4. BUDGETS AND FINANCIAL CONTROL

GENERAL PRINCIPLES

Revenue Expenditure – Budget Movements

- 4.3 Budget provision may be moved from one budget heading to another.

The Section 151 Officer will determine whether a budget movement (where there is no increase in overall budget) can take place either as a transfer or as a virement.

Budget Transfers are movements between similar budget priorities and will require adherence to 4.3.1 – 4.3.4.

The relevant Service Accountant must be informed of all budget movements to ensure that the Financial Information System budget position is accurate, to assist budgetary control.

The Section 151 Officer must be notified before expenditure is committed and can veto any proposed budget movements.

4.5 Virement must not commit the Council to increased net expenditure in future years. Particular care is required if the virement is to an employee budget.

Ongoing requests that will lead to increasing expenditure in future years on a particular budget heading must identify the budget(s) for matching reductions for future years. Otherwise, the request must be considered as a supplementary budget rather than a virement.
