To whom it may concern,

Firstly, we'd like to apologise for the delay in responding. Our email was listed incorrectly on one of the forms - please send all replies going forward to [REDACTED] as this is where we are reachable. Thank you to Christa for passing this onto our correct inbox - unfortunately it then went into the junk folder but we were able to recover it yesterday. As mentioned in the attached, we realise excuses provide little merit, however we really were all looking out for this email actively.

Please see attached our responses to objections and potential concerns, we hope that we have cleared up any outstanding issues for you.

Yours sincerely,

The Southern Vibrations Team
