Private and Confidential

13 October 2020

Dear Audit Committee Members

We are pleased to attach our audit results report for the forthcoming meeting of the Audit Committee. This report summarises our preliminary audit conclusion in relation to the audit of New Forest District Council for 2019/20.

We have substantially completed our audit of New Forest District Council for the year ended 31 March 2020.

Subject to concluding the outstanding matters listed in our report, we confirm that we expect to issue an unqualified audit opinion on the financial statements in the form that appears in Section 3, before the statutory deadline of 30 November 2020. We also have no matters to report on your arrangements to secure economy, efficiency and effectiveness in your use of resources.

This report is intended solely for the use of the Audit Committee Members and senior management. It should not be used for any other purpose or given to any other party without obtaining our written consent.

We would like to thank your staff for their help during the engagement.

We welcome the opportunity to discuss the contents of this report with you at the Audit Committee meeting on 23 October 2020.

Yours faithfully

Kevin Suter

Associate Partner

For and on behalf of Ernst & Young LLP

Public Sector Audit Appointments Ltd (PSAA) have issued a 'Statement of responsibilities of auditors and audited bodies'. It is available from the Chief Executive of each audited body and via the PSAA website (www.psa.co.uk).

This Statement of responsibilities serves as the formal terms of engagement between appointed auditors and audited bodies. It summarises where the different responsibilities of auditors and audited bodies begin and end, and what is to be expected of the audited body in certain areas.

The 'Terms of Appointment (updated April 2018)' issued by PSAA sets out additional requirements that auditors must comply with, over and above those set out in the National Audit Office Code of Audit Practice (the Code) and statute, and covers matters of practice and procedure which are of a recurring nature.

This Audit Results Report is prepared in the context of the Statement of responsibilities / Terms and Conditions of Engagement. It is addressed to the Members of the audited body, and is prepared for their sole use. We, as appointed auditor, take no responsibility to any third party.

Our Complaints Procedure - If at any time you would like to discuss with us how our service to you could be improved, or if you are dissatisfied with the service you are receiving, you may take the issue up with your usual partner or director contact. If you prefer an alternative route, please contact Hywel Ball, our Managing Partner, 1 More London Place, London SE1 2AF. We undertake to look into any complaint carefully and promptly and to do all we can to explain the position to you. Should you remain dissatisfied with any aspect of our service, you may of course take matters up with our professional institute. We can provide further information on how you may contact our professional institute.

01 Executive Summary

Executive Summary

Scope update

In our audit planning report presented at the 24 January 2020 Audit Committee meeting, we provided you with an overview of our audit scope and approach for the audit of the financial statements. We carried out our audit in accordance with this plan, with the following exceptions:

Changes to reporting timescales

As a result of COVID-19, new regulations, the Accounts and Audit (Coronavirus) (Amendment) Regulations 2020 No. 404, have been published and came into force on 30 April 2020. This announced a change to publication date for final, audited accounts from 31 July to 30 November 2020 for all relevant authorities.

Changes to our risk assessment as a result of Covid-19

- Valuation of Property Plant and Equipment & investment property - The Royal Institute of Chartered Surveyors (RICS), the body setting the standards for property valuations, has issued guidance to valuers highlighting that the uncertain impact of Covid-19 on markets might cause a valuer to conclude that there is a material uncertainty. Caveats around this material uncertainty have been included in the year-end valuation reports produced by the Council's internal valuer. We consider that the material uncertainties disclosed by the valuer gave rise to a significant risk relating to the valuation of property, plant and equipment and investment property.
- Disclosures on Going Concern - Financial plans for 2020/21 and medium term financial plans will need revision for Covid-19. We considered the unpredictability of the current environment gave rise to a risk that the would not appropriately disclose the key factors relating to going concern, underpinned by managements assessment with particular reference to Covid-19 and the Local Authority's actual year end financial position and performance.
- Events after the balance sheet date - We identified an increased risk that further events after the balance sheet date concerning the current Covid-19 pandemic may need to be disclosed. The amount of detail required in the disclosure needs to reflect the specific events and circumstances of the District Council.
- Adoption of IFRS16 - The adoption of IFRS 16 by CIPFA/LASAAC as the basis for preparation of Local Authority Financial Statements has been deferred until 1 April 2021. The Council will therefore no longer be required to undertake an impact assessment, and disclosure of the impact of the standard in the financial statements does not now need to be financially quantified in 2019/20. We therefore no longer consider this to be an area of audit focus for 2019/20.

Changes in materiality

In our Audit Committee Planning Report, we communicated that our audit procedures would be performed using a materiality of £2.38m, with performance materiality, at 75% of overall materiality, of £1.79m, and a threshold for reporting misstatements of £0.12m.

We have considered whether any change to our materiality is required in light of Covid-19. Following this consideration we remain satisfied that the basis for planning materiality, performance materiality and our audit threshold for reporting differences reported to you in our Audit Planning Report remain appropriate.

The basis of our assessment has remained consistent with prior years at 2% of gross operating expenditure.

We updated our planning materiality figures using the draft financial statements. Based on our materiality measure of gross expenditure on provision of services, we have updated our overall materiality assessment to £2.45m. This results in updated performance materiality, at 75% of overall materiality, of £1.84m, and an updated threshold for reporting misstatements of £0.12m.

Executive Summary

Scope update

Information Produced by the Entity (IPE): We identified an increased risk around the completeness, accuracy, and appropriateness of information produced by the entity due to the inability of the audit team to verify original documents or re-run reports on-site from the Council's systems. We undertook the following to address this risk:

- Used the screen sharing function of Microsoft Teams to evidence re-running of reports used to generate the IPE we audited; and
- Agree IPE to scanned documents or other system screenshots.

Additional EY consultation requirements concerning the impact on auditor reports because of Covid-19.

