

# **NOTICE OF MEETING**

Meeting: CABINET

Date and Time: WEDNESDAY, 6 NOVEMBER 2024, AT 10.00 AM

Place: COUNCIL CHAMBER - APPLETREE COURT, BEAULIEU

**ROAD, LYNDHURST, SO43 7PA** 

Enquiries to: democratic@nfdc.gov.uk

Tel: 023 8028 5982 - Joe Tyler joe.tyler@nfdc.gov.uk

#### **PUBLIC INFORMATION:**

This agenda can be viewed online (<a href="https://democracy.newforest.gov.uk">https://democracy.newforest.gov.uk</a>). It can also be made available on audio tape, in Braille and large print.

Members of the public are welcome to attend this meeting. The seating capacity of our Council Chamber public gallery is limited under fire regulations to 22.

Members of the public can watch this meeting live, or the subsequent recording, on the <u>Council's website</u>. Live-streaming and recording of meetings is not a statutory requirement and whilst every endeavour will be made to broadcast our meetings, this cannot be guaranteed. Recordings remain available to view for a minimum of 12 months.

#### **PUBLIC PARTICIPATION:**

Members of the public may speak in accordance with the Council's <u>public</u> participation scheme:

- (a) on items within the Cabinet's terms of reference which are not on the public agenda; and/or
- (b) on individual items on the public agenda, when the Chairman calls that item. Speeches may not exceed three minutes.

Anyone wishing to attend the meeting, or speak in accordance with the Council's public participation scheme, should contact the name and number shown above no later than 12.00 noon on Friday, 1 November 2024.

Kate Ryan
Chief Executive

Appletree Court, Lyndhurst, Hampshire. SO43 7PA www.newforest.gov.uk

# **AGENDA**

## **Apologies**

## 1. MINUTES

To confirm the minutes of the meeting held on 2 October 2024 as a correct record.

## 2. DECLARATIONS OF INTEREST

To note any declarations of interest made by members in connection with an agenda item. The nature of the interest must also be specified.

Members are asked to discuss any possible interests with Democratic Services prior to the meeting.

## 3. PUBLIC PARTICIPATION

To receive any public participation in accordance with the Council's public participation scheme.

- 4. **CORPORATE PLAN KEY PERFORMANCE INDICATORS** (Pages 3 8)
- 5. FINANCIAL MONITORING REPORT (BASED ON PERFORMANCE APRIL SEPTEMBER 2024 INCLUSIVE) (Pages 9 24)

# Cabinet - 6 November 2024

# **Corporate Plan Key Performance Indicators (KPIs)**

| Purpose                       | For Decision   |
|-------------------------------|--|
| Classification                | Public   |
| Executive Summary             | Cabinet were previously presented with the list of corporate plan KPIs. An action was tasked for EMT to review the KPIs and targets. This was undertaken in August. A number of observations were raised by EMT. Feedback from services has now been incorporated into the final list of KPIs with updated targets as appropriate. The KPI list 2024-2028 is now presented for approval.                           |
| Recommendation(s)             | That Cabinet approve the KPI list 2024-2028.   |
| Reasons for recommendation(s) | Following the approval of a suite of performance documents at Cabinet, EMT were asked to consider the list of Key Performance Indicators (KPIs), baseline and targets. These KPIs form our Corporate Plan set of measures.  The KPIs require approval in order for the Q1 and Q2 results to be finalised and prepared for sharing internally before being published to Overview and Scrutiny Panels Cabinet as per |
|                               | our Performance Management Framework.  |
| Ward(s)                       | All  |
| Portfolio Holder(s)           | Councillor Jill Cleary, Leader   |
| Strategic Director(s)         | Alan Bethune, Strategic Director Corporate<br>Resources S151 and Transformation  |
| Officer Contact               | Name: Saqib Yasin Job Title: Performance and Insight Manager Telephone Number: +442380285495 Email address: saqib.yasin@nfdc.gov.uk  |

