, APPLETREE COURT,
LYNDHURST

Telephone enquiries to: Lyndhurst (023) 8028 5000
023 8028 5588 - ask for Jan Debnam
Email: jan.debnam@nfdc.gov.uk

PUBLIC PARTICIPATION:

*Members of the public may speak in accordance with the Council's public participation scheme:

- (a) immediately before the meeting starts, on items within the Cabinet's terms of reference which are not on the public agenda; and/or
 - (b) on individual items on the public agenda, when the Chairman calls that item.
- Speeches may not exceed three minutes. Anyone wishing to speak should contact the name and number shown above.

Bob Jackson
Chief Executive

Appletree Court, Lyndhurst, Hampshire. SO43 7PA

This Agenda is also available on audio tape, in Braille, large print and digital format

AGENDA

Apologies

1. MINUTES

To confirm the minutes of the meeting held on 6 February 2019 as a correct record.

2. DECLARATIONS OF INTEREST

To note any declarations of interest made by members in connection with an agenda item. The nature of the interest must also be specified.

Members are asked to discuss any possible interests with Democratic Services prior to the meeting.

3. PUBLIC PARTICIPATION

To note any issues raised during the public participation period.

4. NATIONAL WASTE STRATEGY - CONSULTATION ARRANGEMENTS

To receive a presentation on the recently published National Waste Strategy consultation arrangements and themes for the consultation. The Cabinet is asked to agree the methodology to respond as the implications for this Council could be significant. It is suggested that the Portfolio Holder for Environment and Regulatory Services appoints a Task and Finish Group for this purpose.

5. NEW FOREST DISTRICT COUNCIL AIR QUALITY PLAN (Pages 1 - 6)

To be advised that the Secretary of State has approved this Council's Final Plan for addressing air quality around Totton.

6. DELEGATION OF POWERS TO OFFICERS (Pages 7 - 84)

To update the Council's Scheme of Delegation of Powers to Officers in respect of powers that are the responsibility of the Cabinet.

To:

Councillors

Mrs D E Andrews
J E Binns
Mrs J L Cleary
M R Harris

Councillors

E J Heron (Vice-Chairman)
J D Heron
Mrs A J Hoare
B Rickman (Chairman)

NEW FOREST DISTRICT COUNCIL AIR QUALITY PLAN

1. INTRODUCTION

- 1.1 New Forest District Council was issued with a Ministerial Direction as directed under the Environment Act 1995 requiring the submission to the Secretary of State of an Initial Plan by 31 March 2018 and an Air Quality Final Plan by 31 December 2018.
- 1.2 The Initial Plan was submitted to the Secretary of State on 29 March 2018.
- 1.3 The Air Quality Final Plan which details how compliance with the EU Ambient Air Quality Directive for nitrogen dioxide as an annual mean will be delivered in the New Forest in the shortest possible time was approved by Cabinet on 18 December 2018 and submitted to the Secretary of State on 20 December 2018.

2. BACKGROUND

- 2.1 In July 2017, the Government published the UK Plan for tackling roadside nitrogen dioxide concentrations¹. The Plan used national modelling to identify a further 23 local authorities, including New Forest District Council, who were in exceedance of the annual mean nitrogen dioxide concentration ($>40\mu\text{g}\text{m}^{-3}$) in relation to the EU Ambient Air Quality Directive.
- 2.2 The UK Plan required the identified local authorities to develop local plans to detail how compliance with the EU Ambient Air Quality Directive would be delivered in the shortest possible time.
- 2.3 The national model identified an exceedance in the New Forest on a short stretch (less than 1km) of the A35 at Totton up to the boundary with Southampton City Council on the Redbridge Causeway.

3. NEW FOREST BACKGROUND

- 3.1 The exceedance identified in the New Forest is viewed as an extension of the exceedance identified on the Western Approach into Southampton City. New Forest District Council and Southampton City Council have been working closely, as part of an agreement through a Memorandum of Understanding, to develop plans to deliver nitrogen dioxide compliance in the shortest time possible in their own areas.
- 3.2 New Forest District Council is only responsible for ensuring compliance is met in its own area. Any implemented options to reduce nitrogen dioxide concentrations must not have a detrimental air quality impact on surrounding areas including neighbouring authorities.
- 3.3 Detailed and complex local air quality modelling has been undertaken to determine local nitrogen dioxide roadside concentrations around Totton; A35, A326 and A36.

