## **M**

Describe any additional steps you intend to take to promote the four licensing objectives as a result of the proposed variation:

### **a) General – all four licensing objectives (b, c, d and e) (please read guidance note 9)**

The types of regulated entertainment proposed reinstate the normal pub and family entertainments that were previously unregulated.  
Facilities for live and recorded music, dancing and voice are proposed in support of bookings, events and the business of a family friendly public house.  
No new steps have been identified by risk assessment in relation to the full licensing object except as stated below.  
The terms of the Local Licensing Policy have been considered in preparing this application.

### **b) The prevention of crime and disorder**

Not less than 5 working days written notice will be provided to the police on 'Event Days' during existing permitted hours. Better management of departure of customers as the renewed hours will allow varied departure times, aiding gradual and orderly dispersal of customers.  
The extension of hours will result in alcohol being consumed less quickly.  
Additional CCTV installed, which brings the total to 22 covering all key trading areas.

### **c) Public safety**

No risks that are not covered by legislation

### **d) The prevention of public nuisance**

Music will end at least 30 minutes before closing. There will be no more than 12 external events per annum.  
At all times prior to 23:00, music and noise emanating from the premises, whilst audible, shall be so low that distinct tunes, lyrics, musical instruments and any base beat cannot be recognised at the boundary of all noise sensitive premises.

### **e) The protection of children from harm**

The restrictions set out in the Licensing Act 2003 will apply. No unusual risk of harm to children, that are not already covered by other legislation have been identified.
