New Forest
DISTRICT COUNCIL

Licensing Act 2003

Representation form and guidance-Other persons

Under the Licensing Act 2003 objections can be raised against an application for a new premises licence or a variation of an existing licence.

The term used in the 2003 Act, regulations, and associated guidance is not “objections” but “representations”.

All representations must be relevant to at least one of the licensing objectives:-

- the prevention of crime and disorder
- public safety
- the prevention of public nuisance
- the protection of children from harm

Once an application for a premises licence has been accepted by the licensing authority, responsible authorities and other persons have 28 days starting on the day after the application is accepted to make representations.

Responsible authorities are the bodies that must be fully notified of applications and who are entitled to make representations to the licensing authority in relation to the application for the grant, variation or review of a premises licence.

Responsible Authorities are:-

- Licensing Authority
- Police
- Environmental Protection
- Trading Standards
- Local Safeguarding Children’s Board
- Health & Safety
- Fire & Rescue Service
- Local Planning Authority
- Maritime & Coastguard Agency (if applicable)
- Public Health

As well as responsible authorities, any “other person” can make representations.

It is also possible for a person to request that a representative makes a representation on their behalf – for example, a Member of Parliament or a local ward or parish councillor.

In addition to being relevant, representations must not be vexatious or frivolous and can be rejected on this basis.

If a licensing authority decides that representations are relevant, it must hold a hearing to consider them. The need for a hearing can only be avoided with the agreement of

the licensing authority, the applicant and all of the persons/agencies making relevant representations.

In determining an application with a view to promoting the licensing objectives, in the overall interests of the local community, the licensing authority must give appropriate weight to:

- the steps that are appropriate to promote the licensing objectives;
- the representations (including supporting information) presented by all the parties;
- Statutory Guidance;
- its own statement of licensing policy.

Representations must be made in writing and emailed or posted to Licensing Services. They may be amplified at the hearing or may stand in their own right. Additional points, which are not referred to in the original representation received during the 28 day period may not be referred to at the hearing. However if there are any additional documents that refer to the original matters that you wish to be included, these must be sent to Licensing Services at least 5 days before the hearing.

Planning and other issues

Unfortunately representations that concern traffic or parking cannot be accepted. This is because the licence holder cannot be held responsible for the use of the public highway outside of the premises. The licensing regime is separate from other local government functions including planning. If a premises licence is granted for the building this will not exempt the licence holder from having to obtain the necessary planning permission. We are therefore unable to accept representations that simply refer to the need for planning permission or refer to parking or an increase in traffic movements. These are issues that are considered when planning permission to use a building for an activity is considered.

It is recommended that representations are made on the following form.

Representation form for other persons

Full name	Desmond Thomas	Title	Mr
Home address	Applethwaite, SO43 7FR		
Email address	[REDACTED]		
Phone number			

Name of premises you wish to make a representation about	Minstead Lodge
Address of premises you wish to make a representation about	Seaman's Lane Minstead SO43 7F

Which of the four licensing objectives does your representation relate to?	(✓) Tick	Please add full details of your concerns regarding the application and include any evidence to support your representation. Please use separate sheets if necessary
Prevention of crime and disorder	✓	<p>This appears to be an unusual application which, requires an unusual set of objections/representations.</p> <p>I may have missed something, but I could find no reference on the Public Register of Licences to the possession, by Minstead Lodge, of an existing licence to supply alcohol.</p> <p>If this assessment is correct and the information contained in the advertisement found at Minstead Lodge Wedding Venue Lyndhurst, Hampshire hitched.co.uk is also correct, it would appear that, for a number of years, the proprietors of Minstead Lodge have been supplying alcohol without the required licence.</p> <p>NFDC planning records indicate that in 1976 the NFDC approved a change of use from Hotel/Wedding Venue to Residential Training College. If correct the above advertisement also indicates that the proprietors may be in breach of planning regulations and by implication;</p> <p>Building regulations -appropriate to use Fire regulations – applicable to use Health a safety regulation – applicable to staff, customers and the general public</p>

		<p>NFDC and NFPA policy - in relation noise, light and effluent pollution (NFDC records suggest that the sewage treatment works was installed in 1988 and by implication appropriate, at that time, to the requirements of a Residential Training College.</p> <p>In the absence of appropriate hotel accommodation – which would require a change of use and compliance with relevant regulations, guests, many of whom will, by the very nature of the event outline in the application, having consumed alcohol, will be obliged to leave the venue, drive down very narrow lanes to alternative accommodation.</p> <p>In these circumstances the NFDC is invited to consider the degree to which the granting of a licence may, in addition to increasing the possibility of drink driving -public disorder, also place the licensing authority at risk, for example in case of a fatal fire, of prosecution for failure to discharge a duty to protect the public.</p>
<p>Public safety</p>	<p>✓</p>	<p>Minstead Lodge is situated on top a hill, possibly the highest point in the area. Ground conditions are silt overlaying clay – rain drains quickly through the silt and quickly washes downhill into two adjacent water courses; one of which run through Brock Farm and the other alongside Football Green Road..</p> <p>There are two entrances to the lodge; one in Seamans Lane and the second in Football Green Road. As the name suggests, Seamans Lane is a narrow lane. Football Green Road is equally if not narrower than Seamans Lane. Both may be unsuitable for an increase in traffic</p>

	<p>and use by heavy goods vehicles. Indeed, where not protected by Dragon's teeth, the use by large goods vehicles delivering goods to Minstead Lodge appears to have contributed to erosion of verges of Foot Ball Green Road.</p> <p>In these circumstances it may not be unreasonable to ask the licencing authority to consider the degree to which, in addition to the issues outline in the previous section, the lack of appropriate infrastructure may impact public safety and as such provide legitimate grounds for objection. The following may be of particular concern</p> <p>Road safety (related to both people and animals). It may be legitimate, in the absence of roads which are capable of carrying a significant increase in both cars and heavy goods vehicles and given the added complication of free-range horses and cattle, to point to an increased risk created by the granting of a licence which, in the absence of hotel accommodation, may lead to a significant increase in risks to public safety associated with driving whilst impaired by alcohol.</p> <p>These risks may be compounded by the narrow nature of local roads along which people who having consumed alcohol, may be forced to drive, from what is a remote location, to alternative accommodation.</p> <p>Pollution</p> <p>In the absence of a private sewage treatment works which meets current standards appropriate to use (as previously stated NFDC records suggest that the current system was installed in 1988)</p> <p>Or</p> <p>Connection to public sewer network (I am told the village treatment works in currently at if not beyond capacity)</p> <p>The licensing authority may consider objections on grounds of, the risks to public safety, particularly to children who play in local water</p>
--	---

