The Lawn Sections are designed; with a memorial stone of a standard size at the head of the grave leaving the remainder of the grave laid to lawn. Floral tributes may be placed in the area immediately in front of the permitted memorial stone, but not exceeding 400mm beyond the base of the memorial. For a more detailed memorial description see 10.3.1.

It is the responsibility of the Owner(s) of the Exclusive Right of Burial to organise the removal of the memorial headstone to facilitate any subsequent interment within the purchased burial plot and to meet the costs for its removal and replacement. A Registered stonemason must be used to undertake the removal. Applications must be made in writing to the Council when re-erecting /amended memorial headstones. See 10.2.1 for more information.

Lawn Section burial plots may provide space for two burials, at double and single depth, six subsequent interments of cremated remains in caskets and a further set of six ashes without caskets below ground.

All graves will be dug at double depth; the ground and weather conditions at the time of interment will dictate whether this is achievable. Single depth new graves will be dug if a double depth is not achievable or if specifically requested at time of booking.

Cremated remains can be interred at double depth into a grave, but only under the permission of the Service Manager whose decision is final. Cremated remains interments at double burial depth will incur full grave fees.

5.2.2 Cremated Remains Section

Natural Woodland sections are designed to emulate a natural woodland setting with a predefined planting scheme of native tree and shrub species, and British native bulbs. All plantings are provided, planted and maintained by the Council; memorial trees or shrubs are not available for personal memorabilia purchase.

The Natural Woodland sections undergo a planned scheme of continual conservation management within and around existing burial and cremated remains plots, taking consideration not to impinge on existing interments.

Plant species are chosen to maximise longevity and successful establishment to maturity, and benefit wildlife and other flora.

In keeping with the ethos of natural woodland burial grounds, memorials and items of personal memorabilia are restricted to a memorial plaque mounted on a plinth with a cut flower container. Subsequent memorial plaques will be mounted on the plinth of the first interment.

Natural Woodland Section burial plots may provide space for a single depth burial, six subsequent interments of cremated remains in caskets and a further six cremated remains without caskets below ground.

Woodland Section cremated remains plots may provide space for up to twelve interments of cremated remains in caskets.

Coffins and caskets within the Natural Woodland Section must only be made from biodegradable materials. These include wood, cardboard, shroud, wicker, bamboo, and biodegradable veneers. Non-biodegradable materials are not permitted. These include veneers, plastics or anything which will not degrade naturally. For further information, consult *Natural Burial Grounds, Guidance for Operators* issued by the Ministry of Justice (2009).

Embalming or the utilisation of other non-environmentally safe substances is not permitted for Natural Woodland Section burials.

5.2.4 Children's Section

These sections are for children only. For a more detailed memorial description see 10.3.2. Children's burial plots will not exceed 4 feet (1220mm). Other sections are available for graves over 4 feet (1220mm).

Interments for children before the 24th weeks of pregnancy should be discussed with the Cemeteries Office.

5.2.5 Traditional / Romany Gypsy / Travellers Section

Conventionally located within the older areas of the Cemeteries, these sections permit the authorised installation of traditional memorial stones and stone kerb-sets.

It is the responsibility of the Owner(s) of the Exclusive Right of Burial to remove the kerb-set to facilitate any subsequent interment within the purchased burial plot and to meet the costs for its removal and replacement. Applications must be made in writing to the Council when re-erecting amended memorial headstones See 10.2.1 for more information.

Romany Gypsy and Travellers Burial Sections are available within specific cemeteries; these sections permit the authorised installation of traditional memorial stones and kerb-sets. For a more detailed memorial description see 10.3.3.

Traditional / Romany Gypsy / Travellers Section burial plots may provide space for two burials at double and single depth, six subsequent interments of cremated remains in caskets and a further six of ashes without caskets below ground.

5.2.6 Burial Plots Requiring Two Grave Spaces

These Sections consist of burial plots requiring 2 grave spaces to allow for the Interment of uncoffined burials, coffins which exceed the standard burial plot capacity or any other Interment which requires a non-standard burial plot.

Floral tributes may be placed in the area immediately in front of the permitted memorial stone, but not exceeding 400mm beyond the base of the memorial. For a more detailed memorial description see 10.3.

It is the responsibility of the Owner(s) of the Exclusive Right of Burial to remove the memorial headstone to facilitate any subsequent interment within the purchased burial plot and meet the costs for its removal and replacement. Applications must be made in writing to the Council when re-erecting amended memorial headstones See 10.2.1 for more information.

8 Procedures for Interment

To determine who is to be interred within the said burial or cremated remains plot, subject to space availability and

To apply for the Right to erect a memorial on the burial or cremated remains plot, in accordance with the Regulations, but

Purchasing the Exclusive Right of Burial, however, does not extend to possession of the land; this remains in the Ownership of the Council.

The Council reserves the Right to allocate the provision of space with its Cemeteries.

9.1 Purchasing the Exclusive Right of Burial

The Exclusive Right of Burial may be purchased in advance of an interment taking place to reserve the burial or cremated remains plot, or at the time of the interment, subject to space availability.

The Exclusive Right of Burial does not specify the number of interments that can be accommodated within the burial or cremated remains plot; this will be dependent upon the depth of the first interment, the size of coffin / casket interred in the plot, and the ground conditions at the time of excavation (See 5.2 for plot capacities).

The Council recommends a maximum of three people hold the Rights to the Exclusive Right of Burial; please note all Holders must agree to give consent for future interments and memorial applications on the purchased plot.

Once the Exclusive Right of Burial has been purchased, a Deed of Grant will be issued to all elected Owners of the burial or cremated remains plot. The Deed of Grant is proof of Ownership and must be produced with all prospective interments and memorial applications.

A burial or cremated remains plot may not be reserved unless the appropriate fee to purchase the Exclusive Right of Burial has been paid in full.

The selection of burial and cremated remains plots, both for interment and pre-purchase, is subject to availability and the approval of the Service Manager.

The Exclusive Right of Burial for Burial and cremated remains plots may be purchased for 30 years; when this time has lapsed, the purchase of an additional 30 years may be available, subject to payment of the appropriate fee.

This purchase will be subject to payment of the appropriate fee and cannot be claimed through the Children's Funeral Fund of England.

For an existing Exclusive Right of Burial which has been purchased for perpetuity, the Rights will remain in perpetuity.

When the Exclusive Right of Burial tenure has lapsed, the Ownership reverts to the Council, unless additional years are purchased by the previous Owner(s) or interested parties / next of kin. The purchase of additional years is subject to payment of the appropriate fee.

9.2 Transfer or Assignment of Exclusive Right of Burial

The Owner(s) of the Exclusive Right of Burial may Transfer or Assign the Ownership to any other person(s) of at least 18 years, upon payment of the appropriate administration fee.

With previously unpurchased burial and cremated remains plots, the Exclusive Right of Burial must be purchased after an interment has taken place in order to erect a memorial and / or to re-open the plot for further interment. All purchases are at the discretion of the Service Manager.

The Council reserves the Right to reuse any Common Grave for future interment.