The changes to audit risks, audit approach and auditor reporting requirements changed the level of work we needed to perform. We have set out the impact on our audit fee in Section 8.

Status of the audit

We have substantially completed our audit of New Forest District Council's financial statements for the year ended 31/3/2020 and have performed the procedures outlined in our Audit planning report. Subject to satisfactory completion of the following outstanding items we expect to issue an unqualified opinion on the Council's financial statements in the form which appears at Section 3. However until work is complete, further amendments may arise:

- Receipt and review of EY Real Estates report which is testing the valuation methodology for a sample of NFDC Existing Use Value (EUUV) and Fair Value assets
- Completion of review of client assessment of Going Concern
- Completion of Unrecorded liabilities and Creditors Cut-off testing
- Responses to audit queries on Creditors Existence testing
- Completion of Collection Fund testing
- Completion of Expected Credit loss testing
- Completion of Developers Contributions testing
- Completion of HRA disclosures testing
- Completion of subsequent events review
- Receipt of the signed management representation letter

We expect to issue the audit certificate at the same time as the audit opinion. However, we note the instructions from the National Audit Office for the Whole of Government Accounts review are still to be issued and we cannot certify the completion of the audit until this work is completed.

Audit differences

There is one unadjusted audit difference arising from our audit to date

Details can adjusted audit differences be found in Section 4 Audit Differences.

Executive Summary

Areas of audit focus

Our Audit Planning Report identified key areas of focus for our audit of New Forest District Council's financial statements. This report sets out our observations and conclusions, including our views on areas which might be conservative, and where there is potential risk and exposure. We summarise our consideration of these matters, and any others identified, in the "Key Audit Issues" section of this report.

We ask you to review these and any other matters in this report to ensure:

- There are no other considerations or matters that could have an impact on these issues
- You agree with the resolution of the issue
- There are no other significant issues to be considered.

There are no matters, apart from those reported by management or disclosed in this report, which we believe should be brought to the attention of the Audit Committee.

Control observations

We have adopted a fully substantive approach, so have not tested the operation of controls.

As part of our work, we obtained an understanding of internal control sufficient to plan our audit and determine the nature, timing and extent of testing performed. Although our audit was not designed to express an opinion on the effectiveness of internal control, we are required to communicate to you significant deficiencies in internal control identified during our audit.

There are no matters we wish to report.

Executive Summary

Value for money

We have considered your arrangements to take informed decisions; deploy resources in a sustainable manner; and work with partners and other third parties. Our risk assessment considered both the potential financial impact of any issues identified, and also the likelihood that the issue will be of interest to local taxpayers, the Government and other stakeholders. This has resulted in the identification of no significant risks at planning and this is consistent with our year end findings.

We have no matters to report about your arrangements to secure economy efficiency and effectiveness in your use of resources.

Other reporting issues

We have reviewed the information presented in the Annual Governance Statement for consistency with our knowledge of the Council. We have no matters to report as a result of this work.

We are still to perform the procedures required by the National Audit Office (NAO) on the Whole of Government Accounts submission, as the instructions are yet to be issued. We expect that the District Council will remain below the de-minimis for full procedures, which in the prior year was set at £500m. Therefore, we anticipated having no issues to report.

We have no other matters to report.

Independence

Please refer to Section 8 for our update on Independence.

02 Areas of Audit Focus

Areas of Audit Focus

Significant risk

Risk of fraud in revenue recognition - inappropriate capitalisation of revenue expenditure

What is the risk?

Under ISA 240 there is a presumed risk that revenue may be misstated due to improper revenue recognition. In the public sector, this requirement is modified by Practice Note 10 issued by the Financial Reporting Council, which states that auditors should also consider the risk that material misstatements may occur by the manipulation of expenditure recognition.

From our risk assessment, we have assessed that the risk manifest itself through the potential to inappropriately capitalise revenue expenditure to improve the financial position of the general fund.

Capitalized revenue expenditure can be funded through borrowing with only minimal MRP charges recorded in the general fund, deferring the expenditure for 30+ years when the borrowing is repaid. Alternately, other sources such as capital receipts or grants could be inappropriately used to finance the expenditure.

Inappropriate classification of revenue expenditure as REFCUS (revenue expenditure funded by capital under statute) could also have the same impact, removing the spend incorrectly from the general fund through applying statutory overrides.

What did we do?

Our approach focused on:

- ▶ We selected a sample of PPE additions to test and confirm the item was appropriate to capitalise through agreement to evidence such as invoices and capital expenditure authorisations.
- ▶ We selected a sample of REFCUS items to test to confirm the appropriateness of the classification of these items
- ▶ When performing journals testing, we analysed entries that would be classed as high risk transactions, such as items originally recorded as revenue expenditure and subsequently capitalised or reclassified as REFCUS.

What are our conclusions?

We have not identified any material weaknesses in controls or evidence of material management override.

We tested a sample of PPE additions and confirmed they met the capitalisation requirements under IAS16

At year end the total value of REFCUS items were below our materiality threshold and therefore specific testing in this area was not required.

We have not identified any instances of inappropriate judgements being applied.

We did not identify any other transactions through our test of journals or our other audit procedures which appeared unusual or outside the Council's normal course of business.

Significant risk

Misstatements due to fraud or error

What is the risk?

The financial statements as a whole are not free of material misstatements whether caused by fraud or error.

As identified in ISA (UK) 240, management is in a unique position to perpetrate fraud because of its ability to manipulate accounting records directly or indirectly and prepare fraudulent financial statements by overriding controls that otherwise appear to be operating effectively.

We identify and respond to this fraud risk on every audit engagement.

What judgements are we focused on?

Our assessment of risk led us to create a series of criteria for the testing of journals, focusing specifically on areas that could be open to management manipulation. We have also focused specifically on capitalisation of assets as a potential area of manipulation, which is recorded as a separately identified Significant risk - Inappropriate capitalisation of revenue expenditure

What did we do?

