Dear Sir or Madam

We strongly object to the granting of an alcohol licence to an unregulated pop up campsite in a quiet part of the forest where we live at Hale. The site is run on a totally commercial bases with no consideration for our community and neighbouring property. Last year both here and at Harry's Field there were instances of unruly behaviour. The granting of a licence will only fuel bad behaviour in our opinion.

Please keep us posted

Kind regards

David and Tara Cutler

Dear Sir/Madam

We are writing to express our alarm and strong concerns regarding this application. We are neighbours to this site and last year experienced excessive noise disturbance and our property was vandalised .

Granting this licence will encourage further antisocial behaviour.

Kind regards

Ian and Hannah Downie

Good morning

We are in receipt of your objection to the above application. In order for your objection to be considered please provide your full address. You may either reply to this email with your address or complete the attached form and return by email. We must receive your reply no later than 05 August 2022 as this is when the consultation period for this application ends.

Please be aware that your objection will form part of a public document at a hearing (personal telephone numbers, email addresses and signatures will be redacted). You can view our full privacy policy at <https://newforest.gov.uk/article/1716/Licensing-Services-privacy-notice> .

Kind regards

Dear Sirs,

I am writing to register our objections/reservations in connection with the above relating to an unregulated pop-up campsite which appears to have now been given permission to take place every August. We live in a very quiet, peaceful area here in Hale, with an abundance of wildlife, some of which rare, and the campsite will be a disturbance to the peace and quiet of residents in the local vicinity and the village as a whole, to say nothing of a huge invasion and risk to wildlife habitats. Also, with the fields and woodlands all tinder dry at present, the permitting of firepits and BBQs is dangerous.

We as a village had to cope with this campsite last year for a lengthy period of time, and cases of noisy, unruly, loutish behaviour, suspectedly due to alcohol consumption, were reported, together with incidents of criminal damage to some properties within close proximity of the campsite and several cases of people urinating on private land, all of which residents should not have to put up with. We therefore feel that, in addition to granting permission to hold the campsite annually in the first place, to also grant a licence to sell alcohol is likely to lead to a potential increase in this type of yobbish activity and also to an increased volume of traffic and number of visitors to the area, which in turn will add to the risks for local people, and the wellbeing of wildlife and their habitats.

We therefore ask that the granting of such licence be refused on the above grounds, and also that permission for the campsite as a whole be reviewed and withdrawn for future years. Thank you for your time.

Yours sincerely,
Sharon and David Barnett

Dear sirs

With reference to the pending application for a premises licence to sell alcohol at HARRY'S MEADOW CAMPSITE, HALE PARK, HALE, FORDINGBRIDGE, SP6 2RE.

We would like to register our objection to a licence being granted to what is a temporary pop-up campsite situated in quiet rural area. There are a number of properties in the close vicinity; we have already had to endure over population of our locality and witness visitors urinating against our boundary fence which borders the camping field. We believe the addition of an alcohol licence would only exacerbate the situation. We also have concerns that this sets a precedent for future years.

Kind regards

2nd August 2022

Dear Ms Ferguson

Licensing Act 2003 - Grant of Premises Licence (S17)

Premises: HARRY'S MEADOW CAMPSITE HARRY'S MEADOW CAMPSITE, HALE PARK, HALE, FORDINGBRIDGE, SP6 2RE
Ref: LICPR/22/13072

Thank you for your letter of 8th July 2022 advising Hale Parish Council of the above licensing application.

Members of Hale Parish Council wish to oppose the application on the following grounds.

1. Prevention of crime and disorder

Hale PC are concerned that granting a licence which allows alcohol sales every day throughout August may increase crime and disorder in the local vicinity. Damage was sustained to a nearby property during the camping season last year, and although this was not proved to be campers from Harry's Meadow campsite, alcohol often fuels such antisocial behavior.

2. Prevention of Public Nuisance

Hale PC believes that granting a licence which allows alcohol sales everyday throughout August will increase the incidence of public nuisance for local residents. The campsite creates noise disturbance for residents and wildlife in what is usually a very quiet area, several instances of public nuisance by campers at Harry's Meadow were reported to HPC last summer, so adjacent residents are anticipating more this year. Hale PC believes that the addition of alcohol sales would only serve to increase this noise disturbance.

Council Members would also recommend that this application is only considered for August 2022 and not in perpetuity. Due to the recent Article 4 Direction, the regulation of pop up campsites within the New Forest National Park will change in 2023 and Hale PC does not expect a camp site to be approved for this location in future.

Many thanks

Yours sincerely
Amanda Johnson (Clerk)
On behalf of Hale Parish Council
