Introduction

- 1 The purpose of the report is to provide the Sub-Committee with information at the hearing to determine an application to vary the premises licence which has been made under section 34 of the

Licensing Act 2003 ("the Act") in respect of Harry's Meadow Campsite, Hale, Fordingbridge, SP6 2RE.

Background

- 2 In September 2022, the Licensing Authority granted a premises licence to Ms Vivien Sheriff, to allow the campsite at Harry's Meadow to sell alcohol from a mobile bar, for the month of August each year.
- 3 The application for a new premises licence at this site had attracted objections during the representation period, and therefore Members determined the application at a Licensing subcommittee on 5 September 2022. Members agreed to grant the licence, subject to conditions agreed during the application period.
- 4 Since the granting of the licence, no complaints have been received about the licensable operation of the site. The current licence is provided as **Appendix 1**.
- 5 Camping facilities are provided at Harry's Meadow by the site owners and the sale of alcohol to the campers on the field takes place from a converted horsebox.
- 6 There is a partially covered area, (stretch tent) where campers can sit and use the mobile bar and food vendors. Catering is provided from mobile food vans, which includes breakfasts, pizza, burgers etc, and the converted horse box sells alcohol, coffee and pasties.
- 7 The site is bordered by mature trees on all sides and the distance from the site boundary on the southeast of the bar area, has been measured at 194.2metres.

The application

- 8 The Licensing Authority have received an application from Vivien Sheriff to vary the premises licence (number 1842) for Harry's Meadow, Hale. The application is provided at **Appendix 2**.
- 9 The variation application seeks permission to extend the current licence period of one month (1 to 31 August) to two months (1 July to 31 August) each year. There is no proposal to extend the hours that alcohol is sold each day.
- 10 Premises licence number 1842 permits the following licensable activity:

Sale of alcohol for consumption on the premises

Monday to Sunday 17:00 hrs to 22:00 hrs

- 11 The site is not open to the public, but campers are permitted on the site 24 hours a day. The sale of alcohol is only available for those camping at the site and during the hours stated above.
- 12 The premises licence provides for the sale of alcohol at the site. Any regulated entertainment taking place between 08:00hrs and 23:00hrs is exempt from the requirement to be licensed. The site does, however, have its own rules about the use of music, to protect campers from undue noise.
- 13 Public consultation has been carried out, as required under the Act and officers have confirmed that the application has been advertised both at the site and in the local newspaper.
- 14 All Responsible Authorities were consulted and provided with the application, as required under the Act. This included NFDC planning, NPA development control, Hampshire Police and NFDC Environmental Health.
- 15 No comments or objections were received from the Responsible Authorities and since the licence was granted in September 2022, there have been no complaints received by the Environmental Health Department or Licensing Services from the licensable activity.

Requirements for a hearing

- 16 The Licensing Authority must hold a hearing to determine the application where relevant representations addressing the licensing objectives are made. These objectives being:
 - The prevention of crime and disorder,
 - Public safety,
 - The prevention of public nuisance, and
 - The protection of children from harm.
- 17 Members are referred to statutory guidance issued by the Home Office under section 182 of the Licensing Act 2003 dated February 2025, in particular the sections on the licensing objectives and determining applications.

[Revised Guidance issued under section 182 of the Licensing Act 2003](#)

- 18 In determining the application, the Licensing Sub-Committee must give appropriate weight to:
- the steps that are appropriate to promote the licensing objectives,
 - The relevant representations presented by all parties,
 - Home Office guidance,
 - The Council's own Statement of Licensing Policy.

Representations received

- 19 During the 28-day representation period, the Licensing Authority received 3 representations from members of the public who live locally. The representations are provided as **Appendix 3**.
- 20 Hale Parish Council has also submitted an objection which is provided as **Appendix 4**. There is mention of planning conditions, which fall outside the remit of this hearing and the Licensing Act 2003.
- 21 Representations received against the application raise concerns about extending the provision of alcohol at the site for a further month.
- 22 It should be noted however that this hearing can only determine the application based on the implications of granting an application with regard to the Licensing Objectives, as stated under the Licensing Act 2003 and in paragraph 17 above.
- 23 Matters that cannot be considered at this hearing include planning, changes to the nature of the area by tourism, traffic, disputes with other agencies, and diversification by landowners.
- 24 We have received no communication from the planning authority for the site (NFNPA), however all licences are issued with the following caveat, which is self-explanatory. Planning and Licensing are two separate regimes with different legislative criteria.

