[] []	[] []	[] [] [] []

Do you want the proposed variation to have effect in relation to the introduction of the late night levy? (Please see guidance note 1) Yes No

Please describe briefly the nature of the proposed variation (Please see guidance note 2)

This application is to approve an amended plan of the premises which alters the external licensed area, by removing one area and substituting it for another. In this respect, please note that the area the applicant proposes to remove from the licence is roughly the same size as the area proposed to be included, so the total licensed area will not be significantly affected.

Included with this application are THREE plans. The first two are included for information only, so that the licensing authority may more easily understand the proposed changes, while the third is intended to replace the current licence plan of the premises.

In more details, the plans are as follows:

1. The first (in black and white and labelled “NFDC Approved Plan”) is the current plan attached to the premises licence, which was approved by the Licensing Authority following a variation application.
2. The second (in various colours and labelled “Proposed Changes”) shows the following:
 - a. Cross-hatched in black only, external areas that were included in the original licence:
 - b. Cross-hatched in black and red, external areas that were included following the last variation.
 - c. Outlined in blue, an area that the Applicant no longer wishes to have licensed (following this application, it will be used only for storage); and
 - d. Outlined in green, an additional external area in which it would be intended to place moveable tables and bench seating.
3. The third (labelled “India Cottage Plan 2023”) shows the entire licensed area outlined in red, with the external area cross-hatched in black. This is the plan which is intended to replace the current plan and, following this application, the only plan intended to be attached to the premises licence.

If your proposed variation would mean that 5,000 or more people are expected to attend the premises at any one time, please state the number expected to attend:
