Good afternoon Mark

Please may you advise whether you have had a chance to have a look at the response to your objection and questions therein from the notice giver and if this satisfies the Police in withdrawing their objection.

Due to the statutory time constraints, I would be grateful if you could advise whether Hampshire Constabulary still wish to maintain their objection as soon as possible (by no later than tomorrow morning) in order for us to proceed with matters in arranging the hearing.

I look forward to hearing from you.

Kind regards,

To whom it may concern,

Firstly, we'd like to apologise for the delay in responding. Our email was listed incorrectly on one of the forms - please send all replies going forward to [REDACTED] as this is where we are reachable. Thank you to Christa for passing this onto our correct inbox - unfortunately it then went into the junk folder but we were able to recover it yesterday. As mentioned in the attached, we realise excuses provide little merit, however we really were all looking out for this email actively.

Please see attached our responses to objections and potential concerns, we hope that we have cleared up any outstanding issues for you.

Yours sincerely,

The Southern Vibrations Team

A Temporary Event Notice was received by this Authority on **12 March 2021** . You should also be in receipt of a copy of this notice.

This is a reminder that, should you be satisfied that allowing the premises to be used in accordance with the Notice would undermine any of the licensing objectives, you must give both the premises user and the Licensing Authority an Objection Notice stating the reasons. The Objection Notice must be given no later than **three** working days after you received your copy of the Temporary Event Notice.

I can confirm that this Authority has acknowledged receipt of the Notice.