Our approach focused on:

- Testing the appropriateness of journal entries recorded in the general ledger and other adjustments made in the preparation of the financial statements
- Assessing accounting estimates for evidence of management bias, and
- Evaluating the business rationale for significant unusual transactions.

Further to this, we have:

- Inquired of management about risks of fraud and the controls put in place to address those risks, as well as gaining an understanding the oversight given by those charged with governance of management's processes over fraud.
- We have considered the effectiveness of management's controls designed to address the risk of fraud.

What are our conclusions?

We have not identified any material weaknesses in controls or evidence of material management override.

We have not identified any instances of inappropriate judgements being applied.

We did not identify any other transactions during our audit which appeared unusual or outside the Council's normal course of business.

We have not identified any unusual or unsupported journals, or other adjustments made in preparing the financial statements.

Areas of Audit Focus

Significant risk

Valuation of Property, including Investment Property

What is the risk?

The valuation of property is complex and subject to several assumptions and judgements. A small movement in these assumptions can have a material impact on the financial statements. Following the Covid-19 pandemic and resulting lockdown in late March 2020, PPE valuers had less access to evidential data which would help to underpin their valuations. In light of this, RICs guidance recommended the use of a “material valuation uncertainty” clause in all 31 March 2020 asset valuations. This was applied in the Council’s accounts. While this clause does not mean a valuation cannot take place, there is an increased risk that the valuation may be materially misstated. We have therefore increased this to a significant risk, compared to our original risk assessment. We focus this enhanced risk on assets valued under Existing Use Value or Fair Value methodologies as these methods take into account comparative market information.

What did we do?

We have:

- Considered the work performed by the Council’s valuer, this included a review of the adequacy of the scope of the work performed, their professional capabilities and the results of their work;
- Sample tested key asset information used by the valuer in performing their valuation (e.g. floor plans to support valuations based on price per square metre);
- instructed our own Property valuation team (EY Real Estates) to review a sample of EUV and FV valuations performed by the Council’s Valuer;
- Consider the annual cycle of valuations to ensure that assets have been valued within a 5 year rolling programme as required by the Code for PPE;
- Reviewed assets not subject to valuation in 2019/20 to confirm that the remaining asset base is not materially misstated;
- Considered changes to useful economic lives as a result of the most recent valuation;
- Tested accounting entries have been correctly processed in the financial statements; and
- We reviewed the adequacy of the “material valuation uncertainty” disclosure in the Council’s accounts.

What are our conclusions?

Our work in this area is ongoing. We currently await the final report from our EY Real Estates team.

Our initial findings requested a change in asset valuation technique relating to cemeteries. The Council agreed to amend these assets to be based on a Historic Cost valuation rather than Depreciated Replacement Cost, as they are considered to be community assets. We also challenged the number of high value assets initially not being revalued in 19/20, which could have led to a material misstatement as these assets were not subject to annual indexation. Therefore the valuer performed additional testing at year end.

Based on our sample testing of a number of PPE and Investment Property assets outside of the EY Real Estates report, we were satisfied with the key asset information used, the useful lives of the assets tested and the accounting entries were correctly processed.

We are satisfied with the material valuation uncertainty disclosure in the Council’s accounts.

Areas of Audit Focus

Other areas of audit focus

Going Concern

What is the risk?

Covid-19 has created a number of financial pressures throughout Local Government. There is currently not a clear statement of financial support from MHCLG that covers all financial consequences of Covid-19. There have been a number of media stories in both the national press and trade publications raising the possibilities of an increase in Chief Financial Officers using their s114 powers. This could be under s114(3), insufficient resources to fund likely expenditure. CIPFA's Code of Practice on Local Authority Accounting in the United Kingdom 2019/20 sets out that organisations that can only be discontinued under statutory prescription shall prepare their accounts on a going concern basis. However, International Auditing Standard 570 Going Concern, as applied by Practice Note 10: Audit of financial statements of public sector bodies in the United Kingdom, still requires auditors to undertake sufficient and appropriate audit procedures to consider whether there is a material uncertainty on going concern that requires reporting by management within the financial statements, and within the auditor's report. We are obliged to report on such matters within the section of our audit report 'Conclusions relating to Going Concern'. To do this, the auditor must review management's assessment of the going concern basis applying IAS1 Presentation of Financial Statements.

What did we do?

In light of the unprecedented nature of Covid-19, its impact on the funding of public sector entities and uncertainty over the form and extent of government support, we sought a documented and detailed consideration to support management's assertion regarding the going concern basis

Our audit procedures to review these included consideration of:

- Current and developing environment;
- Liquidity (operational and funding);
- Mitigating factors;
- Management information and forecasting; and
- Sensitivities and stress testing.

What are our conclusions?

Our work in response to this risk remains ongoing.

We are reviewing management's Going Concern assessment and supporting documentation in order to confirm their conclusion that the Council remains a Going Concern is based on reasonable and supportable assumptions.

We are satisfied the Going Concern Disclosure in the financial statements is sufficiently detailed, transparent and accurately reflects managements underlying Going Concern assessment.

Due to the impact of Covid-19, we are required to consult internally with our risk department over the level of disclosure. We are currently in the process of completing the consultation.

Areas of Audit Focus

Other areas of audit focus

Pension Liability Valuation

What is the risk?

The Code of Practice on Local Authority Accounting and IAS19 require the Council to make extensive disclosures within its financial statements regarding the Local Government Pension Scheme (LGPS) in which it is a scheduled body.

The Council's current pension fund deficit is a material and sensitive item and the Code requires that this liability be disclosed on the Council's balance sheet. The information disclosed is based on the IAS 19 report issued to the Council by the actuary to the administering body. Accounting for this scheme involves significant estimation and judgement. ISAs (UK and Ireland) 500 and 540 require us to undertake procedures on the use of management experts and the assumptions underlying fair value estimates.