## **Introduction and background**

- 1. Following the approval of a suite of performance documents at Cabinet, EMT were asked to consider the list of Key Performance Indicators (KPIs), baseline and targets. These were presented to EMT in the summer, along with a slide deck showing how the KPIs had been formed from the Corporate Plan.
- 2. The list of KPIs were presented and a number of prompts were posed to frame a discussion:
  - Reviewing the KPI List
  - Do they meet the KPI Challenge? (a set of considerations for a good performance indicator)
  - Should targets be revised, giving attention to any benchmarking, baseline figures and service pressures?
  - Might we wish to set any RAG tolerances and agree a set of narrative guidelines for inclusion in dashboards
- 3. A number of observations were raised by EMT. With follow-up from our services, we are now able to present back the updated KPI list.

The following should be read in conjunction with the KPI list 2024 / 28 referenced in **Appendix 1**.

There were a number of formatting and consistency issues highlighted which have now been resolved. This includes presenting survey results in a consistent format (% top scores).

Additionally, a number of targets were updated to reflect a new and challenging target profile, including tenant overall satisfaction, Appletree Careline customers and waste and recycling measures. Some of the measures were also changed from snapshot to cumulative to illustrate the incrementing nature of some of the KPIs (to year-end targets).

All matters are now resolved, and this report seeks approval from Cabinet for the KPI list 2024 / 28.

## **Next steps**

4. Results against these KPIs are now being collated and will be presented to the relevant Overview and Scrutiny Panels, with the results over Q1 and Q2 this year, to follow the approval of the KPIs.

## Corporate plan priorities

5. The KPIs are directly linked to the Corporate Plan priorities as outlined in the appendix.

## **Options appraisal**

6. The recommendation that Cabinet approve the KPI list 2024 / 28 has been made following extensive work and consideration of alternative KPIs and targets beginning with the development of the Corporate Plan 2024 / 28.

#### **Consultation undertaken**

7. The performance team have worked closely with data owners, responsible service managers and strategic directors to form the KPI list 2024 / 28, including identify KPIs which align with corporate plan objectives, consideration of baseline and benchmarking data (where applicable) and the setting of SMART targets.

## Financial and resource implications

8. There are no financial or resource implications arising from this report.

## **Legal implications**

9. There are no legal implications arising from this report.

## Risk assessment

10. There is a risk that while the KPIs are not fully resolved, we cannot demonstrate accountability against the commitments set out in the Corporate Plan or publish performance results.

## **Environmental / Climate and nature implications**

11. There are no environmental / climate and nature implications arising from this report.

## **Equalities implications**

12. There are no equalities implications arising from this report.

## **Crime and disorder implications**

13. There are no crime and disorder implications arising from this report.

## Data protection / Information governance / ICT implications

14. There are no Data protection / Information governance / ICT implications arising from this report.

## Conclusion

- 15. In conclusion Cabinet is to be aware that the KPI list 2024 / 28 has been updated following discussion with EMT, resulting in the resolution of some formatting and display issues and amendment to some targets.
- 16. Once approved progress against these KPIs will be presented to the relevant Overview and Scrutiny Panels at a future date.

# Cabinet - 6 November 2024

# Financial Monitoring Report (based on Performance April to September 2024 inclusive)

| Purpose           | For Decision  |  |  |  |  |
|-------------------|---|--|--|--|--|
| Classification    | Public  |  |  |  |  |
| Executive Summary | This report provides the latest budget forecasts for the General Fund, Housing Revenue Account (HRA) and capital programme for the 2024/25 financial year, based on the half year performance from April 2024 to September 2024 inclusive.    |  |  |  |  |
|                   | It confirms that despite variations a balanced budget is forecast in the General Fund, a forecast deficit in the HRA currently of £200,000 has been identified and a net increase in the capital programme for 2024/25 of £300,000.           |  |  |  |  |
| Recommendation(s) | It is recommended that Cabinet:   |  |  |  |  |
|                   | 1) note the latest budget forecasts of the General Fund, HRA, and Capital.  |  |  |  |  |
|                   | budget for the Salisbury Arcade, Totto<br>scheme funded via a corresponding<br>reduction in the councils Revenue<br>Contribution to Capital Outlay (RCCO<br>and Milford-on-Sea Public convenience   |  |  |  |  |
|                   | 2) approve the £75,000 supplementary budget for the Salisbury Arcade, Totton scheme funded via a corresponding reduction in the councils Revenue Contribution to Capital Outlay (RCCO) and Milford-on-Sea Public conveniences capital scheme. |  |  |  |  |
|                   | budget for the Salisbury Arcade, Totton scheme funded via a corresponding reduction in the councils Revenue Contribution to Capital Outlay (RCCO) and Milford-on-Sea Public conveniences  |  |  |  |  |

