Annex 2 - Conditions consistent with the operating schedule

P) Proposals by the applicant in order to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

At David Lloyd Ringwood the licence holders intend to hold a number of functions, around 15 per year, where the licensing hours will be required to be extended to 01:00 am. These events are for members and their guests only and will not be open to the general public. It is not their intention to, or in fact company policy to, open the premises for non-members. All guests will be asked to fill in a guest registration card at the entrance to the event.

The events are for a maximum of 140 people. All events will be adult only, and this will be strictly enforced using the membership system and pre-booking of tickets.

b) The prevention of crime and disorder

There is installed a digitally recorded CCTV system with 24 cameras covering all aspects of the building. The system is recording 24 hours a day 7 days a week and 60 days are stored automatically.

The CCTV system covers internal areas both inside and outside the club giving us good coverage of all public areas.

All members have their names, addresses and photographs on their membership cards and this information is stored by the club on computer, enabling us to link immediately any incident with the person/persons involved.

All guests of members are made to fill in a guest registration card at each event and must be pre-booked to each event.

David Lloyd Ringwood has a zero tolerance policy for illegal drugs and anyone found with such substances will be handed over to the police and the drugs seized and placed in a sealed signed envelope in the main safe until collected by the relevant authorities.

David Lloyd Ringwood has a fully activated intruder alarm for the whole premises which is activated on closure every night. All alcoholic drinks are locked away behind steel shutters or lockable doors at the end of service each night.

The car park and outside areas are well lit and the lights are set on a timer.

The rear of the building is lit and access to the grounds is limited at night due to locked gates. There are no fruit machines on the premises and all safes are automatically locked with the main drop safe time out until 08:30 am, all takings are bagged and put in the drop safe at the end of the day's trading.

During the summer months and functions outside on the patio plastic government stamped glasses are used.

c) Public Safety

Each function has a maximum capacity of 140 and this will not be exceeded due to catering restraints.

The building has an annual fire inspection and regular full evacuations are carried out and documented training is kept on the premises.

There are always fully qualified first aiders on duty as part of the company policy. All first aid trainers are also defibrillator qualified.

All food handlers are food hygiene qualified and the premises is health and safety audited bi-annually by an external auditor, details of which are kept on site.

The premises have adequate facilities for disabled members and their guests.

d) The prevention of public nuisance

Windows and doors will be kept shut during regulated entertainment.
All regulated entertainment will be housed at the rear of the building away from the nearest houses.
All speakers away from adjacent houses.
Garden areas and areas used for smoking and drinking are at the rear of the building away from the nearest houses. Smoking is only permitted on regulated functions and is not allowed during the normal running of the club.

All empty bottles and rubbish will be disposed of in the main bins the morning after an event and not during the hours of 23:00 pm and 07:00 am.

Car parking facilities are provided for members.

e) The protection of children from harm

During the normal trading activities children are allowed in the licensed areas and staff will be trained to not serve.
The only forms of identification accepted in these instances are passport or driving licence. All junior members are subject to the same rules with membership details where we have their picture and their address and date of birth on the computerised system accessible at all times.

There will NOT be entertainment of an adult or sexual nature on the premises at any time.

During events aimed at families adult supervision will be employed at all times.