What judgements are we focused on?

We focused on the following:

- The reasonableness of the underlying assumptions used by the Council's expert – Aon Hewitt.
- Ensuring the information supplied to the actuary in relation to New Forest District Council was complete and accurate
- Ensuring the accounting entries and disclosures made in the financial statements were consistent with the report from Aon Hewitt.

What did we do?

- Liaised with the auditors of the administering authority (Hampshire County Council), to obtain assurances over the information supplied to the actuary in relation to New Forest DC.
- Assessed the work of the Pension Fund actuary including the assumptions they have used by relying on the work of PWC - Consulting Actuaries commissioned by National Audit Office for all Local Government sector auditors, and considering any relevant reviews by the EY actuarial team.
- Reviewed and tested the accounting entries and disclosures made within the Council's financial statements in relation to IAS19.
- Reviewed the Council's assessment of the impact of the 'McCloud' and 'Goodwin' judgement after the balance sheet event date.

What are our conclusions?

Our testing has no material misstatements.

We have concluded that we could rely on the work of the Pension Fund actuary, and assess their assumptions as reasonable. The values and entries from the actuarial report were correctly reflected in the Council's financial statements.

We have obtained the final relevant assurances from Hampshire Pension Fund auditors which raised no material issues from their review of the IAS19 protocol procedures.

Events after the year-end, the McCloud consultation and the Goodwin judgement, do not have a material impact on pension liability and do not require disclosure.

03 Audit Report

Audit Report

Draft audit report

Our opinion on the financial statements

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF NEW FOREST DISTRICT COUNCIL

Opinion

We have audited the financial statements of New Forest District Council for the year ended 31 March 2020 under the Local Audit and Accountability Act 2014. The financial statements comprise the:

- Movement in Reserves Statement,
- Comprehensive Income and Expenditure Statement,
- Balance Sheet,
- Cash Flow Statement,
- Collection Fund
- Housing Revenue Account
- Expenditure and Funding Analysis and the related notes 1 to 57.

The financial reporting framework that has been applied in their preparation is applicable law and the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2019/20.

In our opinion the financial statements:

- give a true and fair view of the financial position of the New Forest District Council as at 31 March 2020 and of its expenditure and income for the year then ended; and
- have been prepared properly in accordance with the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2019/20.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report below. We are independent of the authority in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard and the Comptroller and Auditor General's (C&AG) AGN01, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the Responsible Financial (s151) Officer's use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the Responsible Financial (s151) Officer has not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the Council's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The other information comprises the information included in the Annual Financial Report 2019/20 other than the financial statements and our auditor's report thereon. The Responsible Financial (s151) Officer is responsible for the other information.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in this report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of the other information, we are required to report that fact.

We have nothing to report in this regard

Draft audit report

Our opinion on the financial statements

Opinion on other matters prescribed by the Local Audit and Accountability Act 2014

Arrangements to secure economy, efficiency and effectiveness in the use of resources

In our opinion, based on the work undertaken in the course of the audit, having regard to the guidance issued by the Comptroller and Auditor General (C&AG) in April 2020, we are satisfied that, in all significant respects, New Forest District Council put in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources for the year ended 31 March 2020.

Matters on which we report by exception

We report to you if:

- in our opinion the annual governance statement is misleading or inconsistent with other information forthcoming from the audit or our knowledge of the Council;
- we issue a report in the public interest under section 24 of the Local Audit and Accountability Act 2014;
- we make written recommendations to the audited body under Section 24 of the Local Audit and Accountability Act 2014;
- we make an application to the court for a declaration that an item of account is contrary to law under Section 28 of the Local Audit and Accountability Act 2014;
- we issue an advisory notice under Section 29 of the Local Audit and Accountability Act 2014; or
- we make an application for judicial review under Section 31 of the Local Audit and Accountability Act 2014.

We have nothing to report in these respects

Responsibility of the Responsible Financial (s151) Officer

As explained more fully in the Statement of the Responsibilities set out on page 3, the Responsible Financial (s151) Officer is responsible for the preparation of the Statement of Accounts, which includes the financial statements, in accordance with proper practices as set out in the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2019/20, and for being satisfied that they give a true and fair view.

In preparing the financial statements, the Responsible Financial (s151) Officer is responsible for assessing the Council's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Council either intends to cease operations, or have no realistic alternative but to do so.

The Council is responsible for putting in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources, to ensure proper stewardship and governance, and to review regularly the adequacy and effectiveness of these arrangements.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at <https://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

Audit Report

Draft audit report

Our opinion on the financial statements

Scope of the review of arrangements for securing economy, efficiency and effectiveness in the use of resources

We have undertaken our review in accordance with the Code of Audit Practice, having regard to the guidance on the specified criterion issued by the Comptroller and Auditor General (C&AG) in April 2020, as to whether the New Forest District Council had proper arrangements to ensure it took properly informed decisions and deployed resources to achieve planned and sustainable outcomes for taxpayers and local people. The Comptroller and Auditor General determined this criterion as that necessary for us to consider under the Code of Audit Practice in satisfying ourselves whether the New Forest District Council put in place proper arrangements for securing economy, efficiency and effectiveness in its use of resources for the year ended 31 March 2020.

We planned our work in accordance with the Code of Audit Practice. Based on our risk assessment, we undertook such work as we considered necessary to form a view on whether, in all significant respects, the New Forest District Council had put in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources.

We are required under Section 20(1)(c) of the Local Audit and Accountability Act 2014 to satisfy ourselves that the Authority has made proper arrangements for securing economy, efficiency and effectiveness in its use of resources. The Code of Audit Practice issued by the National Audit Office (NAO) requires us to report to you our conclusion relating to proper arrangements.

We report if significant matters have come to our attention which prevent us from concluding that the Council has put in place proper arrangements for securing economy, efficiency and effectiveness in its use of resources. We are not required to consider, nor have we considered, whether all aspects of the Council's arrangements for securing economy, efficiency and effectiveness in its use of resources are operating effectively.

Certificate

We certify that we have completed the audit of the accounts of the New Forest District Council in accordance with the requirements of the Local Audit and Accountability Act 2014 and the Code of Audit Practice issued by the National Audit Office.

Use of our report

This report is made solely to the members of the New Forest District Council, as a body, in accordance with Part 5 of the Local Audit and Accountability Act 2014 and for no other purpose, as set out in paragraph 43 of the Statement of Responsibilities of Auditors and Audited Bodies published by Public Sector Audit Appointments Limited. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the New Forest District Council and the New Forest District Council's members as a body, for our audit work, for this report, or for the opinions we have formed.

04 Audit Differences

Audit Differences

In the normal course of any audit, we identify misstatements between amounts we believe should be recorded in the financial statements and the disclosures and amounts actually recorded. These differences are classified as “known” or “judgemental”. Known differences represent items that can be accurately quantified and relate to a definite set of facts or circumstances. Judgemental differences generally involve estimation and relate to facts or circumstances that are uncertain or open to interpretation.

Summary of adjusted and unadjusted differences

We highlight the following misstatements greater than £1.84m which have been corrected by management that were identified during the course of our audit. There are no corrected misstatements to bring to your attention.

We report to you any uncorrected misstatements greater than our nominal value of £0.12m. There was one uncorrected misstatement to bring to your attention at the time of writing this report:

- Pension Asset Overstatement - £901k

The work of the Pension Fund auditors identified that the actuary has estimated the value of the New Forest District Council's share of the Pension Fund's Net Assets as of 31 March 2020 to be £177.1m. This is £901k more than the value we have calculated for New Forest District Council's share of the Pension Fund's Net Assets as per the draft accounts and the final rate of return on assets for the full year.

As the difference is not above our materiality level, we conclude that the balance is materially fairly stated and do not modify our audit opinion in respect of this matter.

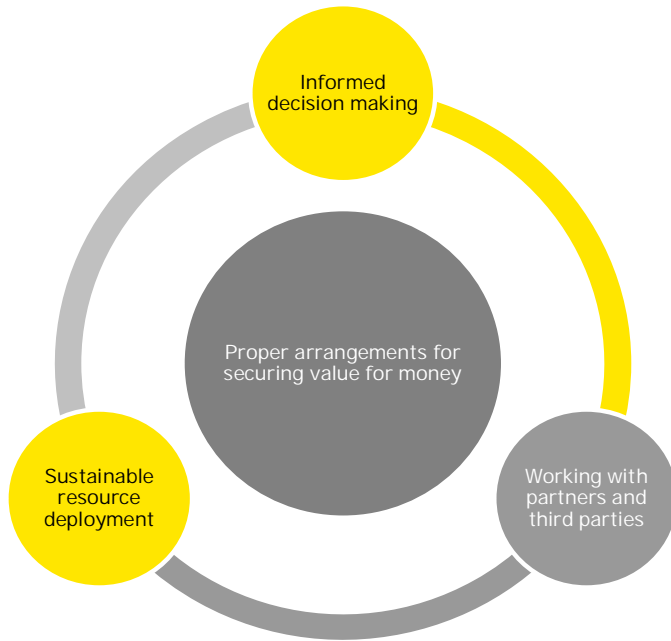

05

Value for Money

Value for Money

Background

We are required to consider whether the Council has put in place 'proper arrangements' to secure economy, efficiency and effectiveness on its use of resources. This is known as our value for money conclusion.

For 2019/20 this is based on the overall evaluation criterion:

"In all significant respects, the audited body had proper arrangements to ensure it took properly informed decisions and deployed resources to achieve planned and sustainable outcomes for taxpayers and local people"

Proper arrangements are defined by statutory guidance issued by the National Audit Office. They comprise your arrangements to:

- Take informed decisions;
- Deploy resources in a sustainable manner; and
- Work with partners and other third parties.

In considering your proper arrangements, we will draw on the requirements of the CIPFA/SOLACE framework for local government to ensure that our assessment is made against a framework that you are already required to have in place and to report on through documents such as your annual governance statement.

Impact of covid-19 on our Value for Money assessment

On 16 April 2020 the National Audit Office published an update to auditor guidance in relation to the 2019/20 Value for Money assessment in the light of covid-19. This clarified that in undertaking the 2019/20 Value for Money assessment auditors should consider Local Authorities' response to Covid-19 only as far as it relates to the 2019-20 financial year; only where clear evidence comes to the auditor's attention of a significant failure in arrangements as a result of Covid-19 during the financial year, would it be appropriate to recognise a significant risk in relation to the 2019-20 VFM arrangements conclusion.

Overall conclusion

We did not identify any significant risks around these criteria.

We therefore expect having no matters to report about your arrangements to secure economy, efficiency and effectiveness in your use of resources.

06 Other reporting issues

Other reporting issues

Consistency of other information published with the financial statements, including the Annual Governance Statement

We must give an opinion on the consistency of the financial and non-financial information in the Statement of Accounts 2019/20 with the audited financial statements

We must also review the Annual Governance Statement for completeness of disclosures, consistency with other information from our work, and whether it complies with relevant guidance.

Financial information in the Narrative Statement and published with the financial statements was consistent with the audited financial statements

We have reviewed the Annual Governance Statement and can confirm it is consistent with other information from our audit of the financial statements and we have no other matters to report.

Whole of Government Accounts

Alongside our work on the financial statements, we also review and report to the National Audit Office on your Whole of Government Accounts return. The extent of our review, and the nature of our report, is specified by the National Audit Office. The instruction for 2019/20 is yet to be issued.

While the instruction is still to be issued, the NAO have indicated there will not be a change in the threshold (£500m) for full procedures. Therefore, we anticipate that we will have no issues to raise.

Other powers and duties

We have a duty under the Local Audit and Accountability Act 2014 to consider whether to report on any matter that comes to our attention in the course of the audit, either for the Council to consider it or to bring it to the attention of the public (i.e. "a report in the public interest"). We did not identify any issues which required us to issue a report in the public interest.

We also have a duty to make written recommendations to the Council, copied to the Secretary of State, and take action in accordance with our responsibilities under the Local Audit and Accountability Act 2014. We did not identify any issues.

Other matters

As required by ISA (UK&I) 260 and other ISAs specifying communication requirements, we must tell you significant findings from the audit and other matters if they are significant to your oversight of the New Forest District Council's financial reporting process. We have no other matters to report.

07

Assessment of Control Environment

Assessment of Control Environment

Financial controls

It is the responsibility of the New Forest District Council to develop and implement systems of internal financial control and to put in place proper arrangements to monitor their adequacy and effectiveness in practice. Our responsibility as your auditor is to consider whether the New Forest District Council has put adequate arrangements in place to satisfy itself that the systems of internal financial control are both adequate and effective in practice.

As part of our audit of the financial statements, we obtained an understanding of internal control sufficient to plan our audit and determine the nature, timing and extent of testing performed. As we have adopted a fully substantive approach, we have therefore not tested the operation of controls.

Although our audit was not designed to express an opinion on the effectiveness of internal control we are required to communicate to you significant deficiencies in internal control.

We have not identified any significant deficiencies in the design or operation of an internal control that might result in a material misstatement in your financial statements of which you are not aware.

We considered whether circumstances arising from COVID-19 resulted in a change to the overall control environment of effectiveness of internal controls, for example due to significant staff absence or limitations as a result of working remotely. We identified no issues which we wish to bring to your attention.

08

Independence

Confirmation and analysis of Audit fees

We confirm there are no changes in our assessment of independence since our confirmation in our audit planning board report dated January 2020.

We complied with the APB Ethical Standards. In our professional judgement the firm is independent and the objectivity of the audit engagement partner and audit staff has not been compromised within the meaning of regulatory and professional requirements.

We consider that our independence in this context is a matter that should be reviewed by both you and ourselves. It is therefore important that you and your Audit Committee consider the facts of which you are aware and come to a view. If you wish to discuss any matters concerning our independence, we will be pleased to do so at the forthcoming meeting of the Audit Committee on 23 October 2020.

Our fees do not include the scale fee review which is currently underway with PSAA to agree whether the scale fees need to be rebased to properly account for the increased audit and quality requirements as well as increased regulatory challenge on the depth and quality of assurance provided by audit suppliers. There is now greater pressure on firms to deliver higher quality audits by requiring auditors to demonstrate greater professional scepticism when carrying out their work. This has resulted in auditors needing to exercise greater challenge to the areas where management makes judgements or relies upon advisers, for example, in relation to estimates and related assumptions within the accounts. Discussions with PSAA remain ongoing.

As part of our reporting on our independence, we set out below a summary of the fees you have paid us in the year ended 31 March 2020.

We confirm that we have not undertaken non-audit work.

Description	Final Fee 2019/20 £	Planned Fee 2019/20 £	Final Fee 2018/19 £
Audit Fee – Code work	£43,522 ⁽¹⁾	£42,721	£44,103
Additional Covid-19 Related Costs	TBC ⁽²⁾	N/A	N/A
Total Audit Fee	TBC	£42,721	£44,103

All fees exclude VAT

Note

- 1) An additional Scale Fee Variation of £801 has been submitted for IAS 19 Protocol Assurance provided by the Hampshire Pension Fund Auditors
- 2) We will hold discussions with officers regarding the additional fee for the work required in relation to Covid-19, specifically in relation additional costs for PPE & IP valuation work and going concern work

The final fee for our Code work will be confirmed upon completion of the audit

09 Appendices

Appendix A

Required communications with the Audit Committee

There are certain communications that we must provide to the Audit Committees of UK clients. We have detailed these here together with a reference of when and where they were covered:

		 Our Reporting to you
 Required communications	 What is reported?	  When and where
Terms of engagement	Confirmation by the Audit Committee of acceptance of terms of engagement as written in the engagement letter signed by both parties.	The statement of responsibilities serves as the formal terms of engagement between the PSAA's appointed auditors and audited bodies
Our responsibilities	Reminder of our responsibilities as set out in the engagement letter.	Audit Planning Report – January 2020
Planning and audit approach	Communication of the planned scope and timing of the audit, any limitations and the significant risks identified.	Audit Planning Report – January 2020
Significant findings from the audit	<ul style="list-style-type: none"> • Our view about the significant qualitative aspects of accounting practices including accounting policies, accounting estimates and financial statement disclosures • Significant difficulties, if any, encountered during the audit • Significant matters, if any, arising from the audit that were discussed with management • Written representations that we are seeking • Expected modifications to the audit report • Other matters if any, significant to the oversight of the financial reporting process 	Audit Results Report – October 2020

Appendix A

		Our Reporting to you
Required communications	What is reported?	When and where
Going concern	<p>Events or conditions identified that may cast significant doubt on the entity's ability to continue as a going concern, including:</p> <ul style="list-style-type: none"> • Whether the events or conditions constitute a material uncertainty • Whether the use of the going concern assumption is appropriate in the preparation and presentation of the financial statements • The adequacy of related disclosures in the financial statements 	No conditions or events were identified, either individually or together to raise any doubt about New Forest District Council's ability to continue for the 12 months from the date of our report
Misstatements	<ul style="list-style-type: none"> • Uncorrected misstatements and their effect on our audit opinion • The effect of uncorrected misstatements related to prior periods • A request that any uncorrected misstatement be corrected • Material misstatements corrected by management 	Audit Results Report – October 2020
Subsequent events	<ul style="list-style-type: none"> • Enquiry of the audit committee where appropriate regarding whether any subsequent events have occurred that might affect the financial statements. 	Audit Results Report – October 2020
Fraud	<ul style="list-style-type: none"> • Enquiries of the Audit Committee to determine whether they have knowledge of any actual, suspected or alleged fraud affecting the Council • Any fraud that we have identified or information we have obtained that indicates that a fraud may exist • Unless all of those charged with governance are involved in managing the Council, any identified or suspected fraud involving: <ol style="list-style-type: none"> a. Management; b. Employees who have significant roles in internal control; or c. Others where the fraud results in a material misstatement in the financial statements. • The nature, timing and extent of audit procedures necessary to complete the audit when fraud involving management is suspected • Any other matters related to fraud, relevant to Audit Committee responsibility. 	<p>Audit results report – October 2020</p> <p>Enquiries were made during the audit, and there are no issues to report to you.</p>

Appendix A

		Our Reporting to you
Required communications	What is reported?	When and where
Related parties	<p>Significant matters arising during the audit in connection with the Council’s related parties including, when applicable:</p> <ul style="list-style-type: none"> • Non-disclosure by management • Inappropriate authorisation and approval of transactions • Disagreement over disclosures • Non-compliance with laws and regulations • Difficulty in identifying the party that ultimately controls the Council 	<p>Audit Results Report – October 2020</p> <p>No issues to report</p>
Independence	<p>Communication of all significant facts and matters that bear on EY’s, and all individuals involved in the audit, objectivity and independence.</p> <p>Communication of key elements of the audit engagement partner’s consideration of independence and objectivity such as:</p> <ul style="list-style-type: none"> • The principal threats • Safeguards adopted and their effectiveness • An overall assessment of threats and safeguards • Information about the general policies and process within the firm to maintain objectivity and independence <p>Communications whenever significant judgments are made about threats to objectivity and independence and the appropriateness of safeguards put in place.</p>	<p>Audit Planning Report – January 2020</p> <p>Audit Results Report – October 2020</p>

Appendix A

		Our Reporting to you
Required communications	What is reported?	When and where
External confirmations	<ul style="list-style-type: none"> Management's refusal for us to request confirmations Inability to obtain relevant and reliable audit evidence from other procedures. 	We have received all requested confirmations
Consideration of laws and regulations	<ul style="list-style-type: none"> Subject to compliance with applicable regulations, matters involving identified or suspected non-compliance with laws and regulations, other than those which are clearly inconsequential and the implications thereof. Instances of suspected non-compliance may also include those that are brought to our attention that are expected to occur imminently or for which there is reason to believe that they may occur Enquiry of the audit committee into possible instances of non-compliance with laws and regulations that may have a material effect on the financial statements and that the audit committee may be aware of 	We have asked management and those charged with governance. We have not identified any material instances or non-compliance with laws and regulations
Significant deficiencies in internal controls identified during the audit	<ul style="list-style-type: none"> Significant deficiencies in internal controls identified during the audit. 	We have not identified any significant deficiencies in internal controls.

		Our Reporting to you
Required communications	What is reported?	When and where
Written representations we are requesting from management and/or those charged with governance	<ul style="list-style-type: none"> Written representations we are requesting from management and/or those charged with governance 	Audit results report – October 2020
Material inconsistencies or misstatements of fact identified in other information which management has refused to revise	<ul style="list-style-type: none"> Material inconsistencies or misstatements of fact identified in other information which management has refused to revise 	Audit results report – October 2020 No issues to report
Auditors report	<ul style="list-style-type: none"> Any circumstances identified that affect the form and content of our auditor’s report 	Audit results report – October 2020 No such circumstances identified
Fee Reporting	<ul style="list-style-type: none"> Breakdown of fee information when the audit planning report is agreed Breakdown of fee information at the completion of the audit Any non-audit work 	Audit Planning Report – January 2020 Audit results report – October 2020
Certification work	<ul style="list-style-type: none"> Summary of certification work 	Audit results report – October 2020

Management representation letter

Management Rep Letter

Ernst & Young LLP

Grosvenor House
Grosvenor Square
Southampton
Hampshire
SO15 2BE

This letter of representations is provided in connection with your audit of the financial statements of New Forest District Council ("the Council") for the year ended 31 March 2020. We recognise that obtaining representations from us concerning the information contained in this letter is a significant procedure in enabling you to form an opinion as to whether the financial statements give a true and fair view of the financial position of New Forest District Council as of 31 March 2020 and of its income and expenditure for the year then ended in accordance with CIPFA LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2019/20.

We understand that the purpose of your audit of our financial statements is to express an opinion thereon and that your audit was conducted in accordance with International Standards on Auditing (UK), which involves an examination of the accounting system, internal control and related data to the extent you considered necessary in the circumstances, and is not designed to identify - nor necessarily be expected to disclose - all fraud, shortages, errors and other irregularities, should any exist.

Accordingly, we make the following representations, which are true to the best of our knowledge and belief, having made such inquiries as we considered necessary for the purpose of appropriately informing ourselves:

A. Financial Statements and Financial Records

1. We have fulfilled our responsibilities, under the relevant statutory authorities, for the preparation of the financial statements in accordance with the Accounts and Audit Regulations 2015 and CIPFA LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2019/20.

2. We acknowledge, as members of management of the Council, our responsibility for the fair presentation of the financial statements. We believe the financial statements referred to above give a true and fair view of the financial position, financial performance (or results of operations) and cash flows of the Council in accordance with the CIPFA LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2019/20. We have approved the financial statements.
3. The significant accounting policies adopted in the preparation of the financial statements are appropriately described in the financial statements.
4. As members of management of the Council, we believe that the Council has a system of internal controls adequate to enable the preparation of accurate financial statements in accordance with the CIPFA LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2019/20, that are free from material misstatement, whether due to fraud or error. We have disclosed to you any significant changes in our processes, controls, policies and procedures that we have made to address the effects of the COVID-19 pandemic on our system of internal controls.
5. We believe that the effects of any unadjusted audit differences, summarised in the accompanying schedule, accumulated by you during the current audit and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements taken as a whole.

