

## LGBCE's DRAFT RECOMMENDATIONS FOR NEW FOREST DISTRICT

## New Forest District

Division name	Number of Cllrs	Variance 2021	Description	Detail
<b>Brockenhurst</b>	1	8%	This division comprises the parishes of Ashurst & Colbury, Beaulieu, Brockenhurst, Denny Lodge, East Boldre, Exbury & Lepe, Sway and parts of Bransgore, Netley Marsh and New Milton parishes.	This division is based on our own arrangements and on the correct allocation of 10 councillors for New Forest District. While this division is geographically large, we consider it broadly reflects the rural communities which make up the New Forest National Park. The A35 also provides a road link to either side of the division.
<b>Dibden &amp; Hythe</b>	1	4%	Dibden and Hythe are located by the shore of Southampton Water. The division comprises the majority of Hythe & Dibden parish.	This division is based on the existing division arrangements. The county-wide proposals for New Forest District supported retaining the existing arrangements. This division also reflects our statutory criteria.
<b>Lymington &amp; Boldre</b>	1	7%	This division comprises the parishes of Boldre and Lymington & Pennington parishes.	This division is based on our own arrangements and on the correct allocation of 10 councillors for New Forest District. In order to provide for divisions with good electoral equality we propose to join Boldre and Lymington & Pennington parishes in the same division. Although the River Lymington runs through the middle of this division, both parishes are connected by Bridge Road and Rodlease Lane in the north of the division.
<b>Lyndhurst &amp; Fordingbridge</b>	1	8%	This comprises the parishes of Bramshaw, Breamore, Damerham, Ellingham, Harbridge & Ibsley, Fordingbridge, Godshill, Hale, Hyde,	This division is based on our own recommendations and on the correct allocation of 10 councillors for New Forest District. While this division is geographically large, we consider it reflects the identities and interests of the rural communities which form the New Forest National Park.

			Lyndhurst, Martin, Minstead, Rockbourne, Sandeheath, Whitsbury Woodgreen and part of Copythorne parish.	Lyndhurst & Fordingbridge division also results in improved electoral equality.
<b>Milford &amp; Hordle</b>	1	0%	This division comprises the parishes of Hordle and Milford-on-Sea and part of New Milton parish.	This division is based on the existing division arrangements. The county-wide proposals for New Forest District supported retaining the existing arrangements. We are satisfied that this division reflects our statutory criteria.
<b>New Milton</b>	1	5%	Barton-on-Sea and New Milton comprise this division. The division is located on the shore of Christchurch Bay.	This division is based on the existing division arrangements. The county-wide proposals for New Forest District supported retaining the existing arrangements. We are satisfied that this division reflects our statutory criteria.
<b>Ringwood</b>	1	8%	This division comprises the parishes of Ringwood, Sopley and part of Brangore parish. <b>+ BURLEY</b>	This division is based on our own proposals and on the correct allocation of 10 councillors for New Forest District. We consider that our proposals provide for the best balance of the statutory criteria and accurately reflect community identities and interests in Ringwood and its immediate environs.
<b>South Waterside</b>	1	-9%	This division comprises Fawley parish and part of Hythe & Dibden parish. The division is located at the foot of Southampton water.	This division is based on the existing division arrangements. The county-wide proposals for New Forest District supported retaining the existing arrangements. We are satisfied that this division reflects our statutory criteria.

<b>Totton North</b>	1	2%	This division comprises the northern part of Totton & Eling parish and parts of Copythorne and Netley Marsh parishes.	This division is based on our own recommendations and on the correct allocation of 10 councillors for New Forest District. This division includes part of Copythorne and Netley Marsh parishes which have road access over the M27 and via the A36 road towards Totton. We consider that our proposals provide for the best balance of the statutory criteria.
<b>Totton South &amp; Marchwood</b>	1	0%	This division comprises Marchwood parish and the southern part of Totton & Eling parish.	This division is based on the existing division arrangements. The county-wide proposals for New Forest District supported retaining the existing arrangements. This division reflects our statutory criteria.
