Q) Proposals by the applicant in order to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

The types of regulated entertainment proposed reinstate the normal pub and family entertainments that were previously unregulated.

Facilities for the live and recorded music, dancing and voice are proposed in support of bookings events and the business of a family friendly public house.

No new steps have been identified by risk assessment in relation to the full licensing objective except as below.

The terms of the Local Licensing Policy have been considered in prepared in this application.

b) The prevention of crime and disorder

Not less than 5 working days written notice will be provided to the Police on 'Event Days' during existing permitted hours.

Better management of departure of customers as the renewed hours will allow varied departure times, which will promote gradual and orderly dispersal of customers.

The extension of hours will result in alcohol being consumed less quickly.

c) Public Safety

No risks that are not covered by the legislation.

d) The prevention of public nuisance

Music will end half an hour before closing.

There will be no more than 12 external events per annum.

At all times prior to 23:00 hours, music and noise emanating from the premises, whilst audible, shall be so low that distinct tunes, lyrics, musical instruments and any base beat cannot be recognised at the boundary of all noise sensitive premises.

The licensee or nominated representative shall receive and respond to complaints throughout the duration of the regulated entertainment.

At all times after 23:00 hours, music and noise emanating from the premises shall be inaudible at the boundary of all noise sensitive premises.

All external doors and windows shall be kept closed, other than for access and egress, when events involving live and/or amplified music (including amplified speech) are taking place.

For the purposes of this licence noise sensitive premises are defined as "Noise sensitive premises include premises used for residential purposes, hospitals or similar institutions, educational establishments (when in use), or places of worship (during recognised times and days of worship) or any premises used for any other purposes likely to be affected by the music noise."