		<p>courses, arising from increased discharge of sewage and other pollutants arising from a want of appropriate sewage infrastructure.</p> <p>These concerns may be compounded by the limits on the capacity of the local water supply. In some areas the water pressure is so low properties require pumps and storage facilities. In these circumstances any significant increase in demand may reduce the capacity of the whole system to process waste, which in turn may result in an indirect increase to public safety and create a public nuisance.</p>
<p>Prevention of public nuisance</p>	<p>✓</p>	<p>The authority is invited to consider the degree to which all of the issues outlined in the previous sections provide legitimate grounds, for objections on grounds of public nuisance including those related to health issues.</p> <p>The authority also is invited to consider the degree to which the following may be regarded as legitimate reasons for objecting to the granting or if already in existence, variation of licence.</p> <p>The Lodge is situated on top of a hill which is possibly the highest point in the village.</p> <p>Access is gained through very narrow lanes.</p> <p>These lanes pass through and or may be adjacent to areas of outstanding natural beauty and Sites of Special Scientific Interest.</p> <p>The topography creates a situation which will amplify noise and light pollution and by implication the resulting public nuisance.</p>

	<p>On occasion we have already experienced noise pollution arising from celebration at the lodge. We believed that these events celebrated the work of the Trust, which we supported, rather than an, apparently unlicensed, commercial undertaking and as a result were willing to tolerate the limited nature of the nuisance.</p> <p>In our view a significant increase in the number of events together with an increase in the length – in effect 1000hrs to midnight (2330hs followed by 30 minutes drinking up time) would, given the topography and nature of the areas, create a significant public nuisance in terms of:</p> <p>Direct noise pollution arising from events, which, given previous events, will include live and other forms of music. During the summer months, the public nuisance resulting from events which may take place every weekend and some weekdays, may have a significant impact on the quality of life and health of all who live in the local area.</p> <p>Indirect noise pollution arising from the slamming of car doors coupled with a significant increase in traffic noise as customers, some of whom will have consumed significant quantities of alcohol seek leave the venue via very narrow roads may amplify the above.</p> <p>Pollution resulting, for example from wild camping as customers, seeking to avoid prosecution for drunk driving, park up and camp for example in areas of Special Scientific Interest (it may be worth noting recent concern resulting from the activities of young people involved in the Duke of Edinburgh scheme)</p> <p>Whilst light pollution may have less direct impact upon people's lives, as a potential breach of National Park Policy it may also be regarded as a public nuisance, for example in terms of its impact on wildlife and activities which require a reduction in light pollution.</p> <p>Public nuisance may also extend to an increase in collisions involving Forest Ponies, other livestock and the resulting impact on Commoners.</p>
--	---

<p>Protection of children from harm</p>	<p>✓</p>	<p>The authority also is invited to consider the degree to which in the absence of appropriate planning consents and compliance with;</p> <p>Building and electrical regulations – in relation to buildings use by children</p> <p>Fire regulations – in relation to buildings used by children</p> <p>Provision of facilities for the children of customers attendings events</p> <p>. Prevention of pollution which may have an adverse effect on the health of children who may paddle and play in local water courses</p> <p>Represent legitimate reasons to object to the granting of the licence</p>

**Are there any steps or conditions which the applicant could take or add to the application which would alleviate your concerns?
If yes – please give details below**

In my view the applicant should take the following action;

Prior to making application for a licence to sell alcohol, make application to the planning authority for change of use – from Residential Training College to Hotel

and Wedding Venue and in the course of so doing provide evidence of compliance with all relevant building and other regulations.

The granting of a change of use and by implication compliance with all relevant regulations would, in my view, provided a firm foundation on which to make an application.

Based on the available information the authority is invited to consider the degree to which the applicant is attempting to circumvent planning policies by obtaining a licence for a premises which may, for a number of years has conducted an unlicensed business in premises which may, in addition to being unsuitable, may represent a significant risk to customers and the public.

In these circumstances, in the absence of evidence showing that this is not the case, the authority is invited to consider the degree to which the granting of a licence may place the authority at risk of failing to discharge a public duty.

In the event that the applicant has obtained the relevant consents for a change of use and the application is for a variation of an existing licence;

1. Given the topography of the area, provide details of the actions designed to prevent significant noise pollution and contingent public nuisance.
2. Provide the National Park Authority and NFDC with evidence of compliance with their policies - in particular that related to light pollution
3. Ensure that their sewage treatment works complies with current discharge standards or link the lodge to the village sewer network
4. Provide the NFDC, Parish Council with evidence that the lodge will pay for any required upgrade in the, water supply, electricity supply, the capacity of the phone network, pay for any damage or erosion created by goods vehicles delivering alcohol and other goods to the lodge
5. Explain to all interested parties how, in the absence of adequate roads and other infrastructure, the applicant may prevent a significant increase in risks to public safety and avoid creating a significant public nuisance,

--

If you do make a representation, you will be invited to attend a Licensing Sub-Committee meeting where the application will be considered, together with any subsequent appeal proceedings.

Which of the four licensing objectives does your representation relate to?	(✓) Tick	Please add full details of your concerns regarding the application and include any evidence to support your representation. Please use separate sheets if necessary
Prevention of crime and disorder		
Public safety		I am concerned about the increased risk of people leaving by car who may have had too much to drink following an event. People with reduced awareness driving through the village puts people and livestock at increased risk of an incident.
Prevention of public nuisance		I am very concerned about the impact an alcohol licence will have. We live approx. ½ mile away from the lodge. We have heard previous noise when events have been held going on all day and late into the night. Even when it has finished this is often followed by the noise of people leaving, shouting, singing, car doors, engines revving etc.

		The impact this will have on our lives can not be understated. Having to go indoors and shut the doors/windows just to reduce the noise is frankly unacceptable, particularly in the summer months. It is unfair that our summer evenings should be affected so much by a business.
Protection of children from harm		

**Are there any steps or conditions which the applicant could take or add to the application which would alleviate your concerns?
If yes – please give details below**

I feel the only way to put any protections in place is to not allow a licence I'm afraid.

If you do make a representation you will be invited to attend a Licensing Sub-Committee meeting where the application will be considered, together with any subsequent appeal proceedings.

Prevention of crime and disorder		
Public safety		

<p>Prevention of public nuisance</p>		<p>I am a neighbour of Minstead Lodge and live immediately downhill of the Lodge in a southerly direction. I believe the pending licence application for Minstead Lodge will cause an unacceptable public nuisance and serious inconvenience to the enjoyment of my home.</p> <p>I truly believe the work the Minstead Trust does in support of those in need of residential care should be supported and have no objection to the occasional function. However, daily weddings requiring a liquor licence that run late into the evening/night during weekdays and weekends will inevitably lead to excessive and unacceptable noise, disruption and traffic movements in and around my home. It is inevitable the functions will spill out onto the southern terrace and since I am a short distance and downhill expect to be severally impacted and inconvenienced by this application if successful.</p>
<p>Protection of children from harm</p>		

**Are there any steps or conditions which the applicant could take or add to the application which would alleviate your concerns?
If yes – please give details below**

A very significant reduction in the number of events to no more than six per year and in any event not on weekday evenings.