B. Non-compliance with law and regulations, including fraud

1. We acknowledge that we are responsible to determine that the Council's activities are conducted in accordance with laws and regulations and that we are responsible to identify and address any non-compliance with applicable laws and regulations, including fraud.
2. We acknowledge that we are responsible for the design, implementation and maintenance of internal controls to prevent and detect fraud.
3. We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.

Management representation letter

Management Rep Letter

4. We have no knowledge of any identified or suspected non-compliance with laws or regulations, including fraud that may have affected the Council (regardless of the source or form and including, without limitation, allegations by “whistleblowers”) including non-compliance matters:
 - involving financial statements;
 - related to laws and regulations that have a direct effect on the determination of material amounts and disclosures in the Council’s financial statements;
 - related to laws and regulations that have an indirect effect on amounts and disclosures in the financial statements, but compliance with which may be fundamental to the operations of the Council’s activities, its ability to continue to operate, or to avoid material penalties;
 - involving management, or employees who have significant roles in internal controls, or others; or
 - in relation to any allegations of fraud, suspected fraud or other non-compliance with laws and regulations communicated by employees, former employees, analysts, regulators or others.

C. Information Provided and Completeness of Information and Transactions

1. We have provided you with:
 - Access to all information of which we are aware that is relevant to the preparation of the financial statements such as records, documentation and other matters;
 - Additional information that you have requested from us for the purpose of the audit; and
 - Unrestricted access to persons within the entity from whom you determined it necessary to obtain audit evidence.

2. All material transactions have been recorded in the accounting records and all material transactions, events and conditions are reflected in the financial statements, including those related to the COVID-19 pandemic.
3. We have made available to you all minutes of the meetings of the Full Council, Cabinet and Audit Committees (or summaries of actions of recent meetings for which minutes have not yet been prepared) held through the year to the most recent meeting on the following date: 23 October 2020.
4. We confirm the completeness of information provided regarding the identification of related parties. We have disclosed to you the identity of the Council’s related parties and all related party relationships and transactions of which we are aware, including sales, purchases, loans, transfers of assets, liabilities and services, leasing arrangements, guarantees, non-monetary transactions and transactions for no consideration for the period ended, as well as related balances due to or from such parties at the year end. These transactions have been appropriately accounted for and disclosed in the financial statements.
5. We believe that the significant assumptions we used in making accounting estimates, including those measured at fair value, are reasonable.
6. We have disclosed to you, and the Council has complied with, all aspects of contractual agreements that could have a material effect on the financial statements in the event of non-compliance, including all covenants, conditions or other requirements of all outstanding debt.
7. From the date of our last management representation letter (26 July 2019) through the date of this letter we have disclosed to you any unauthorized access to our information technology systems that either occurred or to the best of our knowledge is reasonably likely to have occurred based on our investigation, including of reports submitted to us by third parties (including regulatory agencies, law enforcement agencies and security consultants) , to the extent that such unauthorized access to our information technology systems is reasonably likely to have a material impact to the financial statements, in each case or in the aggregate.

Management representation letter

Management Rep Letter

D. Liabilities and Contingencies

1. All liabilities and contingencies, including those associated with guarantees, whether written or oral, have been disclosed to you and are appropriately reflected in the financial statements.
2. We have informed you of all outstanding and possible litigation and claims, whether or not they have been discussed with legal counsel.
3. We have recorded and/or disclosed, as appropriate, all liabilities related litigation and claims, both actual and contingent, and have disclosed in the financial statements all guarantees that we have given to third parties.

E. Subsequent Events

1. Other than described in the financial statements, there have been no events subsequent to period end which require adjustment of or disclosure in the financial statements or notes thereto.

F. Other information

1. We acknowledge our responsibility for the preparation of the other information. The other information comprises the Narrative Report.
2. We confirm that the content contained within the other information is consistent with the financial statements.

G. Going Concern

1. Note 56 to the financial statements discloses all the matters of which we are aware that are relevant to the Council's ability to continue as a going concern, including significant conditions and events, our plans for future action, and the feasibility of those plans.

H. Reserves

1. We have properly recorded or disclosed in the financial statements the useable and unusable reserves.

G. Use of the Work of a Specialist

1. We agree with the findings of the specialists that we engaged in generating the IAS19 pension disclosures and PPE valuations and have adequately considered the qualifications of the specialists in determining the amounts and disclosures included in the financial statements and the underlying accounting records. We did not give or cause any instructions to be given to the specialists with respect to the values or amounts derived in an attempt to bias their work, and we are not otherwise aware of any matters that have had an effect on the independence or objectivity of the specialists.

H. Estimates

1. We believe that the measurement processes, including related assumptions and models, used to determine the accounting estimates have been consistently applied and are appropriate in the context of the applicable financial reporting framework.
2. We confirm that the significant assumptions used in making the valuation of PPE & IP assets, and the IAS19 disclosure estimates appropriately reflect our intent and ability to carry out specific courses of action on behalf of the entity.
3. We confirm that the disclosures made in the financial statements with respect to the accounting estimates are complete, including the effects of the COVID-19 pandemic, and made in accordance with the applicable financial reporting framework.
4. We confirm that no adjustments are required to the accounting estimates and disclosures in the financial statements due to subsequent events, including due to the COVID-19 pandemic.

I. Retirement benefits

1. On the basis of the process established by us and having made appropriate enquiries, we are satisfied that the actuarial assumptions underlying the scheme liabilities are consistent with our knowledge of the business. All significant retirement benefits and all settlements and curtailments have been identified and properly accounted for.
