This poses health and safety risks related to homelessness, as well as reputational risks, and could lead to another increase in homelessness.	To address the extraordinary demand, urgent efforts are being made to increase temporary accommodation options, while medium-term plans outlined in the Housing strategy are in progress. Funding has been increased and we are investing in homelessness prevention strategies.

Failure to deliver will hinder the customer experience, modernisation of the organisation, maximisation of our assets and development of our staff.	Programme governance embedded and regular Cllr oversight through the Resources and Transformation O&S panel. Need to stay mindful of LGR context and take proportionate action based on this medium-term outlook.

PR16	Planning and regulatory system upgrade	Transformation Priority 4: Designing modern and innovative services	Strategic Director Housing & Communities	<p>Inherent Risk Score</p> <p>High</p> <p>Residual Risk Score</p> <p>High</p>	The planning system may face challenges and potential failures without effective management. This underscores the importance of utilising dependable planning software to promote efficient processes and successful project outcomes, which could also impact the transformation program and regulatory services.	The project to replace this system is now on hold (as agreed at the last transformation board), however agreement has been reached with the current software provider to maintain the current software for the next 18 months.