If you do make a representation you will be invited to attend a Licensing Sub-Committee meeting where the application will be considered, together with any subsequent appeal proceedings.

Prevention of crime and disorder		
Public safety		

Prevention of public nuisance	√	I believe the application for a licence and change of use for the venue to parties, weddings , conferences etc will , if used 7 days a week and for the full extent of the licence , create a public nuisance for local residents. I believe the change of venue and the fact that the Lodge wishes to have a licence is fine. However I believe the duration which is practically unlimited could cause disruption and disturbance. The level of increased traffic may also be an issue given the secluded nature of the property and the narrowness of the lanes leading to the venue. By all means change use and have a licence but limit in some way the disruption to local residents.
Protection of children from harm		

**Are there any steps or conditions which the applicant could take or add to the application which would alleviate your concerns?
If yes – please give details below**

Reduce the hours of the licence or limit the aggregate number of weddings and conferences etc ie no music after say 22:00 or ensure it is indoors.

If you do make a representation you will be invited to attend a Licensing Sub-Committee meeting where the application will be considered, together with any subsequent appeal proceedings.

Prevention of crime and disorder		

Public safety		
Prevention of public nuisance	X	<p>The proposed application for an alcohol licence from 10am to 11pm 7 days a week, and 52 weeks a year is excessive and will cause inevitable nuisance until late into the night for the people living in the many surrounding houses especially along Seamans Lane. When previous events have been held the music and shouting could be heard as far as Football Green and beyond. The proposed change would potentially mean that this disruption to villagers' lives would be extended to every day and night of the year. Party-goers use the garden as well as the building, adding to the excessive noise. This is not an isolated location but is in the heart of a peaceful village. Whilst I support the aims of the Trust and their need to fundraise, this application has destroyed the goodwill and support for the Trust which has always existed within the village.</p>

There will be a late night noise nuisance if there is music & available alcohol late at night

Wedding guests will congregate outside especially in good weather.

They will not leave the location until after 11-11-30 pm .

An established hotel would be more suitable where guests can stay overnight.

If the license was restricted to afternoons it would reduce the problem.

There are only 2 narrow single track access roads leading up to Minstead lodge.

Each has a cattle grid where it joins the public road.

Traffic passing over the cattle grids late at night would disturb the occupants of houses adjoining the junctions

Public safety

✓ Prevention of public nuisance

Protection of children from harm

This proposed change of use will result in the creation of a noisy environment and increased traffic in a confined area and affect the quality of life for people in the nearby area. Surely there are plenty of existing places that could be used for weddings & other functions. Very surprised that the "Minstead Trust" would seek this change of use.

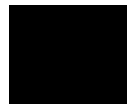

Are there any steps or conditions which the applicant could take or add to the application which would alleviate your concerns?

If yes – please give details below

No it is totalliy out of keeping with the area of confined housing.

If you do make a representation you will be invited to attend a Licensing Sub-Committee meeting where the application will be considered, together with any subsequent appeal proceedings.

Will you be prepared to attending a hearing?

Public safety		

<p>Prevention of public nuisance</p>		<p>The sale of alcohol for consumption on the premises will inevitably cause disturbance for the surrounding areas, this in turn would affect the calm and peaceful environment we currently have and as a result of enhanced noise and disturbance near us. Therefore, we are concerned about not being able to enjoy our gardens the way we should and also we don't want it to potentially disturb our sleep with events likely to be going on into the night.</p> <p>We are also concerned about individuals who have had a few too many coming down to the end of our road where we live, waiting for taxi's causing a nuisance when we have young children in our home.</p> <p>Where we are currently located right by a cattle grid to Minstead Lodge (their main entrance), we don't want increased traffic on this road, especially late at night on what could potentially be every weekend, as this would mean constant cars, who are often going too fast, going over the cattle grid which is already too loud as it is.</p>

Prevention of public nuisance	✓	Unfortunately, the terrace of Minstead Lodge is elevated above most of the surrounding properties which means sounds from it carries more easily. Our experience to date is that when parties are in progress, presumably with a licence, the volume and duration of this disturbance increases. We believe the management of the Lodge have been made aware but have noticed no resulting reduction in this nuisance. Our concern is that with daily year-round consent this will intrude further.
Protection of children from harm		

Are there any steps or conditions which the applicant could take or add to the application which would alleviate your concerns? If yes – please give details below

If parties were inside and the terrace was not used this must reduce the noise nuisance.

If you do make a representation you will be invited to attend a Licensing Sub-Committee meeting where the application will be considered, together with any subsequent appeal proceedings.

Will you be prepared to attending a hearing?	Yes

Name of premises you wish to make a representation about	Minstead Lodge,
Address of premises you wish to make a representation about	Seamans Lane, Minstead, SO43 7FT

Which of the four licensing objectives does your representation relate to?	(✓) Tick	Please add full details of your concerns regarding the application and include any evidence to support your representation. Please use separate sheets if necessary
Prevention of crime and disorder		
Public safety		
Prevention of public nuisance	✓	<p>At the moment, Minstead Lodge occasionally acts as the venue for weddings and this causes noise nuisance. This is without an alcohol license and it is only occasionally. If the Lodge is turned into a conference centre and wedding venue on a more permanent basis, and particularly, if an alcohol license is granted, the nuisance is likely to be even louder and more frequent. The drinking of alcohol is not compatible with enjoying The Forest and there is no need for conferences and weddings to take place inside the cattle grid area. The Forest is a national park and as such it should be shielded against excess use which does not specifically require the uniqueness of The Forest and can equally well take place elsewhere.</p> <p>We are deeply concerned about alcohol influenced people roaming through The Forest</p>

		and Minstead village at all times of the day/night both during the week and the weekend. Furthermore, even though the Lodge would claim that the events would take place indoors, past events have shown, that the noise level is still quite noticeable and a nuisance.

Prevention of crime and disorder		
Public safety		

<p>Prevention of public nuisance</p>	<p>✓</p>	<p>If alcohol is sold in line with the proposals of this application it will cause a great deal of disturbance to this very rural and tranquil environment - especially if loud music is also played. I have been disturbed many times already as the sound carries to my house from Minstead Lodge because of the elevated position of the lodge which makes it much more. The amount of cars using this very narrow road will also be a great nuisance and will inevitably add to the erosion of the banks either side of the road. I feel it would be a huge mistake to use Minstead Lodge for any kind of regular music or entertainment.</p>
<p>Protection of children from harm</p>		

**Are there any steps or conditions which the applicant could take or add to the application which would alleviate your concerns?
If yes - please give details below**

I would just want to reiterate that I believe these proposals will adversely affect Minstead and my property in particular as I live so close to the building.
I feel it would be a huge public nuisance and would ruin the charm, character, rural nature and peaceful environment of this part of the New Forest National Park. This is a precious haven of peace and rural life that I feel should be protected at all costs.

