Hampshire Constabulary is a responsible authority and the applicant has the delegated authority of the Chief Officer of Police in respect of his responsibilities under the Licensing Act 2003

Form for representations/objections from Hampshire Constabulary

This application to object relates to the following licensing objective(s)

- | | | | |
|----|--------------------------------------|-------------------------------------|--|
| 1) | The prevention of crime and disorder | <input checked="" type="checkbox"/> | |
| 2) | Public safety | <input checked="" type="checkbox"/> | <i>Please select
one or more
boxes</i> |
| 3) | The prevention of public nuisance | <input checked="" type="checkbox"/> | |
| 4) | The protection of children from harm | <input checked="" type="checkbox"/> | |

Please state the ground(s) for -objection-:

The notice to which this objection relates is for a 2 day music festival to be held in two adjoining fields in Lymington. Although the notice states it is for a "cultural" event, clearly this can be interpreted in many ways depending on your music preference.

The notice states that 499 persons will watch the performers of live music from 2 stages. Food vans will be available and a large number of the 499 are expected to camp and may produce 175 vehicles.

The notice alludes to the fact that it will be an over 18 event which will be ticketed but offers no further details.

Due to the likelihood that such an event will undermine the 4 licensing objectives, we have requested, via email further information to alleviate our concerns. The points we asked to be covered are:

Prevention of Crime and Disorder Licensing Objective:

- Is this a pay to enter event?
- How are you controlling the numbers of people?
- Will a refusals book and incident log be kept?
- Is there a policy for dealing with altercations, excess alcohol, missing child etc. (please explain each)?

With an expected attendance of 499, live music and alcohol it is likely that there may be crime, disorder, anti-social behaviour and nuisance to residents either from noise or an increase in vehicular traffic in the area.

Little is known of any control measures or safety issues that may arise during the event. Without log books there is no evidence of self-policing the event and as such, this is open to abuse by staff at the site. There is no known training for staff involved in the sale of alcohol, no control measures in place to secure alcohol on site so the likelihood of theft is increased.

Public Safety:

- Is the event area being sectioned off? If so how many entrances and exits?
- Will you have SIA registered door staff or/and stewards?
- Can people bring their own alcohol to the event?
- What vessels will be used for drinks? & will alcohol be de-canted?
- What traffic management plan is in place?

With a weekend of no control over who attends and how they interact at the event it is very likely that

Form for representations/objections from Hampshire Constabulary

issues could arise and quickly get out of hand. There is no mention on how age verification checks will be completed, recorded or presented for inspection. There is mention within the application that there is car parking for in excess of 150 vehicles, how will the ingress & egress of these be managed, what is the expected impact on the local community, are the local community aware of the event?

There is a plan of two field but nothing of a proposed layout, nothing in the way of emergency plan, nothing for emergency access, no mention of first aid provision, there is a provision of camping mentioned but how will this be contained, how will this be secure to prevent crime.

Prevention of Public Nuisance:

- What sound levels will be set?
- Is the event area being sectioned off? If so how many entrances and exits?

There is no information as to the control of alcohol, no information as to the selling of alcohol or what measures will be in place to stop proxy sales or sales to children if they gain entry.

Is there a company in mind that are fully trained in security incidents?

What is in place to ensure that only those with tickets have purchased them correctly, that they are real tickets and not fakes which would massively influence the expected numbers.

Protection of Children from Harm:

- Will you have SIA registered door staff or/and stewards?
- Will the bar be operating an age verification policy? Please provide details
- Is there a policy for dealing with altercations, excess alcohol, missing child etc.? (Please explain each)
- Please supply a site plan/map of the area that is to be licensed.

What controls are there to ensure that the event will be over 18's only? There is no information as to how children will be protected from harm, how they will be safeguarded if the needs arise, no emergency plan or statement of how missing persons will be managed and progressed.

Above all this there is no risk assessment or Co-vid management plan should the current worst case scenario become a reality? As it stands, the latest Health protection Regulations are in force and there is only guidance and implied speculation that the regulations will be lifted.

Police have attempted to engage with the proposer on 3 occasions, both via email and telephone to address the points and expressed the need for timely reply but nothing has been forthcoming.

As such with little to no confidence that this event will have nothing but a negative impact on the local area and community and the licensing objectives will be undermined, the Chief Officer of Police Objects to this notice and requests that a counter notice is served.

It is an offence, under section 158 of the Licensing Act 2003 to make a false statement in or in connection with this representation

Police recommendations (including any conditions)

Issue counter notice