It is important to note that this licence does not override any planning consent restrictions the premises may have. If you operate outside the consent granted for these premises, this may result in action being taken against you. Should you wish to amend these conditions please contact the relevant planning department for advice at planning@nfdc.gov.uk (New Forest District Council) or dev.control@newforestnpa.gov.uk (New Forest National Park Authority).

Legal implications

28 This hearing is governed by the Licensing Act 2003 (Hearings) Regulations 2005. These Regulations provide that hearings should be held in public unless the Licensing Authority considers that the public interest in excluding the public outweighs the public interest in the hearing taking place in public.

29 The applicant and those parties making representations have been invited to this meeting and have been provided with this report and the procedures to be followed at the hearing.

30 The applicant and those who have made relevant representations are entitled to address the Sub-Committee and to ask questions of the other party, with the consent of the Sub-Committee.

Right of appeal

31 It should be noted that the applicant and those who have made relevant representations may appeal the decision made by the Licensing Sub-Committee to the Magistrates' Court. The appeal must be lodged with the Magistrates' Court within 21 days of the notification of the decision.

32 In the event of an appeal being lodged, the decision made by the Licensing Sub-Committee remains valid until any appeal is heard and the decision made by the Magistrates' Court.

Equalities implications

33 Each application is treated on its own merits.

Crime and disorder implications

- 34 Licensable activities must be provided under the terms of the Licensing Act 2003.

Conclusion

- 35 The Licensing Sub-Committee must, having regard to the application and any relevant representations, consider which measures are appropriate for the promotion of the licensing objectives.

Subject: License to sell alcohol at Harry's Meadow SP62RE.

[You don't often get email from [REDACTED]. Learn why this is important at <https://aka.ms/LearnAboutSenderIdentification>]

Dear Sir,

My Wife and I object to the selling of alcohol at Harry's Meadow, Monday to Sunday from 17:00-22:00 hrs, from 1st.July to 31st. August 2025 for the following reasons.

We bought Home Farm,(opposite Harry's Meadow) in 1979 and have run a herd of Rare Breed White Park Cattle here since 1982, employing local labour.

The farm was extremely rundown and we have made a considerable investment In it over the past forty five years.The area was quiet and Hale Lane was only used by local traffic.Indeed we could safely move the cattle and sheep up and down the Lane sometimes without the worry of meeting a single vehicle.

At that time the Forest had lots of areas like this.We would have called them the Quiet Areas of The New Forest.Over the past 20years or so with the advent of the internet we are now overrun with home deliveries by delivery vans.

Gone are the days of the Postman delivering just about everything once a day.

The New Forest National Park is now under ever increasing pressure by our ever increasing population to use the Park as a place of recreation.The traditional pony riding and occasional dog walker has now been joined by the mountain bike rider, the road racing cyclists, the orienteer, the professional dog walker (which some car parks have now had to be closed during the breeding and nesting season) as ground nesting birds numbers are beginning to plummet.

On top of all this pressure we now have certain land owners who need to diversify.

We agree with this in principle for small farms and small holdings but not for the large country house owner in such a sensitive area as The New Forest.Camp sites should be kept to official New Forest Designated sites only.

The site at Harry's Meadow has been an on going dispute with the Hale Parish Council and local Rate Payers for several years now.The owners and organisers do not appear to have the slightest interest in the feelings of local people.

Once again the feelings of 90% of local Rate Payers was not taken into account with the camping decision that was passed for Harry's Meadow on 21st. May 2024.We do not as yet know what percentage of objections there will be to the application for an alcohol license, but we can be confident that any will be overruled by the Licensing Authority.

The worry is that once Harry's Meadow becomes established the owners will keep coming back for more.Also does the granting of Planning Permission to Harry's Meadow open the door to a favourable application for camping at Home Farm, SP62RE, for a similar venture?

L

So we appeal to you to to at least let us keep back a few quiet areas in our Beloved New Forest National Park because we can see in the not to distant future one will have to have a timed Permit just to walk within the boundary's of The New Forest National Park.

Yours sincerely, Mark and Helen Clark.

Subject: FW: Formal Objection to Alcohol License Application – Harry's Meadow (SP6 2RE)

You don't often get email from [REDACTED] [Learn why this is important](#)

Dear Licensing Authority,

We write to formally object to the application for a license to sell alcohol at Harry's Meadow from Monday to Sunday, 17:00–22:00, between 1st July and 31st August 2025. This application presents serious legal, environmental, and public safety concerns that directly contradict the planning conditions set by the New Forest National Park Authority (NFNPA), the Licensing Act 2003, and other relevant regulations.