Representations must be made in writing and emailed or posted to Licensing Services. They may be amplified at the hearing or may stand in their own right. Additional points, which are not referred to in the original representation received during the 28 day period may not be referred to at the hearing. However if there are any additional documents that refer to the original matters that you wish to be included, these must be sent to Licensing Services at least 5 days before the hearing.

Planning and other issues

Unfortunately representations that concern traffic or parking cannot be accepted. This is because the licence holder cannot be held responsible for the use of the public highway outside of the premises. The licensing regime is separate from other local government functions including planning. If a premises licence is granted for the building this will not exempt the licence holder from having to obtain the necessary planning permission. We are therefore unable to accept representations that simply refer to the need for planning permission or refer to parking or an increase in traffic movements. These are issues that are considered when planning permission to use a building for an activity is considered.

It is recommended that representations are made on the following form.

You don't often get email from minsteadclerk@gmail.com. [Learn why this is important](#)

Dear Christa,

Just a clarification on our previous response, we would appreciate this version of words being used.

Minstead Parish Council discussed this application at the parish council meeting on 4th July, we are responding on behalf of nearby parishioners and express our concerns about the possible public nuisance caused by noise from planned functions. Given previous experience from the limited licences granted for adhoc events we are concerned that a licence for all day, every day sale of alcohol could cause public noise nuisance to surrounding rural properties. We are also concerned that these people have not been effectively consulted or advised of the plans.

Regards,

Barry

Which of the four licensing objectives does your representation relate to?	(✓) Tick	Please add full details of your concerns regarding the application and include any evidence to support your representation. Please use separate sheets if necessary
Prevention of crime and disorder	Tick	<p>So far as we are aware , Minstead Lodge does not have the required planning permission , building regulation approval or fire regulation approval for use as a wedding and conference venue . We live next door to the Lodge , and front one of the public roads giving access to the Lodge (Football Green) , and we have seen fire engines called to the Lodge on numerous occasions . We can only think that an alcohol licence would increase the fire risk . The Lodge is an old Victorian (if not older) building , and for this reason would be more susceptible to fire .</p> <p>Whilst most people are responsible , inevitably some will drive away from the premises having consumed alcohol . That can only increase the risk of drink diving offences occurring on narrow roads over which Forest animals roam and have priority .</p> <p>The drainage and sewerage provision at the premises may be sufficient for its current needs , but was installed some years ago . The increased effluent caused by the proposed use of the</p>

		premises is likely to result in effluent pollution of the area's grounds and water courses , which are situated in the National Park , and which are Sites of Special Scientific Interest .
Public safety	Tick	<p>The risks from people leaving the premises late at night on narrow country lanes , having consumed alcohol , and the increase in traffic generally resulting from the proposed use of the premises would greatly increase the danger to the public and the Forest animals alike .</p> <p>If the premises have insufficient provision for dealing with the increase of effluent , this would cause a risk to public health from pollution to the ground and water courses .</p>
Prevention of public nuisance	Tick	<p>The Lodge is situated on the top of a hill , and surrounded by at least twenty residential houses . Another eighty are within earshot . We have lived next door to the Lodge since 1982 , and have enjoyed a harmonious and peaceful relationship . Inevitably some of the Lodge's activities have disturbed us , such as garden fetes , parties and other social gatherings , but we understand and</p>

		<p>support those activities because we have appreciated and supported Minstead Trust's work, aims and objectives.</p> <p>However we have been significantly disturbed by the weddings which have recently taken place . We understand that some of our neighbours have objected directly to the Trust . Unfortunately the noise and light pollution have been excessive , and made it difficult to enjoy our homes and gardens .</p> <p>If the alcohol licence is granted we are faced with the possibility of weddings and other events taking place at all hours of the day and evening , every day of the week .</p> <p>If the licence is granted , this would result in a substantial public nuisance .</p>
<p>Protection of children from harm</p>	<p>Tick</p>	<p>We are not certain of the ages of the current residents , but we know that they have special needs and learning disabilities . Whilst they may not be under the age of 18 , some will be vulnerable young adults . We understand that the activities provided at the Lodge for these people will continue during the daytime , and hence during some of the hours for which the alcohol licence is applied . Further we understand that some of these vulnerable people will remain resident in nearby housing on the Lodge's premises . Weddings and other events at which alcohol is consumed would be wholly inappropriate in the vicinity of such people , and would not be conducive to their health and wellbeing .</p>

--	--	--

**Are there any steps or conditions which the applicant could take or add to the application which would alleviate your concerns?
If yes – please give details below**

**We appreciate the Trust’s need to generate income , but their activities must be in harmony with their neighbours , the village of Minstead and the surrounding area .
We could agree to a limited number of weddings and events , with an alcohol licence limited to three days a week , finishing at 9pm , with “drinking up” time limited to 15 minutes .
Before an alcohol licence is granted , we would think that you , as the Licensing Authority , would want to make sure that the premises were suitable as a weddings and events venue . We suggest that the application is withdrawn until the Trust has obtained all requisite planning permissions , building regulation consents , and fire and health and safety permissions for the Lodge as a building suitable for these purposes .**

If you do make a representation you will be invited to attend a Licensing Sub-Committee meeting where the application will be considered, together with any subsequent appeal proceedings.

Will you be prepared to attending a hearing?	Yes

Prevention of crime and disorder		
Public safety		

<p>Prevention of public nuisance</p>	<p>✓</p>	<p>I believe that the frequency and hours sought in this licence application are excessive for this premises which is in a semi-rural quiet residential area on the edge of the tranquil New Forest village of Minstead. If this application is granted and alcohol is sold during the number of hours proposed it will cause disturbance to the neighbourhood, whether in connection with a wedding or any other event. These sorts of events will result in excessive noise and much more traffic at unsociable hours and cause a Public Nuisance, not just to myself but to a great many residents in the locality.</p>
<p>Protection of children from harm</p>		

**Are there any steps or conditions which the applicant could take or add to the application which would alleviate your concerns?
If yes – please give details below**

While appreciating Minstead Trust’s need to raise funds, I urge the Council to limit the frequency and hours when alcohol can be supplied or sold on this premises from those proposed to levels more appropriate to the neighbourhood. I suggest that 2 or 3 days a week maximum would be appropriate and that sale or supply should cease by 22.00.