|                       | To comply with the council's financial regulations regarding budget virements and supplementary budget requests. |  |  |  |  |  |  |  |

## Introduction and background

- 1. Following the approval of the Original Budget for 2024/25 in February 2024 this report provides a further update on the General Fund, Housing Revenue Account and Capital budgets, adjusting for any budget changes now required and recommended.
- 2. Financial Monitoring is an important feature in the management of the council's finances as it gives an opportunity to reflect on variations as against the latest set budget and reflect on the impact that these variations may have over the period covered by the council's Medium Term Financial Plan (MTFP).

## Pay award implications

3. As previously reported the 2024/25 pay award for Chief Officers (Strategic Directors) had been agreed at 2.5%. During October the National Joint Council for Local Government Services (NJC) has come to an agreement on the 2024/25 pay award relevant to the rest of the NFDC workforce, applicable from 1st April 2024 to 31st March 2025. This has agreed an additional £1,290 on all pay points up to SCP 43 on the NJC scale (equivalent to NFDC scale point 47) and an increase of 2.50% for all other pay points (including the Chief Executive), implemented from 1st April 2024. This increase in pay costs is covered within the council's 2024/25 budget. Further detailed work will determine the variation to the budgeted sum,

with any variation to budget being reported in the Q3 Financial Monitoring Report.

## **General Fund revised projection**

- 4. A General Fund budget of £24.513 million for 2024/25 was agreed by council in February 2024 (£24.898 million at Portfolio analysis level, with other budget elements reducing this to this lower General Fund budget figure).
- 5. This report identifies a number of new budget variances but there is no overall change from the Q1 position, that being a £4,000 reduction from the original budget approved in February to £24.509 million.
- 6. The latest budget variations reported include net unfavourable expenditure variations of £150,000 and net income increases of £150,000. Major variations are detailed below (ordered in accordance with **Appendix 1**), with full variations listed in **Appendix 2**.

# **Environment and Sustainability (Place, Operations and Sustainability)**

- 7. **Car Parks Income (£200,000)** The rollout of the new tariffs in January 2024 to support the council's MTFP has led to a positive increase in car parking income, forecast at £810,000 albeit against the budgeted £1.1m increase (total income budget £4.988m). This £290,000 projected shortfall has been partially mitigated via agreed increases for both pay and display payments and parking clocks. These will come into effect from 1 January 2025 positively impacting the final quarter of this financial year, resulting in a £200,000 forecast shortfall overall.
- 8. **Street Scene Operational (£90,000)** Operational staff and vehicle costs have been higher than expected this year. Pressures from long term sick absences and vacancies have led to increased agency and overtime costs to maintain service delivery. Extra hire costs have been incurred because of issues with an ageing fleet and vehicle reliability, and further compounded by longer vehicle repair turnaround times. Mitigation is now in place, with 7 new vehicles now arriving to replace the older/less reliable elements of the fleet.
- 9. **Waste and Recycling Fuel (-£30,000)** Fuel costs are on average approximately 15% lower than budgeted, therefore savings

of £30,000 have been identified based on the first six months of the financial year.

