A live stream will be available on YouTube to allow the press and public to view meetings in real time and can also be found at the relevant meeting page on the Council's website, with this published agenda.

Principles for all meetings

The Chairman will read out Ground Rules at the start of the meeting for the benefit of all participants. All normal procedures for meetings apply as far as practicable, as the Government Regulations do not amend any of the Council's existing Standing Orders.

The Ground Rules for all virtual meetings will include, but are not limited to, the following:-

- All participants are reminded that virtual public meetings are being broadcast live on YouTube and will be available for repeated viewing. Please be mindful of your camera and microphone setup and the images and sounds that will be broadcast on public record.
- All participants are asked to mute their microphones when not speaking to reduce feedback and background noise. Please only unmute your microphone and speak when invited to do so by the Chairman.
- Councillors in attendance that have not indicated their wish to speak in advance of the meeting can make a request to speak during the meeting by using the "raise hand" feature in Microsoft Teams. Requests will be managed by the Chairman with support from Democratic Services. Please remember to "lower hand" when you have finished speaking.
- The chat facility should not be used unless raising a point of order or providing the wording for a motion.
- All participants are asked to refer to the report number and page number within the agenda and reports pack so that there is a clear understanding of what is being discussed at all times.

Voting

When voting is required on a particular item, each councillor on the committee will be called to vote in turn by name, expressing their vote verbally. The outcome will be announced to the meeting. A recorded vote will not be reflected in the minutes of the meeting unless this is requested in accordance with the Council's Standing Orders.

By casting their vote, councillors do so in the acknowledgement that they were present for the duration of the item in question.

Technology

If individuals experience technical issues, the meeting will continue providing that it is quorate and it is still practical to do so. The Chairman will adjourn the meeting if technical issues cause the meeting to be inquorate, the live stream technology fails, or continuing is not practical.

Public Participation

Contact details to register to speak in accordance with the Council's Public Participation Procedures are on the front page of this agenda.

In order to speak at a virtual meeting, you must have the facility to join a Microsoft Teams Meeting. Joining instructions will be sent to registered speakers in advance of the meeting.

The Council will accept a written copy of a statement from registered speakers that do not wish to join a Microsoft Teams Meeting, or are unable to.