If you do make a representation you will be invited to attend a Licensing Sub-Committee meeting where the application will be considered, together with any subsequent appeal proceedings.

Name of premises you wish to make a representation about

Minstead Lodge

Address of premises you wish to make a representation about

Seaman's Lane, Minstead.

Which of the four licensing objectives does your representation relate to?

Please add full details of your concerns regarding the application and include any evidence to support your representation.

Please use separate sheets if necessary

Prevention of crime and disorder

Minstead Trust is a Charity concerned with caring and training adults with learning disabilities.

Minstead Lodge is a Residential College and Day Training Centre owned by Minstead Trust.

I feel that having alcohol available on the premises is inappropriate given the nature of the Trust's work.

My concerns are for the safety and wellbeing of the students - there will be unknown members of the public drinking alcohol and mixing with vulnerable people in and around the manor house, gardens, workshops and grounds.

Public safety

Again I am concerned for the students at the Lodge but, also, the residents and Forest animals at risk from extra traffic and late night driving along the village roads.

I have also been made aware of the potential high fire risk of the property itself. I believe that the main reception rooms are wood panelled and the main staircase is wood which is potentially very worrying. Celebration events with alcohol and candles.

Prevention of public nuisance

The siting of the Lodge on the top of a hill means that the noise from events - any event - carries a long way.

Many residents and properties are effected by this noise.

My family has lived here for over 20 years and have in the past tolerated the occasional noisy celebration in the interest of neighbourly harmony and appreciation of what Minstead Trust stands for.

This application for a 7 day a week 10 am - 10 or 10.30 pm license is just unacceptable.

Recently, 7th. May, '22, having had a full day of shrieking children, shouting, cheering, clapping and music thumping away, I finally rang the Lodge around 10.30 pm to complain - needless to say no one picked up the phone so we just had to wait it out until the revellers went home. Over 12 hours of stress and upset - noise and music booming out on a beautiful day and evening when we all wanted to relax and enjoy our homes and gardens.

This invasion into and the spoiling of the Lodge's neighbours' lives - making them shut their doors and windows to muffle the row and preventing them from enjoying their own gardens with friends in peace is simply not fair.

Potentially, this could be happening 7 days a week.

Protection of children from harm

I believe I am right in saying that the students at Minstead Lodge are all over 18 years old but, they do have learning disabilities which I understand makes them still vulnerable.

My concerns are as above - potential situations with members of the public who have been drinking.

Also, the disruption to their lives and the all invasive noise.

Are there any steps or conditions which the applicant could take or add to the application which would alleviate your concerns?

If yes – please give details below

No - I believe that the very nature of Minstead Trust's purpose is in conflict with the opening of their facilities to un-vetted members of the public who will have, in many cases been drinking to excess.

Even if the suggestions is that events will be held inside - there is no air-conditioning in the Lodge, and their advertising highlights the gardens and grounds - the doors will be opened and immediately, the revellers and noise will spill outside.

If you do make a representation you will be invited to attend a Licensing Sub-Committee meeting where the application will be considered, together with any subsequent appeal proceedings.

Will you be prepared to attending a hearing?

Yes

On 18 Jul 2022, at 11:18, Terry Tupper [REDACTED] wrote:

Hi

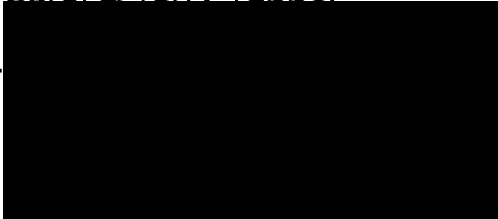

We are Carol & Terry Tupper who live at Suters Cottage London Minstead and like our neighbours we have serious concerns about the impact it will have on us and many others here if the application is approved not only the people that live close to the Lodge with the noise but the extra traffic impact it will have on village on the road getting to there and leaving. Even the occasional functions that they have now are quite loud and we are at the bottom of the village so certainly it would affect us if it were on a regular basis and late at night.

From the A337 up to Minstead Lodge the road is already in a serious state of disrepair due to the volume of traffic mostly going to the Lodge with speeding both in the morning and evening a regular occurrence. Last year we witnessed an accident where a car forced a cyclist off the road and into a ditch due to the edge of the tarmac completely eroded away with a drop of six to eight inches in places and I reported this to Hampshire Highways at Winchester who wanted more information and photographs which has now been given to them. It is now almost impossible for us and our grandchildren to safely cycle up and down the road and any increase in traffic is certainly going to make things worse.

It is stated that it is going to be used for weddings and celebrations which will inevitably mean very loud music until late and then the noise of all the people leaving and the question I would ask is would the people who are involved in approving this application give go ahead if they were resident here, I doubt it so please have consideration the people that do as many here are badly affected.

We moved to Minstead 22 years ago because it was a lovely peaceful place and still is so surely the priority must be about the residents and would add we are completely supportive and in favour of the Lodge being used for the right reasons as it has been for many years.

Which of the four licensing objectives does your representation relate to?	(✓) Tick	Please add full details of your concerns regarding the application and include any evidence to support your representation. Please use separate sheets if necessary
Prevention of crime and disorder		
Public safety		

<p>Prevention of public nuisance</p>	<p>√</p>	<p>My wife and I believe that if this application is granted and alcohol is served during the number of hours proposed it will inevitably cause disturbance. Minstead is a quiet village and the peace that we enjoy in our gardens, especially during the summer, would be lost if this proposal were granted.</p>
<p>Protection of children from harm</p>		

**Are there any steps or conditions which the applicant could take or add to the application which would alleviate your concerns?
If yes – please give details below**

Bearing in mind the use that this liquor licence would be associated with I consider these premises, in this location, wholly unsuited to be given a licence to sell alcohol.

--

If you do make a representation you will be invited to attend a Licensing Sub-Committee meeting where the application will be considered, together with any subsequent appeal proceedings.

Will you be prepared to attending a hearing?	<input checked="" type="radio"/> Yes <input type="radio"/> No

GRANT OF PREMISES LICENCE 517 MINSTEAD LODGE SEAMANS LANE, MINSTEAD SO43 7FT

APPLICANT –MINSTEAD TRUST.

The following remarks refer to the above mentioned Premises Licence Application but which I believe cannot be taken in isolation from the apparent future plans of Minstead Trust for the transfer of existing Residents from Minstead Lodge to a recently acquired property in Lyndhurst, thereby paving the way for Minstead Trust to change the use of Minstead Lodge to a Conference, Party and Wedding venue allowing scope for multiple events throughout a year.

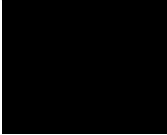

The granting of a Premises Licence in order to ultimately support daily opening between 9.00 and 24.00 hours will inevitably and eventually lead to huge disruptions and intrusions to the rights of neighbours and local community to exist in a peaceful environment in which to quietly enjoy their homes and gardens. May I suggest that the imbibing of alcohol within large groups of people could lead to reduced consideration for the peace of nearby residents.

The sources of these intrusions will surely arise from the loud music emanating and spilling out of Minstead Lodge late at night, and from the traffic noise when guests leave the premises quite probably as late as midnight which will particularly and additionally disturb those neighbours who live near to and right next to the cattle grid north and south entrances. Indeed some neighbours already are being disturbed by the noise from the limited number of Weddings which take place at present.

I therefore object to the granting of this Premises Licence on the basis of Public Nuisance.

It is with sadness that I do so because I understand their need to raise funds and because over countless years Minstead Trust have carried out their wonderful work from Minstead Lodge in a quiet ,considerate manner thereby creating an excellent relationship with the local community.

If you do make a representation you will be invited to attend a Licensing Sub-Committee meeting where the application will be considered, together with any subsequent appeal proceedings.

Will you be prepared to attending a hearing?	Yes <input type="radio"/> No <input checked="" type="radio"/>

Phone number	[REDACTED]		

Name of premises you wish to make a representation about	Minstead Lodge
Address of premises you wish to make a representation about	Seaman's Lane Minstead SO43 7FT

Which of the four licensing objectives does your representation relate to?	(✓) Tick	Please add full details of your concerns regarding the application and include any evidence to support your representation. Please use separate sheets if necessary
Prevention of crime and disorder	✓	<p>Alcohol licence 7 days per week from 10am - 23.00/23.30 for a party venue will have people drinking and the risk of drunk and disorderly is great. Drunk party goers leaving the venue up until midnight then driving on the tiny roads is inevitable. Seamans Lane is a tiny single width road, with blind bends, hidden driveways and wild animals.</p> <p>With drink, follows crime, many more strangers arriving into the village, our villagers are always striving to make our village safer for all, not more of a high risk.</p>

<p>Public safety</p>	<p>✓</p>	<p>Minstead Lodge is situated on a single width village lane. The lane is single width, lined with trees, and has many hidden driveways to private homes. In both directions along Seaman’s Lane in order to get to Minstead Lodge there are several blind bends, and narrow passing places for cars. Many people cycle and walk in the village – throughout the day and night and having a licenced or indeed a party venue will be of great risk. Increasingly the traffic levels in this area is dangerous.</p> <p>Wild animals roam the village, again visitors are not aware of how the forest differs from anywhere else.</p>
<p>Prevention of public nuisances</p>	<p>✓</p>	<p>We live in a National Park, which is renowned for peace, quiet and tranquility. We have lived in Minstead for 18 years and feel very passionate about living in such a wonderful peaceful New Forest Village. Minstead is a quiet, peaceful, natural village, and that is how we would like it to stay.</p> <p>The change of use of Minstead Lodge is of major concern to us as residents of Minstead, on many different levels. I believe the change of use and alcohol license will indeed go against every section of your Licensing Objectives.</p> <p>Minstead Lodge should not be allowed permission to ruin the village, with change of use to a “Party Venue” offering events throughout the year from 9-00 to 23.00/23.30.</p>

	<p>1.Noise When groups of people attend venues, for whatever event type, for example meetings, conferences, celebrations and weddings they create noise. The larger the group the worse the noise level is. Noise travels a large distance, especially in such a quiet village, therefore this noise pollution will majorly impact our quality of life. Minstead is a very quiet village, no ambient noise, no other major pollution factor. I understand the Trust are saying that Weddings for example will be conducted indoors, the inevitable will happen with people spilling outdoors and in good weather the ceremonies also would be moved outdoors. How unfair is that for the local residents, noise, amplified music and speaking totally unacceptable.</p> <p>2.Traffic Seaman’s Lane is a single car width road, with many blind bends and hidden driveways. With more people using the Lane, visitors not knowing the Lane, this is dangerous. Also, this is a major disruption for the residents living on the Lane and surrounding roads to have lots of traffic all day and night using the Lanes. Noise, car pollution, strangers unfamiliar with the area, will cause accidents and unnecessary strain on the locals. If party goers leave the venue at 24.00, the traffic noise will continue into the early hours, again totally unacceptable.</p> <p>3.Alcohol Licence I believe this would be a total disaster for our village. Minstead Trust are applying for alcohol licence from between the hours of 10.00-23.00 four days a week, then until 23.30 for the other 3 days. This is totally unacceptable and shows what they are truly trying to achieve. Within a setting of a party venue, with all day alcohol there are many reasons why it is such a bad idea. Noise levels again would rise, people drinking alcohol make more noise, the risk of people drink driving from a remote venue where there is no public transport and indeed is difficult to get a taxi, driving on the tiny lane is a nightmare.</p>
--	--

		<p>4. Amplified Music/Sound</p> <p>At any event, whether conference, party, wedding etc, they have amplified sound. Amplified sound is a real problem, when we live in such a quiet village. Listening to music, speeches, and general party sounds when you want to relax in your garden is totally unacceptable and indeed a public nuisance.</p> <p>We live several miles from the Activity Centre, however, when they host weddings, which is most weekends in the Summer, we can hear every single track they play, every speech they make and we have complained to them several times. They also say the events are held indoors, they are not always and indeed windows and doors are opened and the noise travels the village.</p> <p>It is a real problem.</p>
<p>Protection of children from harm</p>	<p>✓</p>	<p>Children walk, ride bicycles within the village. The children will indeed be returning from school, whilst the premises are still serving alcohol and many more cars will be using the tiny lanes, in which the children are walking home from school, or indeed cycling or walking in the evening. This is dangerous for our children.</p>

**Are there any steps or conditions which the applicant could take or add to the application which would alleviate your concerns?
If yes – please give details below**

Not to be granted a change of use to the proposed description, and not to be allowed to have an alcohol licence at all.

The change from residential to Party Venue.

If you do make a representation you will be invited to attend a Licensing Sub-Committee meeting where the application will be considered, together with any subsequent appeal proceedings.

Which of the four licensing objectives does your representation relate to?	(√) Tick	Please add full details of your concerns regarding the application and include any evidence to support your representation. Please use separate sheets if necessary
Prevention of crime and disorder		Concerns of alcohol related disorder
Public safety		
Prevention of public nuisance		I strongly object to this application as a nuisance to the local residents and village. Please see separate sheet.
Protection of children from harm		

Are there any steps or conditions which the applicant could take or add to the application which would alleviate your concerns? If yes – please give details below
No

Full details of my concerns:

Seaman's Lane and Football Green are single-carriageway 'roads' and often blocked by ponies and cows and as such are manifestly unsuitable for the levels of traffic which would be associated with this change of use. As a quiet backwater of the Forest, bringing in parties, who understandably would want to enthusiastically celebrate the wedding they are attending, it seems a totally inappropriate use of what has, to date, been a location for quiet, charitable work.

This change of use has already impacted the neighbourhood with late night noise and disturbance which is wholly unacceptable. The Lodge website is already advertising itself as available for 'drinks receptions', this is prior to actually obtaining an alcohol license. Change of use to an alcohol serving venue will completely change the character and social compliance of the Lodge. Alcohol allowance undoubtedly will attract a wider market and later partying, more traffic and undeniably more noise. All of the roads surrounding the Lodge are completely unlit and party/wedding guests leaving in cars or minibuses in the dark will be a danger to not only the commoning stock but also locals returning home or walking on summer evenings.

The Lodge residents have been very much part of the community and it is a great shame to learn that they are now being relocated in order to trade as a full-time wedding and conference venue.

If you do make a representation you will be invited to attend a Licensing Sub-Committee meeting where the application will be considered, together with any subsequent appeal proceedings.

Will you be prepared to attending a hearing?	Yes No Yes Please circle

Name of premises you wish to make a representation about	Minstead Lodge
Address of premises you wish to make a representation about	Minstead Lodge Seaman's Lane Minstead SO43 7FT

Which of the four licensing objectives does your representation relate to?	(✓) Tick	Please add full details of your concerns regarding the application and include any evidence to support your representation. Please use separate sheets if necessary
Prevention of crime and disorder		
Public safety	✓	The safety of the local residents, their families and the new forest animals will be impacted. The increased traffic, of individuals not accustomed to navigating country roads and after drinking alcohol (even the morning after there can still be alcohol in the system) there are likely to be many more accidents and fatalities.
Prevention of public nuisance	✓	The events that have been held already at the Trust have been a nuisance and greatly impacted on the residents living near-by. The music can be heard up until 11pm through shut doors and windows. It disturbed the ability for me to complete my work and sleep.
Protection of children from harm	✓	I have great concerns over the mixing of any the vulnerable individuals supported by the Trust with members of the public who have undergone no form of DBS check and will be most likely be under the influence of alcohol. I believe it is completely inappropriate and extremely dangerous.

**Are there any steps or conditions which the applicant could take or add to the application which would alleviate your concerns?
If yes – please give details below**

Working with the residents of Minstead itself, to develop more appropriate ways of generating income to support the Trust. There is a great wealth of knowledge, expertise and experience in Minstead. This has not been sought by the Trust staff (even when offered) to develop alternatives to what they are planning. I am certain alternative resolutions which would better support the individuals at the Trust can be found if we collaborate on this issue.

If you do make a representation you will be invited to attend a Licensing Sub-Committee meeting where the application will be considered, together with any subsequent appeal proceedings.

Prevention of crime and disorder		
Public safety		
Prevention of public nuisance	✓	<p>I understand from a meeting with representatives from the trust that there could be multiple, celebrations and conferences throughout the year, hence the Trusts application for an alcohol premises licence. Although the weddings will be conducted inside the Lodge building, these will and have in the past split outside and we have heard these in the past, bearing in mind these were supposedly held inside. We moved to this area specifically for the peace and quiet that our address provides and are now concerned that the consequent disturbance will affect the use/peace and quiet and thus enjoyment of our homes and gardens and the inevitable increase in road traffic levels, especially when people are leaving the venue late at night. Additional to this the risk of possible increase to animal deaths with increased traffic late at night when animals</p>

		are at their most docile state and tend to stand in the roads.
Protection of children from harm		

<p>Are there any steps or conditions which the applicant could take or add to the application which would alleviate your concerns? If yes – please give details below</p>

If you do make a representation you will be invited to attend a Licensing Sub-Committee meeting where the application will be considered, together with any subsequent appeal proceedings.

Will you be prepared to attending a hearing?	<u>Yes</u> No

Representation form for other persons

Full name	Michele Kennedy	Title	Ms
Home address	Sungate, Football Green, Minstead, Hampshire, SO43 7FQ.		
Email address	[REDACTED]		
Phone number	[REDACTED]		

Name of premises you wish to make a representation about	Minstead Lodge
Address of premises you wish to make a representation about	Seamans Lane, Minstead, S043 7FT.

Which of the four licensing objectives does your representation relate to?	(✓) Tick	Please add full details of your concerns regarding the application and include any evidence to support your representation. Please use separate sheets if necessary
Prevention of crime and disorder		Where alcohol is involved, the possibility for inappropriate behaviour is increased. Generally any activity serving alcohol late at night in a residential setting with music, people and vehicles increases the possibility of it becoming a public nuisance and increases the risk of crime and disorder.
Public safety		With all day weddings, conferences and business events leading up till 23:00 hours, there is the danger of guests leaving late and potentially not paying due care on the road, to the detriment of livestock, donkeys, horses and wildlife in the New Forest. Large amounts of traffic caused by guests, could also potentially lead to accidents involving animals.
Prevention of public nuisance		The venue is currently advertising to hold very large parties of weddings with pictures of wedding guests in the grounds partying with alcohol. The licence application is basically to serve alcohol all day to very late at night every day of the week. This will create considerable noise and

		This will create considerable noise and disturbance for those living nearby and in the surrounding areas as a result. Also guests could leave the venue at all hours, very late at night in a rowdy state. Large amounts of traffic throughout the day.
Protection of children from harm		

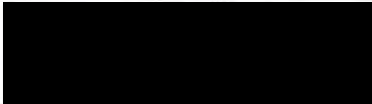

Are there any steps or conditions which the applicant could take or add to the application which would alleviate your concerns?

If yes – please give details below

I do think that the hours for serving alcohol could be reduced and that guests should be prohibited from being in the grounds in large parties after a certain time. That consideration should be shown to neighbours.

Also this licence application has come before any change of use for the building requires approval. It was a residential home and now appears to be being used as a venue for hosting large weddings, conferences and events. This is quite a change and consideration needs to be given to this and those living nearby.

If you do make a representation you will be invited to attend a Licensing Sub-Committee meeting where the application will be considered, together with any subsequent appeal proceedings.

Phone number	[REDACTED]		

Name of premises you wish to make a representation about	Minstead lodge
Address of premises you wish to make a representation about	Minstead Lodge Seamans Lane, Minstead

Which of the four licensing objectives does your representation relate to?	(✓) Tick	Please add full details of your concerns regarding the application and include any evidence to support your representation. Please use separate sheets if necessary
Prevention of crime and disorder	Tick	Substantially more people from outside this rural and residential area where alcohol is being consumed over a number of hours and without restrictions will inevitably lead to local damage whether accidental or otherwise, and probable unruly behaviour by a minority, that the local community has no resources to prevent or deal with
Public safety	Tick	Increased fear of disorderly and public disorder behaviour and nuisance fueled by availability of alcohol over extended hours

Prevention of public nuisance	Tick	<p>Minstead Lodge is on an elevated location, and both my garden and bedroom window in a house in a quiet residential close are indirectly overlooked by Minstead Lodge. A recent event has shown that indoors or outdoors, with open windows and doors, especially in summer, significant noise is created. The hours proposed for the drinks licence suggest regular daily events are being planned, with early starts and late finishes. Such an increase in noise and disturbance is not in keeping with a rural area, and for me personally would be an unacceptable level of disturbance. I have been supportive of the trust and its objectives, but there are other ways to raise charitable finance, and this charity should have greater concern for the neighbours it is at the heart in a rural and residential setting of before putting the pursuit of money and raising funds first.</p> <p>The hours being requested are excessive and need at the very least considerable moderation.</p>
Protection of children from harm		

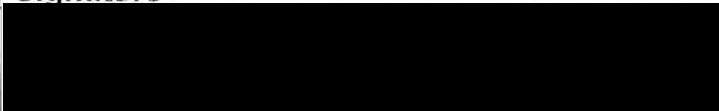

--	--	--

Are there any steps or conditions which the applicant could take or add to the application which would alleviate your concerns?

If yes – please give details below

Yes, either refuse the application, or reduce dramatically the days and hours allowed, impose conditions limiting number of events per month

If you do make a representation you will be invited to attend a Licensing Sub-Committee meeting where the application will be considered, together with any subsequent appeal proceedings.

Will you be prepared to attending a hearing?	Yes/ <u>NO</u> Please circle

Home address	Woodside House, Woodside, Minstead, SO43 7GB		
Email address	[REDACTED]		
Phone number	[REDACTED]		

Name of premises you wish to make a representation about	Minstead Lodge
Address of premises you wish to make a representation about	Seamans Lane, Minstead, Lyndhurst, SO437FT

Which of the four licensing objectives does your representation relate to?	(✓) Tick	Please add full details of your concerns regarding the application and include any evidence to support your representation. Please use separate sheets if necessary
Prevention of crime and disorder	✓	Large wedding parties ending late at night will increase the risk of unsociable behaviour in the area as intoxicated revellers leave the premises.
Public safety	✓	Attendees leaving the venue by car late at night, in the dark will increase the risk of road traffic accidents to people (local and visitors) and animals in the forest. Intoxicated persons smoking outside the building especially in the summer will increase the fire risk to neighbouring buildings and the forest.

<p>Prevention of public nuisance</p>	<p>✓</p>	<p>Noise pollution such as the applicant's sound system and rowdy departees on a very regular basis in an otherwise very quiet village would affect a large number of residents and could materially impact on the amenity and right to peace and quiet of the villagers.</p>
<p>Protection of children from harm</p>	<p>✓</p>	<p>See public safety</p>

Are there any steps or conditions which the applicant could take or add to the application which would alleviate your concerns?

If yes – please give details below

The main issue is one of reasonableness and the number of events that the applicant will hold. In their communication to Minstead residents four days ago on 18/7/22 (their first public disclosure of their plans) the applicant stated that they held dozens of events, conferences and weddings before Covid but

later on say that this does not represent a huge number of events. This claim is open to debate particularly now that they are selling alcohol under 3rd party licence which they only appear to have been able to do in the last few years. Dozens of weddings a year at which alcohol is served will obviously have a much bigger impact on their neighbours and the village than dozens of conferences where alcohol is not necessary and are likely to finish much earlier and be much quieter than a wedding.

There does not seem to be any measurable information on how many and what type of events the applicant intends to hold or sanctions if their commitments are not adhered to. On this basis my representation is that the application is refused until the applicant has gone through a proper consultation process with the community and made enforceable commitments limiting the frequency and nature of the events they hold.

There should also be a change of control clause in any future Licence that is granted on the basis that having moved the residents out of Minstead Lodge to alternative accommodation elsewhere and having secured a License and change of use permission, the Lodge would be a much more attractive acquisition prospect to a third party commercial events company or hotel.

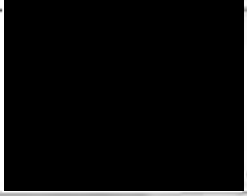

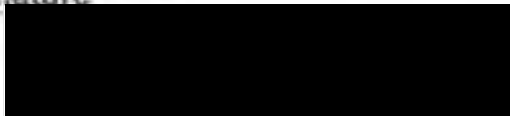

There are many publicised incidents of licencees unable to control noise created by their customers and local authorities being drawn into time consuming disputes and enforcement actions. Given the extremely short notice to residents given by the applicant, it must be appropriate not to grant the license at this stage and to seek a solution that is acceptable to all parties.

If you do make a representation you will be invited to attend a Licensing Sub-Committee meeting where the application will be considered, together with any subsequent appeal proceedings.

Representation form for other persons

Full name	lynda Grover	Title	mrs
Home address	North Lodge, Lyndhurst Rd, minstead SO43 7FY		
Email address	[REDACTED]		
Phone number	[REDACTED]		

Name of premises you wish to make a representation about	minstead Lodge
Address of premises you wish to make a representation about	Seamans Lane minstead

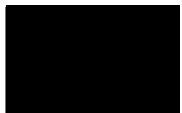

Which of the four licensing objectives does your representation relate to?	(✓) Tick	Please add full details of your concerns regarding the application and include any evidence to support your representation. Please use separate sheets if necessary
Prevention of crime and disorder	✓	minstead Lodge runs a charity dealing with care and training of Adults with learning disabilities. IS it suitable to have alcohol on the premises, where by vulnerable adults are present.
Public safety	✓	I am concerned about the safety of the vulnerable adults mixing with members of the public who have consumed alcohol. Plus the risk to forest animal late at night with public who are not aware of forest roads

Prevention of public nuisance	✓	<p>Minstead is a very rural quiet village and any noise carries. we have noticed the loud noise from various events held by the lodge over the years and feel that the application for 7 days a week 10am - 10 or 10.30pm is unacceptable to all minstead residents. we should not have to tolerate closing window to stop the noise</p>
Protection of children from harm	✓	<p>Should it be right that vulnerable students at the lodge be around members of the public who have consumed alcohol & wandering around the trusts grounds for long periods of the day and night.</p>

**Are there any steps or conditions which the applicant could take or add to the application which would alleviate your concerns?
If yes – please give details below**

No The events will still open doors whereby the noise of guests will spill out and the ground are available for them to go out side carrying out noise with them. Also traffic leaving the Lodge will also cause considerable noise late at night

If you do make a representation you will be invited to attend a Licensing Sub-Committee meeting where the application will be considered, together with any subsequent appeal proceedings.
