## Introduction and background

1. In accordance with Section 15 of the Local Government and Housing Act 1989, it is necessary to review the representation of political groups on committees, whenever there is a division on the Council. Following the election of Cllr John Adams to the Barton and Becton ward on 24 October 2024, and his subsequent joining of the Conservative Group, there are now 48 serving councillors, with a change in the composition of the Conservative Group. For the purpose of the review, “committees” includes the Council’s Overview and Scrutiny Panels but excludes the Cabinet.
2. There are four statutory principles of political balance which have to be applied in filling appointments to committees. These are contained in Section 15(5) of the Act.
3. The principles that have to be applied are as follows:-
  - (a) that not all seats on the body are allocated to the same political group;
  - (b) that the majority of the seats on the body are allocated to a particular political group if the number of persons belonging to that group are a majority of the Authority’s membership;
  - (c) subject to paragraphs (a) and (b) above, that the number of seats on the ordinary committees of a relevant Authority which are allocated to each political group bears the same proportion to the total of all the seats on the ordinary committees of that Authority as is borne by the number of members of that group to the membership of the Authority; and
  - (d) subject to paragraphs (a) to (c) above, that the number of seats on the body which are allocated to each political group bears the same proportion to the same number of all seats on

that body as is borne by the number of members of that group to the membership of the Authority.

4. Once the Council has determined the allocation of committee places between the political groups, the Council must then appoint the nominees of the political groups to the committees.
5. Those members who are not members of political groups have no legal entitlement to an allocation of seats on committees. However, once the political groups' entitlement has been reached, any remaining seats may be filled by members not belonging to a political group. Such Members are classed as being non-aligned.
6. These provisions need not be applied if a different position is agreed without any member of the authority voting against.
7. It should be noted that, although the legislative position refers to "political" groups, this also includes the Independent Group. Although not affiliated with a political party, the Independent Group have formed a group in accordance with the legislation.

### **Current position**

8. The political balance of the Council now stands as follows:-

Conservative Group	26	(54.17%)
Liberal Democrat Group	14	(29.17%)
Independent Group	4	(8.33%)
Green Group	3	(6.25%)
Labour and Co-operative (Non-aligned)	1	
<hr/> Total	48	

## Appointments to committees and panels

9. There are 84 seats to which appointments should be made under the principles of proportionality.
10. The application of the percentages outlined at paragraph 8 provides for the following allocation of whole seats to political groups across the overall Council position:-

Conservative Group	46
Liberal Democrat Group	25
Independent Group	7
Green Group	5
Unallocated	1
Total	84

11. Having regard to the overall position outlined at paragraph 10, the application of the percentages outlined at paragraph 8 requires the rounding up or down of calculated figures to give whole numbers on committees. The Council should, as far as practicable, ensure fairness on each committee, including across the wider allocation in making these adjustments, whilst taking into account the proportionality rules in their stated order, as far as practicable.
12. The following allocations are therefore recommended, to best meet the proportionality requirements, aggregating all committee places and allocating fair shares:-

<b>Committee / Panel</b>	<b>Seats</b>	<b>Cons</b>	<b>Lib Dems</b>	<b>Inds</b>	<b>Greens</b>	<b>Non-aligned</b>
Appeals Committee	13	7	4	1	0	1
Audit Committee	9	5	2	1	1	-
General Purposes and Licensing Committee	13	7	4	1	1	-
HR Committee	9	5	3	1	0	-
Planning Committee	13	7	4	1	1	-

Housing and Communities O&S Panel	9	5	3	0	1	-
Place and Sustainability O&S Panel	9	5	2	1	1	-
Resources and Transformation O&S Panel	9	5	3	1	0	-
<b>Total</b>	<b>84</b>	<b>46</b>	<b>25</b>	<b>7</b>	<b>5</b>	<b>1</b>

13. At the last review undertaken in September 2024, the Council also resolved to allocate a seat to the non-aligned Member on the Appeals Committee. The Council's Constitution makes provision for the allocation of seats to Members who are not members of a political group, as nearly as possible in proportion to the number of those members on the Council. It remains the case that one seat can be allocated to the non-aligned Member, having first complied with the legislative principles for the allocation of seats.
14. The nominees of the political groups to the committees and panels will be circulated to follow at Appendix 1. It should be noted that if Members seek to make any amendments, this may affect the calculations and subsequently the nominees. It should also be noted that if the Council approves the adoption of a Substitutions Protocol for the three Overview and Scrutiny Panels, Appendix 1 will also detail the proposed named substitutes for each of these Panels.

### **Corporate plan priorities**

15. The recommendations support the Council in delivering all corporate plan priorities by maintaining the Council's ability to function as a collective body in accordance with relevant legislation.