The local model predicts concentrations in subsequent years up to 2020 when compliance with the EU Ambient Air Quality Directive is expected.

- 3.4 The Final Plan which was submitted to the Secretary of State was developed in accordance with Government guidance and in consultation with the Joint Air Quality Unit (a body comprising of the Department of the Environment, Food and Rural Affairs and the Department of Transport). The Final Plan contained evidence of the work completed and conclusions reached.
- 3.5 New Forest District Council has engaged with stakeholders throughout the development of the Final Plan, including Hampshire County Council, Totton and Eling Town Council, Members, local businesses and residents.
- 3.6 New Forest District Council's preferred option identified within its Final Plan is to continue with a **business as usual scenario**. This approach was approved by the Cabinet on 18 December 2018.

4. RESPONSE TO NEW FOREST DISTRICT COUNCIL'S FINAL PLAN.

- 4.1 On 21 February 2019 the Council received confirmation from Dr Therese Coffey MP that the Air Quality Final Plan has been approved. Attached as Appendix 1 to this report is a copy of the letter.

5. FINANCIAL IMPLICATIONS

- 5.1 There are no direct financial implications from adopting this Final Plan.

6. CRIME & DISORDER IMPLICATIONS

- 6.1 There are none.

7. ENVIRONMENTAL IMPLICATIONS

- 7.1 Any implications are addressed in the Final Plan.

8. EQUALITY & DIVERSITY IMPLICATIONS

- 8.1 There are none.

9. PORTFOLIO HOLDER'S COMMENTS

- 9.1 For our environment and our health there are few things more important than the air we breathe. I am so pleased all of our hard work has been recognised by Government by the approval of our Final Plan. I see this Plan approval, not as the end point with the achievement of meeting compliance with the European Air Quality directive in the shortest time possible but as the beginning.

As stated in our Final Plan we will continue to work to maintain and improve air quality throughout the New Forest District and take the opportunity to work with neighbouring authorities in relation to air quality for the benefit of our residents.

I wish to thank Rachel Higgins and Joanne McClay for their dedication and commitment throughout the last year to complete the Final Plan and its approval.

10. RECOMMENDED:

- 10.1 That the approval of the Air Quality Final Plan for New Forest District Council be noted; and.
- 10.2 That the Portfolio Holder for Environment and Regulatory Service continues to work on improving air quality throughout the New Forest District and to take opportunities to work with neighbouring authorities.

Cllr Barry Rickman
Leader of the Council
New Forest District Council
Appletree Court
Beaulieu Road
Lyndhurst
SO43 7PA

21 February 2019

Dear Mr Rickman,

New Forest District Council local NO₂ plan

In July 2017, New Forest District Council were directed to conduct a feasibility study and submit by 31 December 2018 a final plan for delivering compliance with legal limits for nitrogen dioxide in the shortest possible time.

Following internal and external review of the evidence submitted as part of the feasibility study and resulting final plan, I am pleased to confirm our agreement with your view that New Forest District Council will comply with the legal limits for nitrogen dioxide in 2019 and no implementation of measures could bring compliance forward.

No further action is required from New Forest District Council in respect of the direction. However, I would like to remind you of your duty to review and assess local air quality in accordance with the Local Air Quality Management guidance issued under the Environment Act 1995.

I understand you will be continuing your close working relationship with Southampton City Council with regards to addressing air quality in the local area. I would like to thank you for the positive way in which New Forest District Council responded to the direction and the feasibility study.

Yours sincerely,

DR THERESE COFFEY

CABINET - 6 MARCH 2019

SCHEME OF DELEGATION OF POWERS TO OFFICERS

1.0 INTRODUCTION

- 1.1 The Council operates an extensive scheme of delegation of powers to officers in order ensure that the organisation can operate efficiently and effectively. It is necessary to update the current scheme of delegations.
- 1.2 A recent review of the scheme has identified some changes that need to be made to reflect changes to staffing structures and job titles. In addition, some adjustments have been identified to reflect current working practices. The proposed amended delegations are set out as Appendix 1 to this report.

2.0 CRIME AND DISORDER, ENVIRONMENTAL, EQUALITY AD DIVERSITY AND FINANCIAL IMPLICATIONS

- 2.1 There are none arising directly from this report. Failure to maintain an up-to-date scheme of delegation of powers would however hamper the Council's efficiency.

3.0 RECOMMENDED:

That the Scheme of Delegation of Powers to Officers be updated as shown in Appendix 1 to this report.
