Dear Sir/Madam,

Application for a New Premises Licence under Section 17 of the Licensing Act (2003)

Tesco Stores Limited, 1 Butlers Lane, Poulner, Ringwood, BH24 1UB

We wish to make an application for a new Premises Licence under Section 17 of the Licensing Act 2003 for the above proposed store.

We duly enclose:

Application for a new Premises Licence under Section 17 of the Licensing Act 2003
Completed DPS Consent Form
Plan of the premises drawn in accordance with the regulations
Copy of Tesco Stores Limited policy on the Provision of Portable Fire-Fighting Equipment.
Payment of £315.00 in respect of the fee payable

Application Form

We have made our application in line with the legislation set out in the Licensing Act 2003 and its supporting regulations including the steps we will take to promote the Licensing Objectives.

Plans

The area in which we propose to sell alcohol is shown on the plan and this is denoted as within the red line boundary.

We are not able to denote all types and exact location of safety equipment on our store plans. We have, however, enclosed a copy of our policy on the provision of portable fire-fighting equipment within stores.

This document clearly lays down the policies and systems adopted in all stores as to the placement of fire fighting equipment and safety notices.

Responsible Authorities

As we have lodged this application online, we will assume that you will send a copy of this letter, application and all supporting documents to the relevant responsible authorities.

However, if you would like us to send a copy then please inform us of this via email.

Advertisements

We can confirm that notices advertising the application will be displayed at the premises from **09/03/2021 to 05/04/2021** in accordance with the required legislation.

We can also confirm that an advert will be placed in a local newspaper within the required time scale.

If you have any comments or queries regarding this application, please do not hesitate to contact us so that we can resolve any issues.

Please could acknowledge receipt of this application via email to licensing.team@tesco.com.

We thank you for your assistance in this matter.

Yours faithfully

Provision of Portable Fire-Fighting Equipment at Tesco Stores

General

Portable fire extinguishers are provided as a means of first aid fire fighting equipment but should not be considered for use on a large fire or as an aid to escape. Their portability and immediate availability allows for prompt intervention by an individual at the start of a fire.

Therefore the suitability and location will dictate the types and quantity of fire fighting equipment that is required

Suitability

Imprex Foam Extinguisher

The general purpose extinguisher deployed at Tesco stores is a 6 Litre foam (Imprex) extinguisher. It can be used on solid carbonaceous fires (Class A) involving fuels such as timber, paper, plastic etc or on flammable liquid fires, such as petrol or cooking oil (Class B).

A simple formula is used to calculate the minimum number of general purpose (class A) and (class B) extinguishes that should be provided:

$$\frac{\text{The gross floor area (metres)} \times 0.065}{27^*} = \text{Number Class A extinguishers required (rounded up)}$$

(27 being the 'A' rating of the extinguisher)

$$\frac{\text{Largest volume of spill of flammable liquid (litres)} \times 10}{183^*} = \text{Number of Class B extinguishers required}$$

(183 being the 'B' rating of the extinguisher)

Carbon Dioxide Extinguisher

These are provided by Tesco stores on fires involving live electric equipment. There is no guidance on the numbers required, however, due to widespread use of electrical equipment in Tesco stores, they are readily available in most areas

Additionally fire blankets are available in cooking areas.

Location

A person should not travel more than 30 metres to reach a suitable fire extinguisher from any point within the store. Additional extinguishers (above those needed to achieve an 'A' rating) may need to be provided to meet this requirement, but this is unlikely due to the layout of most Tesco stores.

Where possible, extinguishers are located adjacent to fire alarm call points (which in turn are adjacent to fire exits) forming a fire point, where the alarm can be raised and a decision made whether to attempt to tackle the fire or flee through the exit.

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b, c, d and e) (please read guidance note 10)

Tesco is a large national operator with a range of head office and local support. The company has devised policies, procedures, systems and training to ensure that they sell alcohol in a responsible manner.

There is a detailed training programme which ensures that comprehensive training is provided to employees having regard to their role and the responsibilities and such training is regularly reviewed and appropriate records kept.

b) The prevention of crime and disorder

The premises will have digital CCTV system that covers many areas of the shop floor, including the main area which will be used for display of alcohol.

Images will be retained for a minimum of 21 days

A member of the Management team will ordinarily be on the premises all the time the store is open and person will have responsibility for the premises whilst the premises are open.

c) Public safety

The premises licence holder is fully aware of its responsibilities under a range of health and safety related legislation and has appropriate policies and procedures in place to be confident of complying with the relevant obligations which arise.

d) The prevention of public nuisance

The company has a “good neighbour” policy which seeks to ensure that the premises play an active part in the local community.

e) The protection of children from harm

The premises will operate a Think 25 policy. The checkouts will be programmed to prompt the checkout assistant when an alcohol product is scanned at the till to follow the Think 25 policy.

Colleagues will receive appropriate training both in relation to the underlying law and the Tesco policy, systems and procedures. This training will be documented and repeated as often as Tesco believes to be appropriate.

Where your application includes off-supplies of alcohol and you intend to provide a place for consumption of these off-supplies, you must include a description of where the place will be and its proximity to the premises.
2. In terms of specific regulated entertainments please note that:
 - Plays: no licence is required for performances between 08:00 and 23.00 on any day, provided that the audience does not exceed 500.
 - Films: no licence is required for 'not-for-profit' film exhibition held in community premises between 08.00 and 23.00 on any day provided that the audience does not exceed 500 and the organiser (a) gets consent to the screening from a person who is responsible for the premises; and (b) ensures that each such screening abides by age classification ratings.

Combined fighting sports – defined as a contest, exhibition or display which combines boxing or wrestling with one or more martial arts – are licensable as a boxing or wrestling entertainment rather than an indoor sporting event.
 - Live music: no licence permission is required for:
 - a performance of unamplified live music between 08.00 and 23.00 on any day, on any premises.
 - a performance of amplified live music between 08.00 and 23.00 on any day on premises authorised to sell alcohol for consumption on those premises, provided that the audience does not exceed 500.

- 15. Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:**

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