## **Finance and Corporate (Corporate Resources and Transformation)**

- 10. There are variations that impact directly on the reported Finance and Corporate Portfolio summary and other variations under the control of the Portfolio holder which impact all Portfolios or other General Fund budgets:
- 11. **Interest Earnings (-£400,000)** The continued implementation of the Investment Strategy and the current comparatively high Bank of England base rate compared to recent years means the council is forecasting additional interest earnings of £400,000. Further work is ongoing with the treasury management team, and this is likely to be updated in future reporting.
- 12. **Revenue and Benefits (-£75,000)** Current vacancies within the Revenue and Benefits Service will result in salary underspends of £75,000.
- 13. **ICT Cloud Storage (£105,000)** Additional General Fund apportionment of ongoing cloud storage consumption costs are being incurred following the implementation of the Azure Cloud project. Work will be ongoing with the ICT department as to whether these costs can be offset going forward.
- 14. **Insurance Premium (£70,000)** The council has historically benefitted from lower costs for professional indemnity insurance, however due to a change in the premium calculation methodology by our insurer this has grown significantly. This is a Hampshire wide issue affecting all members of the Hampshire Insurance Forum. Officers are seeking clarification on the rationale with a view to mitigating the impact where possible. £70,000 is the General Fund proportion.
- 15. **Support Services (-£30,000)** Current vacancies within Support Services will result in salary underspends of £30,000.

## Planning and Economy (Place, Operations and Sustainability)

16. **Planning Fees (£150,000)** – Planning fee income is cyclical and dependent on market conditions in the development sector/wider economy. An increase in nationally set planning fees has not delivered anticipated revenue as the market is still reasonably supressed, and key sites have not come forward as expected. Work

will be ongoing with the planning department to review and reprofile budgetary expectations going forwards. It is also noted that the recent consultation on the National Planning Policy Framework proposed a further increase to the nationally set planning fees, albeit any benefit this financial year would be subject to that being taken forwards and would be a part year effect only.

- 17. **Planning Development Management (-£80,000)** Current vacancies within the Development Management service has resulted in salary underspends of £80,000. Vacancies will be managed throughout the remainder of the year to provide further mitigation to the budgeted income shortfall covered above.
- 18. The revised General Fund Budget for 2024/25 can be seen at Appendix 1, with further details on the variations being reported included within Appendix 2.

#### **Other Financial Matters to Note**

- 19. The following matters do not affect the council's net revenue position but are included for information and transparency.
- 20. Within the Finance and Corporate portfolio, an additional £52,000 of staffing costs to support transformation within Human Resources are to be funded using the council's corporate contingency.
- 21. Within the Planning and Economy portfolio a £100,000 Planning Skills Delivery Fund grant awarded by the Ministry of Housing, Communities and Local Government will be used on skills support expenditure.
- 22. Within the Leader portfolio the Resident Insight Survey will not be carried out in 2024/25, consequently the £25,000 budget will be returned to reserves to be available for use in 2025/26 as required.

## **Housing Revenue Account Revised Projection**

- 23. A break-even HRA budget for 2024/25 was agreed in February 2024, with a Revenue Account contribution of £9.700 million supporting the financing of the £32.380 million HRA Capital Programme.
- 24. The quarter one monitoring report to September Cabinet identified additional budget requirements of £122,000.

- 25. This report identifies additional net budget increases of £78,000 (£200,000 total). New variations are detailed in the following paragraphs and summarised in **Appendix 3**.
- 26. **General Management (£43,000)** The council has historically benefitted from lower costs for professional indemnity insurance, however due to a change in methodology in calculating the premium by our insurer this has grown significantly. This is a Hampshire wide issue affecting all members of the Hampshire Insurance Forum. Officers are seeking clarification on the rationale with a view to mitigating the impact where possible. £43,000 is the HRA proportion.
- 27. **General Management (£35,000)** ICT Cloud Storage additional HRA proportion of ongoing cloud storage consumption costs are being incurred following the implementation of the Azure Cloud project. Work will be ongoing with the ICT department as to whether these costs can be offset going forward.
- 28. There are additional in-year budget pressures on the HRA, particularly due to the procurement of external contractors to cover trades vacancies. However, work will continue over the remainder of the year targeted to mitigate any net impact and budget pressure.
- 29. The updated HRA budget can be seen at Appendix 3.