1. Public Nuisance – Violation of Licensing Act 2003 & Planning Conditions

Under Section 4(2) of the Licensing Act 2003, the Licensing Authority must uphold the four licensing objectives:

- Prevention of crime and disorder
- Public safety
- Prevention of public nuisance
- Protection of children from harm

The NFNPA's planning conditions explicitly prohibit noise disturbances, including:

- Condition 10: *"No music shall be played in conjunction with the use of the land as a temporary campsite. Reason: In the interests of the tranquillity of the area and neighbouring businesses."*
- Condition 7: *"No external lighting shall be installed on the site. Reason: To protect the amenities of the area."*

Permitting an alcohol license in a site with an explicit ban on amplified noise contradicts the very purpose of these restrictions. The likelihood of increased noise, disorder, and late-night disturbances from alcohol consumption directly undermines the planning conditions intended to protect the surrounding community.

2. Environmental Impact – Contradiction to Conservation Safeguards

The New Forest National Park Local Plan 2016-2036 (August 2019) enforces strict environmental protections. The NFNPA's planning approval for Harry's Meadow is conditional upon compliance with key environmental safeguards, including:

- Condition 3: *Ecological mitigation must be agreed and implemented before development.*
- Condition 9: *No barbecues or wildfires shall be carried out at the site without prior approval.*

Alcohol consumption increases fire risks and environmental damage, particularly in a site that already has restrictions on open flames due to its location in a protected landscape. Adding alcohol to this environment escalates risks of non-compliance with safety and conservation laws.

3. Road Safety & Inadequate Infrastructure

The NFNPA's conditions restrict vehicle access for safety reasons, including:

- Condition 5: *No new access routes shall be formed outside the approved plan, in the interest of highway safety.*

The only access road to Harry's Meadow—Hale Lane—is a narrow, single-track road with blind bends and limited passing places. It already suffers from:

- Severely eroded ancient wildflower banks due to traffic overflow.
- Blocked culverts and ditches, causing rainwater damage and potholes.
- Unmaintained roadside hedges, creating additional hazards.

Allowing alcohol sales would increase vehicle traffic—including intoxicated drivers—on an already unsafe route, directly contradicting highway safety measures.

4. Economic Misrepresentation – No Benefit to Local Businesses

The licensing application claims to "boost the local economy," yet the NFNPA's conditions clearly limit the commercial activities of the campsite:

- Condition 6: *No goods, plant, or machinery shall be stored on-site without express permission from the Local Planning Authority.*

This reinforces that the campsite is not intended as a commercial hub but rather a restricted seasonal operation. An alcohol license benefits only the operators of Harry's Meadow—not the local community.

5. Escalation to Environmental Health & Licensing Review

As one of the closest affected residents, we intend to escalate any and all breaches to the Local Environmental Health Department and NFNPA Enforcement Officers should this application be granted. Any violation of noise, safety, or environmental conditions will be formally reported, and if necessary, we will pursue a formal review of the license under Section 51 of the Licensing Act 2003.

Conclusion – Request for License Rejection

Given that this application:

- Directly contradicts planning conditions imposed by the NFNPA.
- Fails to uphold the Licensing Act 2003's objectives of preventing public nuisance and ensuring public safety.
- Poses unacceptable risks to road safety and environmental conservation.
- Provides no demonstrable benefit to the local community.

We urge the Licensing Authority to reject this application in alignment with existing planning restrictions and the overwhelming objections of local residents.

Yours sincerely,

Neil Cruden,

Hatchett End, Hatchett Green, Hale, SP6 2ND.

We are writing as neighbouring property owners.

We understand that a variation to the current licence has been applied for.

The current licence states 'no walk-ins allowed'. On previous years local residents from the surrounding area were drinking on site.

The Planning Permission granted on 13/02/25 Application number 24/00102FULL

States: 'No External Lighting'

'No Music'

We ask that any licence you approve includes the same conditions as the Planning Permission as currently they do not With many thanks Hannah and Ian Downie

Good evening,
Application: Variation Premises Licence (S34) Ref: LICPR/22/13072 - Harry's Meadow Campsite
Hale Parish Council wishes to make the following representation regarding the above licence application.
The Management Plan for this site (which must be adhered to as stated in the planning conditions) states a curfew of 10.30pm and hence Hale Parish Council believes that any licence issued must work in accordance with this.
The planning decision notice states that no external lighting is to be installed at the campsite and again Hale Parish Council believes that any licence issued must work in accordance with this notice.

many thanks
