James Lofthouse started this petition to You have the power to make this change happen and 1 other

For the last 20+ years, 3 Butlers Lane has always been an off licence both shops have always worked fluidly with each other until recently when TESCO has decided to break out of their lease agreement and apply for an alcohol licence.

Not only will this disrupt trade of the "WINE BOX" but it will also drive it out of business because of the pricing war between the two shops, Independent shops in the local community are so important and this is going to be lost if their application is successful.

The "Wine Box" has been in the community for 8+years, before the "Wine Box" it was "Threshers" for 12+ years, all the while operating successfully and unhindered alongside each other.

Recent events have led me, one of the staff in the "WINE BOX" to make this petition.

I hope you understand why it is important to keep local trade alive and keep the community shops active.

Sunday 14th March.