## **Capital Expenditure (General Fund and Housing Revenue Account)**

- 30. A Capital Programme budget of £48.959 million for 2024/25 was agreed by council in February 2024.
- 31. Principally due to rephasing from 2023/24, the budget was increased by £3.454 million to £52.413 million in the September Cabinet report.
- 32. The latest forecast confirms gross programme changes in year totalling £300,000 and rephasing into 2025/26 of £213,000 which results in an updated 2024/25 Capital Programme Budget of £52.500 million (**Appendix 4**).
- 33. Details of the changes and rephasing are provided below:
- 34. **Environment and Sustainability** Expenditure regarding various coastal schemes has been reviewed resulting in the rephasing of £213,000 into 2025/26 relating to Barton Horizontal Directional

- Drilling Trials, Hurst Spit Beach Shingle Source Study and Milford Beach and Cliff Study.
- 35. **Finance and Corporate** The **New Depot Site at Hardley** has an additional budget requirement of £375,000. This is due to higher build contract costs due to matters outside of our project control, concerning abnormal ground works and drainage redesign.
- 36. Value engineering options have been considered with a view to offsetting these unexpected abnormal costs. However, there is a clear balance between ensuring the depot is set up to operate effectively and efficiently in operational use and cutting costs in the short term which will only create longer term maintenance or operational costs.
- 37. The council is committed to constructing a modern fit for purpose depot facility that futureproofs the delivery of operational service provision for the district over the long term and this additional investment covered by the supplementary budget will provide this.
- 38. Following a tender process to refurbish the **Salisbury Arcade**, **Totton** an additional budget requirement of £75,000 has been identified above the £150,000 approved as part of the 2023/24 budget.
- 39. This refurbishment is essential in supporting the two adjoining council investment assets and will enhance the overall appearance and value of each of the assets.
- 40. The additional £75,000 can be funded by a corresponding reduction in the council's Revenue Contribution to Capital Outlay (RCCO).
- 41. This transfer is possible due to a reduction of £75,000 in the **Milford-on-Sea Public Conveniences** capital budget. This project will now provide an interim solution whilst a wider Masterplan for the area is concluded. As options are reviewed, the final proposal might enable a further reduction of spend in 2024/25.

## **Corporate plan priorities**

42. Regular monitoring and reporting of our financial activity including adjusting budgets whilst maintaining a balanced medium term financial plan (MTFP), ensures we are being financially responsible and supports our Future New Forest transformation programme which underpins the delivery of all our priorities.

## **Options appraisal**

- 43. In relation to the Hardley Depot supplementary budget request the project team have been exploring options to mitigate costs by reviewing the scope of remaining contract works and the depot requirements with the operational team.
- 44. Unfortunately, the cost saving options would only result in disproportionately large additional expenditure being incurred regarding maintenance and operational costs over the medium to long term of the asset, which outweighs the short-term cost reduction during construction.
- 45. Therefore, officers consider the best course of action to be the approval of the supplementary budget as included in the recommendation.

#### **Consultation undertaken**

46. Internal consultation between finance officers, service managers and budget holders has determined the forecast data presented in the report.

## **Financial and resource implications**

47. This is a financial report with budget implications already detailed and considered in the main body of the report.

# **Legal implications**

48. There are no legal implications arising directly from this report.

#### Risk assessment

49. The projected forecast is prepared based on estimates and assumptions in consultation with services. There are key risks in the projections across all service areas and both revenue and capital activity.

# **Environmental / Climate and nature implications**

50. There are no environmental implications arising directly from this report.

## **Equalities implications**

51. There are no equality implications arising directly from this report.

# **Crime and disorder implications**

52. There are no crime and disorder implications arising directly from this report.

# Data protection / Information governance / ICT implications

53. There are no data protection, information governance or ICT implications arising directly from this report.
